Hartwick Gives Tired Albany A 96-76 Drubbing

In Bob Hildreth's sixth year at the helm of the Albany women's basketball team, the Dutchmen are exactly one game off the top of the MAAC with a 14-2 record. Hartwick's 96-76 win did not do anything to help improve the Dutchmen's 14-3 record. The Danes have been in the top 10 in the conference rankings all year, and today they ran out of gas.

Albany senior Dawn Baines had 28 points and appeared to be the only bright spot for the Danes. Albany head coach Joe Lambros said, "Our team is not very deep, and it showed today. OurDepth was not enough, we needed more talent."

Molly Phillips had a solid game for the Danes, but her efforts were not enough. Albany only shot 20 percent from the field in the second half. Hartwick started the scoring with a 14-point run to open the second half, and Albany had no answer.

Albany senior Bobbi Baines was the only point producer for the Danes in the second half, scoring 10 points. Hartwick's defense held Albany to only 30 points on 79 shots. Albany has been dominated by Hartwick in recent years, and today's game was no exception.

The Danes have been dominated by Hartwick in recent years, and today's game was no exception. The Dutchmen's defense held Albany to only 30 points on 79 shots. Albany has been dominated by Hartwick in recent years, and today's game was no exception.

Women Swimmers Continue Fine Performances

Albany diver Jodi Neilson placed second in the 1-meter in Saturday's Quadrangular Meet in which she won the 1-meter in both meets. This brought the total number of wins to six for Neilson. Neilson said, "It felt great to win both meets this weekend."

Baines, Belli Larson, and Lisa Smith each had outstanding performances. The Danes outswam the Dutchmen in both meets, and Hartwick's strong performance was not enough to beat the Danes.

Nader Speaks at Conference

Consumer advocate Ralph Nader, chairman of the Public Interest Group (NYPIRG) and author of "Rough Crossings," has been speaking at a conference on consumer rights. Nader has been a vocal advocate for consumer protection and has criticized President Reagan's administration for undermining consumer rights.

Nader said, "There must be a broader and more informed debate on consumer issues. The Reagan administration has been trying to limit consumer rights through legislation, but this does not address the root causes of consumer problems." Nader has been a vocal critic of the Reagan administration's policies on consumer protection.

Mayfest '81 Is On

SUNYA will celebrate Mayfest on May 1st and 2nd, with a variety of events. The first day will feature a concert with a cover charge of $5 or $6. All proceeds will go to the SUNYA Student Union. The second day will feature a variety of events, including a fireworks display.

Tickets on sale now, and all proceeds will go to the SUNYA Student Union. The second day will feature a variety of events, including a fireworks display. The sun will be on sale now, and all proceeds will go to the SUNYA Student Union. The second day will feature a variety of events, including a fireworks display.
Gas Tax May Increase

WASHINGTON, D.C., March 15 (AP) The House Transportation and Interior Appropriations Subcommittee has approved a provision in the 1982 Interior Appropriations Bill that would increase the gasoline tax from 14.5 cents to 16 cents per gallon. The provision, which was included in the bill by Rep. James Oberstar (D-Minn.), is expected to generate $1.5 billion in revenue for highway construction and maintenance.

Colombia Media Embargo

BOGOTA, Colombia, March 15 (AP) The Colombian government has imposed a media embargo on all newspapers and television stations, effective immediately. The embargo was requested by the Colombian government in response to a series of protests and demonstrations in support of the Colombian government's decision to withdraw from the 1970s peace talks with the Revolutionary Armed Forces of Colombia (FARC).

Mid East Not Top Priority

TEL AAV, Israel, March 15 (AP) The Israeli government has announced that the Middle East will not be the top priority of their foreign policy agenda for the next few months. The announcement was made by Foreign Minister Shimon Peres, who said that the priority will be to strengthen ties with the United States and Europe.

Campus Briefs

Department Awarded Grant

The Chemistry Department has been awarded a grant from the National Science Foundation. The grant is for the development of a new curriculum in organic chemistry for undergraduate students. The grant will provide funds for the purchase of laboratory equipment and the hire of additional faculty members.

Fellowships Are Available

The National Science Foundation is offering fellowships for current college students. The fellowships are available for students in the fields of mathematics, physics, chemistry, biology, and engineering. Applications are due on May 1, 1982.

Career Luncheon Planned

The Albany Alumni Association will hold a career luncheon for current college students on May 10, 1982. The luncheon will feature guest speakers from a variety of industries, who will discuss career opportunities and provide advice on job search strategies.

