The annual spring convention of the Capital District Scholastic Press Association is being held tomorrow morning from 9:30 A.M. to 4:00 P.M. in Page Hall.

(Continued in Column 2)
Food for Freedom

Observations have been made concerning the waste of food around Milne. Recently, there was a campaign about saving paper for defense but, the saving of food is even more important. It has been said that "food never won a war, but the lack of it has lost many of them."

Everyone in Milne can help by following a simple plan. Everyone must resolve to reform. A few of the principles that can easily be followed are listed below:

1. Bring or buy only the amount of lunch you plan to eat.
2. Remember the lettuce on your salad or in sandwiches was once a large number of girls. Who's this Haggerty we've been hearing so much about????
3. The crusts of bread are as good as the rest of it. It is a waste of food. Some freshmen boys are going to give a party tonight. Nobody knows the details as to where or what.....
4. Never throw it away.
5. Milk costs money—get your money's worth by drinking all of it.
6. Eat all of your lunch—You will not need to buy candy, gum, or extras.
7. Save that extra nickel for war stamps.
8. If everyone would abide by these rules, it would be a great help toward doing our part. Don't waste Food!

A Note of Apology

Guess what! There's not going to be a paper next week. Don't get mad, though, because there's a perfectly good reason for it. When we asked for an extra dollar in the beginning of the year, we promised to give you twenty-five issues. As everyone knows, there is a war going on, and prices have increased. We have been affected by these rising prices, and have not enough money to put out twenty-five papers. This is our twentieth issue of the CRIMSON AND WHITE, and there will be one more. This last issue will come out in two weeks.

Senior Spotlight

Johnny Poole, the 5th ranking student in the senior class, has been an outstanding Milnite since the seventh grade. As tennis athlete, he is co-captain of the inspired tennis team, and he is one of the stars on the basketball team. His long shot against BCHO this year in the last seven seconds to win the game will long be remembered.

President of the Student Association, he is a member of the junior student council, and is vice-president of the senior student council. He is chairman of the Q.T.P.A. format.

In the future he plans to major in chemistry at Union College.

Rita Figarsky

Rita Figarsky is le président du Circle-francais. She was very industrious in her years at Milne as a member of the Art Fair, Assistant Editor of the Circle-francais and a member of the editorial board of the CRIMSON AND WHITE. Rita has been very active in Sigma and on the Class Night Writing Committee.

In her spare time, Rita enjoys playing tennis, swimming and hanging around the Circle-francais office. Her favorite place to spend a vacation is at her camp in Barre, Vermont.

Her riding on a bicycle is the result of the gas rationing. Rita has a hard time finding new ones. When she goes to Art School, she intends to take an art course at either Michigan University or Syracuse University, and her curricular interest centers on French. After school, she amuses herself by playing tennis, swimming and hanging around the Circle-francais office. Her favorite place to spend a vacation is "Barnel House Beside From Barn Street." The orchestra which she likes best is T. Dorsey's.

Things to Come

Friday, May 15—
6:30—Hi-Y Fathers and Sons Banquet, Gym.
Saturday, May 16—
9:00 A.M.—C. D. S. P. A. Convention, Auditorium.
9:00 P.M.—C. D. S. P. A. Formal Dance, Gym.
Monday, May 18—
4:00 P.M.—Vinentian at Ridgefield.
Wednesday, May 20—
4:00—Baseball—Rensselaer.
Friday, May 22—
2:25—Junior High Assembly.
6:00—11:00—Milne Muskele.
Saturday, May 23—
8:00—11:30—Junior School Spring Formal.
10:00—Milne Horse Show.
**Netmen Fight on To Double Victory**

**Milne Looses In Close Sixth Game**

The Red Raiders of Milne dropped their fifth game of the year last Tuesday when Bedford Central High school defeated them 7-5 on their Delmar Field. In the hitting department which the two teams were tied led with 6 apiece.

Milne started off with a bang in the first inning when they scored two runs. With one out Jones walked and was sacrificed to second. George Edick then slammned a single to bring Jones in with the first run. Milne scored the second run as Game reached first on an error. Game entered the inning when he was forced at second by Leaning.

**Six Run Rally**

Delmar came right back in their half of the first and scored six runs in their second at bat. With one out Jones walked and was sacrificed to second. George Edick then got the other. Milne threatened but once in the ninth inning when they loaded the bases on walks with two outs but a relief pitcher quickly ended this threat. The Falcons were also able only to garner four more of its opponents in the second inning.

**Milne Scores**

In the fifth Milne scored two more when George Edick reached first on an error by the shortstop Jaci Adams. With two away Hal Game hit a double through the center which scored Game. Swartz sacrificed the runner to second and Milne scored another run.

