"What is the Student Faculties Board? What form is it taking?

Each student who meets the requirements for membership on the Student Faculties Board for 1950-51 will be chosen by his college house, with the cooperation of the Student Council. The Student Council's Book Exchange seemed to solve the problem of selection without the necessity of entering a second election. By the time the students are being elected, the membership on the Board will be determined by the residence of the college. Each college will have two representatives on the Board. The Board will function in two ways: to direct the work of the Board and to advise the college authorities on matters concerning the student body. The Board will meet at least once a month. The meeting will be held in the President's office, with the President presiding. The Board will have the power to appoint committees to study any matter of interest to the student body. The Board will also have the power to make recommendations to the college authorities on matters concerning the student body. The Board will meet at least once a month.
