Annual Bonfire Will Follow Skit

M.eyond the fire, a fire, will be the annual fall bonfire in connection with the Omega Phi Phi skit. The bonfire will be scheduled for Monday night, October 9th. The bonfire will be located on the grounds of the college, and the festivities will begin at 8 p.m. The Omega Phi Phi skit is scheduled to begin at 9 p.m., followed by the bonfire. The bonfire will feature traditional bonfire activities, such as the lighting of a large bonfire and the singing of popular songs.

Stokes Moreno, President of the Omega Phi Phi, has announced that the bonfire will be a highlight of the college's fall activities. "The bonfire is an important part of our college's social calendar," she said. "It's a great opportunity for students to come together and enjoy each other's company."

The Omega Phi Phi skit will feature a variety of performances, including music, dance, and comedy. The skit is a long-standing tradition at the college, and it is eagerly anticipated by students, faculty, and staff.

"The skit is a great way to celebrate the start of the new academic year," said Stokes Moreno. "It's a time for students to get to know each other and to have fun." The skit is expected to last for several hours, and it will end with the lighting of the bonfire.

The bonfire and skit are open to the public, and everyone is welcome to attend. The college encourages students, faculty, and staff to come out and enjoy the festivities.

"We look forward to seeing everyone there," said Stokes Moreno. "It's going to be a great night, and we're sure it will be a memorable event for everyone."
When Ten Percent...

Tuesday afternoon a number of the senior class of State College issued a memorial to purchase some records. It happens that in the past few years there has been a gradual increase in the number of students who have been successful in taking a course in dance. This has been reflected in the number of records which have been purchased. The students feel that they are doing their part in helping to carry on this tradition of excellence within the college.

What News...

Part of the policy of the State College is that of promoting the growth of all phases of student life. It is also an important part of the policy to encourage the interest of students in various activities. In order to carry out these objectives, the Student Association has been formed with the aim of bringing out the best in people and to create opportunities for people to develop their skills and talents.

Communications...

As a result of the establishment of the Student Association, the communications within the college have been improved. Members of the association have the opportunity to express their views and ideas and to participate in the decision-making process. This has led to a greater sense of belonging and a greater feeling of being part of the college community.

Campus Interviews on Cigarette Tests

Number 2...THE BLOW FISH

"Shucks—I blew in when I should've blown out!"

By the poor Paps! He's been making all those tricks cigarette tests you've been reading about! He's taken one pull of this brand—one sniff of that. A quick inhale of cigarette "A"—a fast cough of cigarette "B"—and he's still coughed! Seriously, isn't this the sensible way to test a cigarette to smoke after park, day after day?

That's the test Camel asks you to make.

The Milby Milkweed Test, Smoké Carolee—end only Camel is regularly for 30 days. Your "Ezimo" (for Throat and for Taste) is the real testing.

For any cigarette: Where have you tried Camels as your regular smoke, you'll know why...

More People Smoke Camels than any other cigarette!