**Milne Loses In Close Sixth Game**

In the third Milne scored two more when George Edick reached first on an error by the shortstop Jaci Adams. With two away Hal Game hit a double through the center which scored Game. Swartz sacrificed the runner to second and Milne scored another run.

**CBA Wins, 14-4**

Last Monday the Red Raiders were defeated by CBA in a home game at Ridgefield Park. The final score of the game stood at 14-4. The tilt turned out to be quite a farce. The Milnites made 10 errors, probably setting all time high in this department. The CBA gang got all of the runs in rallies in the 2nd and 4th. Only 4 of the CBA runs were scored on in this comedy of errors. In the hit department the teams were quite even. CBA garnered nine and Milne followed with nine and Milne followed with.

**Netmen On To Double Victory**

For the first time in many years Milne boasts an outstanding tennis team. Heretofore unnoticed, the team is arousing the interest of Monmouth and other Capitol District Schools.

The team made an auspicious start by taking Rensselaer 8-3, 5-3 and Columbia 2-4. A. Ely got the other. Milne went on to win 4-0 score. Milne garnered only 2 runs but Hunter the opposing pitcher got only 6 hits. Milne scored one in their half of the third on two singles and an error.

**Milne Scores**

In the fifth Milne scored the last run of the game on singles by Ball Dyer and Fred Detwiler who entered the game as a pinch hitter. Dyer walked to load the bases, but Detwiler and Game both went down to end this scoring threat. After this Milne threatened and Delmar walked back to bat.

**Tom Dyer pitched the game** for Delmar and struck out ten Milne men. Dixon a left hander pitched the winner.

**Journey to East Greenbush**

After this the team travelled to East Greenbush where, without the playing of the co-captains Poole and Game, the team defeated Milne, 7-4.

In this match Aronowitz took the first singles 6-2, 4-6, 6-2. Walter Grace, '42, took his match 6-3, 6-2; Bookstein won the third match 6-3, 6-0. Harry Culp, '43, won 6-1, 6-1 in the 4th singles and Mendel won the 5th singles 6-1, 6-3. In the doubles, Aronowitz and Bookstein won 7-5, 1-6, 6-3 and Grace and Culp 16-4, 6-3.

Thus the team has made a clean sweep of its first two contests, without losing one match. If the team can keep anywhere near this pace in successive matches with Albany Nott Terrace, and Bethlehem Central High Schools, they will be the outstanding team in the Capitol District.

**Ball Announces Schedule**

Manager Stanley Ball announces the following schedule with Milne:
- May 13—Albany, Bleecker
- May 15—Nott Terrace, Schenectady
- May 20—Rensselaer, Rensselaer
- May 21—Columbia, Ridgefield
- June 1—Esopus, Litchfield
- June 2—B.C.H.S., Ridgefield
- June 3—Nott Terrace, Ridgefield

**Nothing Else So Good**

**Is So Good for You**

**New Tennis System**

This year there is going to be a new system used for the girls to compete. The system will not be definitely decided as yet, but the system most likely to be used will be the ladder tournament. Each girl interested in being in the tournament will sign up. Each name will be drawn with a number. The girl's name will be placed at the top, number two, second, etc. Any girl can challenge another girl whose number comes up. The object is to challenge all the people above you until you reach the top. Six matches will be the minimum of playing before receiving a tennis letter. Those who are not interested in the tournament system may play for ten hours and receive a letter. Something will be worked out similar to these systems, so there will be a chance for everyone.

The riding class is working very hard on the drill to be given at the Annual Horse Show. The program will also include seat and hand jumping, sets of twos, and musical chairs. The show will again take place at the Fort Orange stables, Western Turnpike. It will be worth seeing and everyone ought to get out this afternoon on bicycles, suggests Miss Hitchcock.
Edits Paper

Every month the Junior Red Cross Council from one of the schools in the city is assigned the job of editing the council's paper. This month Milne is undertaking the job.

The main purpose of the paper this month is to distribute among the Junior理事会 members the proposed revisions of the Junior Red Cross Constitution. The idea the Council has in mind is to change the election laws. Previously, when only two schools belonged, the officers were chosen from just those schools. But now, due to increased membership of student councils, they are attempting to extend the new limited laws so that Milne and Vincentian Institute may partake in Council elections.

Corrine Edwards is Milne's representative concerning the revision of the constitution.

The Red Cross needs all the help they can get. To whom who wants to do something really worthwhile for our defense should come," advises Corrine Edwards, "and I will find something for you."  

Seventh Grades Resume Studying Our State

Now that the excitement of the Saratoga trip is over, the seventh grade school studies classes are settling down to more serious business. In Rooms 325 and 327 they have "State Assemblies" and "State Senators," in action. In days to come they will continue to learn more about New York State's people and where they live.

