First Event of Junior Week a Big Success

The Junior Week festivities began Thursday evening, January 31st, with the reception to the faculty. The decorations consisted of chains of laurel and chrysanthemums, made of evergreens and a huge 1919 medal of white chrysanthemums. The lights were covered with streamers of green and white. The 1910 banner and service flag hung in the center of the gymnasium, above the orchestra, which was hidden by tables and chairs. Among those in the receiving line were: President and Mrs. Brewer; Miss Conwell; Miss M. E. O'Boyle; Miss Horner; Miss Pierce, Dr. Richardson; Miss Elbert; Prof. C. B. Woodward, Dr. and Mrs.Connell; Miss Van Lieu, Margaret Flynn, president of the '91, W. Earle Sutherland, vice-president; Monticello Cardiff, secretary; Harriet Church, treasurer; Gertrude Schermherhorn, exporter; and Dorothy Roberts. The committee in charge consisted of Dorothy Roberts, chairman; Rachel Lee, Edith Morrison, Pollock, opened ceremonies by introducing the junior class, and Mrs. E. Lee, Beulah Hunt, Donald Tower and Max Nickowitz.

JUNIOR "EATLESS" BANQUET

The Junior Banquet, owing to the exigencies of the times, confined its menu to ice cream and cake. There were no limitations set upon the fun, however. At six-thirty o'clock, Saturday evening, refreshments were served in the gymnasium to the assembled members of the Junior Class. The prevailing color scheme was carried out in the green and white table decorations. The toastmistress, Katherine Ferguson, opened ceremonies by introducing the class president, Margaret Flynn, with a bit of appropriate verse: "She's a charming young miss from a southern state, And I'm sure she never will tire of fun. For her type of fun is so neat, And her voice is so sweet. That there's nothing to do but admire her!"

The young lady arrived gracefully, with a toast to "The Class," followed by Mr. ca. Cardillo, who spoke on "To the Boys in Service." Following these, responses were made under the general heading of "College Pictures": Greta

Juniors Attend Game In A Body

State met the strongest team that has appeared against them this season, Saturday evening, and being composed of some of the best intercollegiate and professional players in the country.

State College did not play up to usual form. Several of the players missed the ball, which was unable to hold it after taking a man. The sailors took advantage of all these mistakes and many counted for field baskets.

At the opening half Barry dribbled the ball the length of the court and scored the first field basket of the game. Wakedfield put the sailors on top with the Albertans by scoring from the under the basket. H. O'Boyle followed a minute later with another field basket. Barry again dribbled the ball the length of the court and scored, being the score. Cohen took a pass from Barry under the basket and scored, putting State College in front again. Fitzgerald shot the ball twice from the foul line and H. O'Boyle registered a field basket. The score at half time was 12 to 8 in favor of the Pelham team.

Fitzgerald took the ball on the tip off on the second half and scored from the side of the court, cutting the visitors' lead down to two points. The sailors then cut State College was outclassed in all departments. The visitors passed the ball with lightning speed and field baskets were scored from all parts of the court. Hofcr carried the ball all over the court and proved too big a man for the State College men to stop. Every member of the Pelham team shot a field goal in this half, and the Pelham's big center, scored two field goals in a row and gave the visitors the lead again, which they retained throughout. EXPLANATION

Owing to the "closed" Mondays the "News" will appear on Fridays of each week until the new regulation is lifted.

WAR-SAVINGS STAMPS

In offering War-Savings stamps for sale at the post office, the State Government has made immediate a profit to the man and child in the country a profitable, simple and secure investment.

What They Are

War-Savings Stamps are the answer of a great democracy to the demand for a democratic form of government security. They are "little baby bonds." Like Liberty Bonds, they have behind them the entire resources of the Government and people of the United States. They have the additional advantage that they steadily increase in value from the date of purchase until the date of maturity, and this increase is guaranteed by the Government. These stamps are issued in two denominations, the 25-cent stamp and the $5 stamp.

For the purchase of one stamp, a "Thrift Card" is furnished to all purchasers of 25-cent stamps, and the card has space for 16 stamps. When all the spaces have been filled, a card of the same size and shape, but bearing the word "vacant" on each card, may be placed in the card space for 16 stamps. When all the stamps have been purchased on the card, the card is void and the stamps are not eligible for redemption.

As a result of these two classes of stamps being well represented in the News box before Saturdays of the week preceding publication.