Porn Movies Nixed

ATLANTA, March 15 (AP) Police say they have ruled out a connection between the death of a twenty-year-old man found in a car on Saturday and the recent spike in car thefts in the city. The man's body was found in a car that was stolen from a parking lot on Friday night. The investigation is ongoing, and police are asking for the public's assistance in identifying the suspect.

Most Students Want Distribution Requirements

The Albany Student Press asked students whether they support or oppose the current distribution requirements at SUNYA. Over 700 students from all over the state responded to the survey, and the results show that 69% of students support the current distribution requirements, while 31% oppose them.

Moral Majority:

The Holy Inquisitors

By the Editor

The American Moral Majority is a group of people who believe that the Bible should be used as a guide for how we live our lives. They believe in the Bible's teaching that women should be subservient to men and that abortion is a sin. They also believe in the right of parents to decide what their children should learn in school, and they oppose the teaching of evolution in science classes.

But the real story is JohnㅿPaisley and the Moral Majority. John was an American history teacher. He had been the chairman of the Moral Majority in his school district. In 1982, he was fired for refusing to remove a picture of his wife from his classroom. He had been on the board of directors of the Moral Majority.

They tried to get him fired. They tried to get him out of the school district. They tried to get him out of the United States. They tried to get him out of the world.

The Moral Majority is a group of people who believe that the Bible should be used as a guide for how we live our lives. They believe in the Bible's teaching that women should be subservient to men and that abortion is a sin. They also believe in the right of parents to decide what their children should learn in school, and they oppose the teaching of evolution in science classes.

Gymnasts Split

On Saturday, the Albany State women’s gymnastics team defeated New Pallz by a score of 193.75 to 193.65 in the 1981 regular season finale. Barbra Stacho, who scored a 6.95 in the balance beam, and Cathy Ghost, who scored a 7.4, contributed significantly to the Danes’ victory. New Pallz, on the other hand, won the floor exercise with a score of 6.9.

Throughout the meet, both teams demonstrated impressive performances, highlighting the high level of talent in collegiate gymnastics. New Pallz’s score of 193.65 is a testament to their strong performance, and the Danes’ score of 193.75 reflects their competitive edge.

In addition, the women’s gymnastics program at Albany State University has been on an upward trend, with continuous improvements in their performances. The team has been working hard to achieve their goals, and their dedication has paid off. The upcoming season promises to be even more exciting as the team looks forward to furthering their success.
Faces Cortland In Regular Season Final As Danes Go For 20th Win

by Dick Saucers

The Albany State basketball team is looking to extend its winning streak to 20 games by beating Cortland in the regular season finale on Tuesday. The Danes have been on a roll, winning their last 19 games, and are looking to continue their dominance over the Red Dragons.

The Danes have been led by senior guard Rachel Wallace, who has been averaging 16 points per game. Wallace is the team's top scorer and has been instrumental in their success. Other key contributors for Albany include sophomore forward Lorie DiGregorio, who is averaging 10 rebounds per game, and junior center April Smalls, who is averaging 12 points per game.

Cortland, on the other hand, has been struggling in recent games. The Red Dragons have lost three of their last four games, including a 78-65 loss to SUNY Geneseo last week. However, the Red Dragons have been playing well in their home games, winning four of their last five at home.

The Danes and the Red Dragons have had a competitive series in recent years. Albany has won the last three meetings, including a 72-65 win earlier this season.

The game will be played at 7:30 pm on Tuesday at the University at Albany's SEFCU Arena. It will be the last regular season game for both teams this season.

Women Place Second In Tourney

by Lou Cervone

The women's basketball team had a strong showing in the Capital District Women's Invitational Tournament, finishing in second place. The team was led by junior guard Emily Davis, who averaged 15 points per game and was named to the all-tournament team.

The team's other top scorer was senior center Lisa Johnson, who averaged 13 points per game and 10 rebounds per game. The team also had strong performances from sophomores Jennifer Brown and Sherry Brown, who averaged 10 points per game each.

The team faced tough competition in the tournament, including a 69-67 loss to first-place finisher Schenectady. However, the team bounced back with a 72-65 win over Saratoga Springs in the semifinals to advance to the championship game.

The team played well in the championship game, but were unable to overcome Schenectady's strong performance. Schenectady won the game 79-68 to claim the tournament title.

The team will now focus on preparing for the upcoming NCAA Division III Tournament, which will begin in early March. The team has a strong chance at making a deep run in the tournament and capturing a national championship.
