NEWMAN PREPARES ANNUAL RETREAT

Why Remain In Teaching?

By Laura C. Hefner

WOMAN WAS PRESENT.

State Board President M. E. M. E. was present at a recent meeting of the Board of Trustees.

The following trustees were present: J. M. O. C. C. (Chairman), W. H. H. C. (Vice-Chairman), and J. B. D. F. (Secretary).

The Board discussed several important matters, including the budget for the coming year, the expansion of the campus facilities, and the appointment of new faculty members.

M. E. M. E. emphasized the importance of maintaining a strong academic program and ensuring the financial stability of the institution.

The Board also addressed the issue of student housing, expressing concern over the increasing costs and the need for more affordable options.

The meeting concluded with a vote of confidence in the administration and a determination to continue working towards the betterment of the State College.

The Men's Athletic Association (MAA) is building something with an iron framework. Through the informal talks in the lobby, one can see the potential for a great organization for the men. With a new mind set and a new spirit, the MAA will continue to develop until the season is over. The results of the intramural baseball tournament are surprising, and the MAA will put their minds to work on this exciting opportunity.

WAA Begins

Its Spring Season

As the WAA Spring season begins, it will be interesting to see what the teams have done. There was much anticipation that the season would be good, and the teams have therefore prepared themselves. The men have been training and preparing themselves for the upcoming season, and there is much excitement.

Five Teams Place

Men On All-Stars

Following the usual procedure, the teams will be placed on the All-Star list. Our own team will be one of the top teams in the season. They will be represented in all-star games around the state. There will be two teams playing against each other, and there will be another team playing against the others. It is expected that the men who have been training will be much better than the others.

Plays Softball Race

State College was in the running for a place in the final round of the intramural softball league. The spring season is shorter than usual, and there are only a few teams left. Although many attempts to have athletic contests have failed, the WAA has done a good job of organizing the league. The state college is one of the few organizations that will be represented.

The Ramblers and Kappa Beta Society will form teams and games will be played between the two organizations. For those who want to play, it will be the last time. The Ramblers and Kappa Beta Society will form their own teams and games will be played over the summer at their respective locations.
