**State College News**

**Who's Who Among Students**

The names of the nominees chosen for "Who's Who Among Students" are presented in this issue of the State College News. The list includes ten students from the State College, ranging from freshmen to seniors. The names are arranged in alphabetical order, and each student is described briefly based on their academic and extracurricular achievements.

**States-Men Quiz In Page Program**

Undertakers To Vote In Today's Assembly

The States-Men organization will present a quiz program today in the assembly, featuring questions about college life and current events. The quiz will be held in the Ingle Room at 8 P.M. and is open to all students.

**Who's Who Among Students**

"Who's Who Among Students" is an annual event sponsored by "Love Me P'er" and "Love Me P'er," which recognizes outstanding students from the State College. This year's list includes ten students from the Class of 1948, with nominations made by the faculty and students of the College.

**Music Council Will Present Donald Dickson**

Baritone Of Radio, Stage, Screen Renown.

The State College Music Council will present Donald Dickson, baritone of radio, stage, and screen, in the College's annual fall program. Dickson is known for his ability to perform a wide range of musical styles, from classical operas to contemporary pop songs. His performance will be held in the Ingle Room at 8 P.M.

**States-Men Form Plans for All Social Calendar**

The States-Men organization has begun planning for the social calendar of the upcoming year. The group will host several events, including dances, dinners, and other social gatherings, throughout the year. The States-Men will also participate in other college events, such as sports games and academic competitions.
T-Formation Plans

State College has announced another T-Formation Plan for the 1946 football season, the second in a series of such plans sponsored by the athletic department. The idea of the T-Formation Plan is to provide opportunities for all students to participate in athletic activities during their college years, and to encourage the development of leadership qualities among its participants.

College Close-ups

For the past two years, the campus newspaper has been running a feature called "College Close-ups". These articles provide insight into the lives of students and faculty members, highlighting their contributions to the college community. The feature has proven to be a popular one, and has helped to foster a sense of camaraderie among students.

Jargon in GQ

The term "Jargon in GQ" refers to a style of writing that is characterized by the use of jargon and technical terminology in an attempt to convey complex ideas in a clear and concise manner. The term is often used in scientific and technical fields, but has also been adopted by other disciplines as a way of communicating with a specific audience.

Radio Clubs

The campus radio club has been active for several years, and has played an important role in the college community. The club provides opportunities for students to learn about radio technology and production, and to develop their skills in this area. The club also acts as a public service, broadcasting important news and announcements to the campus.

Religious Clubs

The college has several religious clubs, including the Pentecostal and Catholic groups. These clubs provide opportunities for students to develop their faith and to engage in religious activities. They also serve as a way for students to meet others with similar beliefs.

Pi Omega Pi, Pi Gamma Mu Plan Activities

Pi Omega Pi and Pi Gamma Mu are professional organizations for students in the fields of communication and liberal arts, respectively. The organizations provide opportunities for students to develop their skills and to engage in professional activities. They also serve as a way for students to meet others with similar interests.

Library Gains Books, Records

The college library has been expanding its collection of books and records in recent years, and has made significant gains in this area. The library provides an important resource for students, and is an essential part of the college community.

"Who's Who" Nominations Listed

The annual "Who's Who" list is an important part of the college community, providing recognition for students who have demonstrated excellence in their academic and extracurricular activities.

Alumni Ass'n Opens Residence

The college alumni association has opened a residence for alumni, providing a place for them to reunite and to engage in activities that promote their connection to the college.

"Sign Up!" Activities Day Theme

The annual "Sign Up!" activities day is an important part of the college community, providing opportunities for students to engage in activities that promote their academic and extracurricular interests.

Art Show Quits D Party Line

The annual art show has been discontinued, and the college has instead opted to focus on other activities. The decision was made after careful consideration of the various options available.

State College News

The campus newspaper, State College News, has been an important part of the college community for many years, providing news and information to the students and the general public.

Central

Central is a local business that has been in operation for many years, providing a variety of services to the community. The business has been an important part of the local economy for many years, and has provided employment opportunities for many people.
Intramural Football Commences
As Teams Show Passing Skill

State College News, Friday, October 5, 1945

By MARY A. LORILLARD

Do we need a new and friendly
football team? Can we all
play the game or will we
be left out? The answer to
the first question is a
 '?Yes.' The answer to
the second question is
 'No.'

The intramural football
season opened Wednesday
afternoon, October 3, when
the Streaks and the Valiants
battled for the first time. The
Streaks scored four times, and
the Valiants scored twice, to
make the final score 19 to 6.

The Streaks kicked off to
begin the game, and the
Valiants took the ball and
advanced to the 38-yard line.
The Valiants then crossed the
goal line unmolested, the first
touchdown of the game. The
Valiants then had a second down
at the 20-yard line, and this
ended the scoring for the
Streaks.

The Streaks then had the
kick-off at the 25-yard line,
and B. Sullivan took the ball on
the 20-yard line and passed
to R. O'Brien at the 35-yard line.
The pass was caught by
R. O'Brien, who then crossed
the goal line for the Streaks' first
touchdown. The 'Streaks'
followed this with a second
touchdown, the second
converted by B. Sullivan, to
draw the game even. The
Valiants then intercepted the
kick-off and took the ball on
the 20-yard line, and this
resulted in a TD. The Streaks
then took the kick-off at the
20-yard line, and B. Sullivan
passed to R. O'Brien at the
35-yard line. R. O'Brien then
passed to R. O'Brien at the
20-yard line, and this brought
them their second touchdown.

The Valiants then had the
kick-off at the 20-yard line,
and B. Sullivan took the ball on
the 20-yard line and passed
to R. O'Brien at the 35-yard line.
The pass was caught by
R. O'Brien, who then crossed
the goal line for the Streaks' first
touchdown. The 'Streaks'
followed this with a second
