COMMUNICATION

As the first of its type, the committee will be called to order to discuss the question of the employment of the members of the faculty as they are needed in the various departments of the college. It is of the utmost importance that every effort be made to prevent the employment of these men and women who are not qualified to perform the work they are called upon to do. It is also necessary that the college should have a proper understanding with the members of the faculty as to the nature of the work they are engaged in, as well as the amount of their compensation. It is necessary to make a careful examination of the work of each member of the faculty to determine the nature of the work they are engaged in, and to see that they are properly compensated for the work they are doing.

Practice Teachers Will Have Meetings

Meeting of all practice teachers will be held at the college on Tuesday, May 9, at 8:00 a.m. The meeting will be held in the large hall of the college. The meeting will be for the purpose of reviewing the work of the practice teachers and to see that they are properly trained and qualified.

Wait... wait...

that's the watchword for Chesterfield tobaccos

Here's the reason so many smokers like Chesterfield... thousands of cases of mild ripe Chesterfield tobaccos are kept in storage all the time—every pound of it aged 2 years or more to give Chesterfield smokers more pleasure.

The wild ripen—bountiful and evocative Mildfield—and the pure cigarette paper used in Chesterfield are the best ingredients a cigarette can have. Try Chesterfield.
