**Rumor Denied . . .**

The faculty and administration of the College were denied the rumor that the Class of '47 will be graduated under the Five-Year Plan. They will not make the announcement until next month.

Reports indicate that steps were taken to effect this plan, but it has not been put into effect. A confidential source stated that the rumor was false. The president of the College, Dr. Arthur H. Tenney, said that the program will not be put into effect until further notice. He added that the Five-Year Plan will not be implemented until further notice.

The program will continue under the present plan, and the classes will continue to be graduated in the usual manner.
