ADVERTISE YOUR STANDING

The motion asking for a committee to investigate the

State College News, Friday, March 4, 1932

possibilities of a College Board of Publication is one

State College News, Friday, March 4, 1932

showing the support of the student association. Favora-

State College News, Friday, March 4, 1932

ble opinion has been expressed by the administration

State College News, Friday, March 4, 1932

and by the leading journal of the college.

State College News, Friday, March 4, 1932

The reasons why such a board should be

State College News, Friday, March 4, 1932

set up are not too difficult to outline. First, given the

State College News, Friday, March 4, 1932

inflammatory student, the opportunity to enter upon

State College News, Friday, March 4, 1932

such an experience would be a godsend. Second, the

State College News, Friday, March 4, 1932

establishing of a body of appointed approval of the College’s best

State College News, Friday, March 4, 1932

publications would be a form of recognition that is

State College News, Friday, March 4, 1932

particularly understood by the student body. In no other way

State College News, Friday, March 4, 1932

will it be possible to develop a genuine sense of recognition.

State College News, Friday, March 4, 1932

It is with this understanding that appeal is

State College News, Friday, March 4, 1932

made to the administration. It is hoped that the

State College News, Friday, March 4, 1932

administration will see fit to grant the request.

State College News, Friday, March 4, 1932

The motion made by Raymond Brown, A, Appleton, and

State College News, Friday, March 4, 1932

Carmen, was seconded by Raymond Christman, C, "Commer-

State College News, Friday, March 4, 1932

cial" and 2, "Central".

State College News, Friday, March 4, 1932

It would be right for the student body to

State College News, Friday, March 4, 1932

realize that the College is public and its publications

State College News, Friday, March 4, 1932

should be considered merchandise that is paid for by its

State College News, Friday, March 4, 1932

students. Each one of us pays for the publications

State College News, Friday, March 4, 1932

and therefore we should have some part in deciding

State College News, Friday, March 4, 1932

what the publications shall contain.

State College News, Friday, March 4, 1932

In conclusion, the student body asks that

State College News, Friday, March 4, 1932

the motion be granted and that the administration

State College News, Friday, March 4, 1932

consider the appointment of a College Board of

State College News, Friday, March 4, 1932

Publication.

ABSENT-MINDEDNESS?

Are you absent-minded?

State College News, Friday, March 4, 1932

We all know that books are printed in literal

State College News, Friday, March 4, 1932

letters on the blackboard of the student’s

conscience. Books which have disappeared from
desks include the

following:

These words are printed in liberal

It would seem that books are no longer safe on

Books are a means of education, a means of

of life. They are an aid to students in

Mexican towns.

State College News, Friday, March 4, 1932

Where are the books?

State College News, Friday, March 4, 1932

They have been replaced by the

machine age as

State College News, Friday, March 4, 1932

books are no longer safe on the
desks of the student body. What a pity.

State College News, Friday, March 4, 1932

What is to be done with this problem?

State College News, Friday, March 4, 1932

We should suggest that books be

removed from the desks of the student body. What a pity.