The eighth graders are busy making comparisons between Pre-Civil War days and present war conditions. The students will conclude their new activities for the year with a unit on transportation emphasizing airplane travel.

"By Plane to Latin America." Who's going? The ninth grade social studies classes, of course. At world conditions are now, they can only go by using their imaginations, but they have good ones.

Hi-Y Members Entertain Fathers at Their Banquet

Philip Enare, '42, president of the Milne Hi-Y club, announces that the annual Father and Sons' banquet is to take place Friday, May 15, at 6:00 o'clock. Dr. Warren Knox will speak on aviation cadet training and its relation to high school and college courses. There will be a discussion after his speech in which he will answer all questions.

The president of the Hi-Y for the coming school year of 1942-43 was elected by secret ballot and will be announced and presented at the banquet.

Miss Ruth Suhrie Engaged to Artist

Miss Ruth Suhrie, art teacher in Milne, is engaged to Mr. Robert Allaway, a commercial artist in New York City. Miss Suhrie is planning to be married during the summer and will not teach after her marriage.

Home Economics Class Will Model Dresses

Mrs. Anna K. Barsam, supervisor of Home Economics, is presenting her annual fashion show. Those participating will be the seventh, eighth, and ninth year girls modeling the clothes that they themselves made in Milne.

Kenny Advises Seniors About College Entrance

Dr. Ralph B. Kenny, director of guidance, in an interview last week urged all senior class members who have not yet placed their application for colleges or business schools to do so at once, as all colleges are accepting applications now for September admission.

Home Economics Class Will Model Dresses

Mrs. Anna K. Barsam, supervisor of Home Economics, is presenting her annual fashion show. Those participating will be the seventh, eighth, and ninth year girls modeling the clothes that they themselves made in Milne. Jeanette Price, Jean Pernie, Ann Graham, Elmoor Mann, Peggy Gallivan, Carol Jacobs, Nancy Abernathy and Eve Morgan, all class of '46, will sing during the fashion show. Janice Hauf and Carolyn Cullen will accompany them on the piano. The announcer for the entire show will be Janet Wiley. Those participating from the seventh grade are: Jean Traver, Marjorie Bockelian, and Florence Drake.

Kenny Advises Seniors About College Entrance

Dr. Ralph B. Kenny, director of guidance, in an interview last week urged all senior class members who have not yet placed their application for colleges or business schools to do so at once, as all colleges are accepting applications now for September admission.

Students whose college requires scholastic aptitude tests, and who missed the recent test are advised to see Dr. Kenny at once to register for another series of similar tests on June 13.

Dr. Ralph B. Kenny, director of guidance, together with members of the faculty is now assisting students of the junior school grades to plan their schedule for their future years in Milne.

Mothers, Girls, Dined May 13 At Wellington

The fifth annual seniors' Mother and Daughter banquet was held Wednesday night, May 13, at six o'clock. The Green Room of the Wellington Hotel was engaged for the event. Corrine Edwards and Leila Sonts, '42, were co-chairwomen of the affair. Miss Edwards also acted as toastmistress.

There was a short greeting to the daughters read by Mrs. Elvira C. Ambler, and a similar greeting from the senior girls given by Joyce Hoopes, Barbara Rosenthal, Lois Katayu, and Margaret Hodecker also participated in the program. Each girl told what she is planning to do in the coming year after graduation.

An article by Mrs. Anna K. Barsam, instructor in home economics, entitled "Findings Need Keeping," appeared in Forecast magazine, describing the defense efforts of the Milne girls' sewing classes.

The girls decided to save material by making dresses which require less yardage and to save thread by avoiding unnecessary ripping and by reusing bindings.

A competition between eighth and ninth grade girls resulted in many fine posters which urged conservation of sewing materials. Miss Suhrie, of the Milne Art Department, aided the girls in their artwork.

Two of the captions were: A Pin That's Been and Picked Today Lasts for Work. Another Day, Save Your Scraps to Beat the Japs.

The girls whose posters were published were: BarbaraSmith, '46; Chloe Peleiter, '45; Norma Johnson, '45; Janice Hauf, '45; Jean Pernie, '45; Carol Jacobs, '45.

The following seniors and their mothers attended: Marion Horton, Ethel Lee Gould, Mirjam Boore, Ellen Willback, Sally Hunt, Lois Katayu, Eleanor Tunstall, Patricia Forward, Lois Ambler, Joyce Hoopes, Ethel Baldwin, Janet Fletcher, Margaret Hodecker, Corrine Edwards, Leila Sonts, June Black, and Barbara Rosenthal.
