Three new faculty members,路由器, Philosophy; and Robert S. Vickers, Director of Community Study, began their duties at Union College. A third, the Rev. Edward D. Flinn, S.J., will be introduced at next week's Monday morning assembly.

Mr. Vickers has been named as Director of a new, major, non-academic activity program at Union College. The greatest blow to the Frosh Program is the loss of the Frosh Class of KDR. The Frosh Class of KDR is the backbone of the Frosh Program, and its loss is a great blow to the Frosh Program.

We only hope publishing problems won't crop up before the Frosh Program begins.

In a letter to the Frosh Program, the President of the College said that the Frosh Program is important to the College and that it should be continued.
