Student Council Elects New Officers For 1942

The Milne Senior Student Council held its first meeting of the year last Wednesday morning. Richard Bates, President of the Council, released the following list of officers and members.

Edward Bookstein, of home room 130, was elected Vice-President of the Council. Marjorie Wright, of room 25, was elected Secretary. Benjamin Van Acker, of the Art Room, was elected Treasurer. Bookstein and Van Acker are the candidates for the Council Presidency this year. Jean Chauncey, the fourth candidate in last year's campaign, has moved away from Albany.

New Traffic Squad

The members of the Traffic Squad for this year are: George Edick, Captain; Harold Game, Harry Culp, Ted DeMoss, Jack Alper, Nick Mitchell, Harvey Holmes, Jack Casner, and Charles Cross, Seniors; Leonard Jones, Junior; David Packard '45, Thaddeus Terry '45.

Sale of Bonds

"The sale of Defense Bonds and Savings Stamps will be resumed next week," stated Richard Bates, who was in charge of the drive last year. The sale of the Bonds and Stamps will be handled in the same way as last year, treasurer taking care of his own home room. "Each home room should elect its treasurer by next Tuesday at the latest," said Bates. "So that the start of the drive will not be delayed. We hope each student and home room in Milne will cooperate."

Milne Starts Banking System for Students

Milne has inaugurated a new banking system which will handle the student association's budget, and other financial affairs. The bank will be under the direction of Dr. Edward L. Cooper, supervisor of Commerce. Commerce students will work in it. The bank will be located at the west end of the second floor hall, and will be operated from 8:30 to 9:00 and from 3:30 to 4:15 every day. Melissa Engle, a Commerce student, is now in charge of it. Any one who is interested in the work should see Dr. Cooper.

The organizations which share the money will go to the bank during the banking hours, and make out their checks to the association. The first business of the year for the bank will be the collection of student tax fees. Students should pay their money to the bank, instead of to the office as in previous years, suggests Dr. Cooper.

Sixty-Six in This Year's 7th Grade

Miss Clancy Lists New Students in Upper Grades

Coming from schools all over the Capital District, sixty-six seventh graders formed the Milne class of '49, as they entered school Tuesday, September 22. They consist of 30 girls and 34 boys.

There are also a great many students that have been admitted to the eighth, ninth, tenth, eleventh, and twelfth grades. In the 8th grade is Jane Simmons from school 18.

Those new ninth graders are Helen Dethloff, school 19, Jeanne Herron, Miss Quinn's School, Evelyn Miller, school 23, Philip Stoddard, University of Iowa High School, Frank Hall, Roesselville, William Welch, Albany Academy, Sarge Siniakopis, School 19.

In the sophomore class is Joan McConnel, while new juniors include Ann Stichney, St. Agnes, Pat Gatier, Albany High, Angela Snare, Chatham, Kitten Wheeler, St. Agnes, Luba Galiod, Albany High, Joanna Scott, Bethlehem Central, Robert Bauer, Menands, Paul Dittrich, Burlington, Vermont.

The twelfth grade transfers are Geraldine Cardlock from New Rochelle, and Cuyler Thayer, Albany Academy. There are just two people taking the Post Graduate Course. They are Joan Connors from Holy Names and Robert Rinn who attended Milne last year.

"Every Student Involved in War Effort," Says Bates in Message

The Milne School starts the year, 1942-1943, with each individual student, new or old, big or small, ready to do his or her part in the total war effort. Everyone of us, through the course of the year, will have the opportunity to "show our stuff" in the fight against the three dictators.

Sponsors Victory Council

One of the many things your Student Council will attempt to do this year will be to sponsor a Victory Council, made up of one student representative from each school in the city. It is our hope that these representatives will attempt to familiarize themselves with the many war time problems facing all of us.

In this school, we will start where we left off last year, in the voluntary purchase of war bonds and stamps. This surely is the same as last year except for the few provisions for the new faculty, stated Paul C. Bulk, assistant principal.

The general procedure for Fire and Air Raid Alarm drill is the same as last year except for the few provisions for the new faculty, stated Paul C. Bulger, assistant principal.

The new students are asked to note the procedure for Fire and Air Raid drills as posted on the main bulletin board.

Attention is drawn to the seating order in the Page Hall Auditorium. The seventh and tenth grades are to occupy the left side while the eighth and eleventh years occupy the right side of the auditorium. The freshmen and seniors have the center portion reserved for them.

During good weather the students will use the doors assigned to entering and leaving. This will help relieve overcrowded conditions and will acquaint everyone with proper procedure for leaving the auditorium in emergency.

The general supervision in case of raid or fire is placed in the hands of Dr. R. W. Frederick, principal, and Mr. Bulger.

