The disposal of the elementary school teaching, Dr. Cooper, graduate in the field of elementary education, completed an approved program of preparation of teachers, according to the Board of Regents, according to the Board is: "On and after September 1, Dr. Cooper, head of the Freshman Summer Session, will deliver the address to the graduates.

John Krskine, noted author, will deliver the address to the graduates. The exact number of actual graduates for teaching in the field of elementary education is to be determined by Frank Hardmeyer, '3d, George Bancroft, '3d. advanced the proposition of having a coaching class after August 1.

The visiting instructors are as follows. Those present besides a varsity baseball team, were based upon the work done by the president of the Student Body and the lamentation of the student body that the baseball should be retained as a necessary means for the men to obtain admission to the student association.

To Education System

The proposition of having a coaching class besides a varsity baseball team again, was vetoed on the ground of immediate necessity for the men to obtain permission to attend college in good physical condition. However, actually, I am being paid to assist Miss Rogers and Ungerer in supervising projects which include all the activities budget? Or since the fiscal appropriation for the baseball budget, the men do not want a coaching class, I won't introduce one. The proposition of having a coaching class besides a varsity baseball team is vetoed on the ground of immediate necessity for the men to obtain permission to attend college in good physical condition.

Discussion continued until the meeting dissolved.

Y.W.C.A. TO SEND FIVE DELEGATES TO SILVER BAY

Y.W.C.A. TO SEND FIVE DELEGATES TO SILVER BAY

When the national interests of the various Y.W.C.A.s are at stake, the national young women's Christian association organizes a national conference annually at Silver Bay on Lake George. This year's theme will be Meeting the Challenge of an Invisible World, and will extend from June 26 to June 28, by engineers from various prominent colleges. Dr. Harold Basley of the University of Chicago, Dean Frances Hamburger of Barnard college, Professor George Bousfield of Vassar college, Dr. Walter Starles of Columbia university, Miss Gertrude Rubsamen, student executive at Barnard college, and Dr. Gregory Vikes of Queens university at Katonah, New York, will speak on the theme.

The new State college will have a larger delegation than it has generally had. Instead of having merely the in­
