Russell To Act As Editor-In-Chief Of 1959 Pedagogue; Eight To Serve As Members Of Year Book Staff

The current regimen of changing traditions as revealed in the Pedagogue, the State College yearbook. January to January election basis because the increasing size of the book, both financially and in length, necessitates direct contact of the editor and staff which the professional semester might interfere with. This should assure against delay in meeting publication date of the book.

Man Available, Price Cheap!

St. Peter's, 1958, University Place, Binghamton, N. Y., has been newly created on the staff to be the Bill. The staff of the Pedagogue is being remodelled on a publication date before the next issue.
