Cleanup

During the past years both Campus Concentrations and Conservations have been held for the benefit of the environment and to clean up the campus. The campus has become a more pleasant place to visit as a result of these efforts. The next Campus Concentration is scheduled for April 25th.

The Common-Sitter

By MINNIE and COOPER

Students at the State College have been concerned about the poor condition of the state college cafeteria. They feel that it is not efficient and well-equipped. They have proposed that the cafeteria be improved and that it be replaced with a more modern facility.

The Dungeon

The Dungeon is a popular study area on campus. It is located in the basement of the administration building and is well-known for its comfortable seating and quiet atmosphere.

Frataternity Befuddling

This week's Academy Award nominations are especially creative, in the same way that more subtly done, could have been. The play is about a group of college students when a "state of untidiness" prevails on campus and is being invited to "come up in It Should Happen To You," along with William Holden, and Give A Girl A Break are being shown at the theater.

How the stars got started

By FANSHA REERTICAL

At high school, I spent all my spare time playing with tobacco. I had a lot of friends before. I started smoking, eventually did it in the movies. Now I am a member of the college of film and television. I was performing for you not very long ago.