It is urged that everyone both in faculty and student body acquaint himself with the proper exits.

Six Members Added to Milne Faculty for 1942

Teachers Come From 4 Corners of Country

By Betty Baskin

From the four corners of our country, six new professors have arrived to join the Milne faculty this year.

Mr. Harry B. Grogan, Milne's new Physical Education Director, is a graduate of Cortland Teachers' College, Cortland, New York. His first college and speech, was a graduate of Schenectady High School for a year and a half. He then taught at Tully Central High School. When asked how long Mr. Grogan would teach at Milne, he answered, "I'll be here permanently, I hope."

The second is married and has a nine-month old baby.

New Milne Librarian

From Minnesota, comes Miss Mabel Jackman, the new librarian of Milne. Miss Jackman was graduated from the University of Minnesota and received her B. S. degree. She then went to the University of Chicago and received her M. A. degree. In the last five years Miss Jackman taught at the University of Minnesota, and in the summer she taught at the library division at the University of Minnesota.

Graduate of State

Mr. William A. Fullagar, the new Science supervisor, working with Dr. Curleton Moore, was graduated from the New York State College For Teachers. He also received his A.B. and M.A. from that college. Following his degrees, he taught for two years at Schaghticoke High School at Schaghticoke, New York. Then for the next two years, he taught at Hudson Falls High School. Before entering Milne, he was Science teacher at Bethlehem Central High School. Mr. Fullagar, parent of two young children, will remain at Milne permanently.

Texan at Milne

Miss Marion O'Brien, supervisor of art and speech, was a graduate of Texas State college. She received her M.A. degree at Columbia University. Before entering Milne, he was Science teacher at the library division at the University of Minnesota.

(Continued on Page 3, Col. 1)
Here We Go Again!

Hello again! Just as everybody had to relinquish his summer vacation fun and get back to the old grind of getting up early in the morning, studying in the evening, going to bed early at night, and dating only on weekends, so must the Crimson and White get back to its old routine. It's really no easy job to give up study and make numerous trips to the printer—but it is fun.

As everything else, the Crimson and White must start from scratch again. A new staff must be trained, new schedules must be learned, and the will and ability to become a first class newspaper is needed.

This year the staff of the paper hopes to have a very successful year. By this we mean that all school news will be completely covered and interestingly written. All grades will be represented in the paper and as many names as possible will be printed. Last year a great deal of comment arose because only a few people were mentioned in the columns.

Good newspaper technique will be strictly adhered to. It is the goal of every school newspaper to win a medalist rating at the Columbia Press Conference in New York City. The Milne School wants to be known as having a medalist paper and this year's staff will try to get it for you!

Social Calendar

For First Semester

Saturday, October 16—Junior School Reception
Tuesday, October 18—7th Grade Parents' Night
Saturday, October 24—Senior School Reception
Tuesday, October 27—Gymnastics Day—Bowl Societies Formal
Friday, November 5—Gymnastics Day—Bowl Societies Formal
Tuesday, November 24—Quin Plays
Tuesday, November 24—Quin Plays
Monday, November 30—Thanksgiving Vacation Ends
Friday, December 4—Basketball
Saturday, December 5—Milne Playday for Girls
Saturday, December 12—Basketball
Friday, December 18—Christmas Vacation
Saturday, December 26—Alumni Dance
Monday, January 4—Vacation Ends
Friday, January 8—Basketball
Friday, January 15—Basketball
Saturday, January 16—Basketball
Monday, January 18—Reagan Awards
Friday, January 22—Basketball
Saturday, January 3—Senior School Party
Monday, January 25—High School Exams
Saturday, January 30—Basketball
Monday, February 1—Second Semester

Milne students have returned to their old groove and school affairs are buzzing right along. Nobody, however, has forgotten his summer days. For instance, Ruth Ketler still fondly dreams of the "shopper" she caught on Lake Ontario. A 2½ lb. 17 inch long bass . . . good fishing. "Rei," . . . Alan Gould's summer adventure of flying Mount Prospect on Lake George. It's two miles high and it's quite a climb to hear an Alan talk . . . The camps were well populated with Milne members. A few "campers" in school were Bob Blum, Ruth Weil, Margie Bookstein and Barbara Schamberger. Post cards kept drifting into Albany from senior boys who seem to have gotten around on their week-ends. During the week they worked (?). Travelers by thumb were Dick Bates, Ted De Moss, Harvey Holmes, Billy, Soper and Nicky Mitchell. Sandy Bookstein went on a canoe trip. His big disappointment was that he missed Jinx Falkenberg. She took the same trip two days later.

Cliff McCulloch traveled all over the West during his vacation . . . Nevada, New Mexico, California, Mexico. . . . After hearing the tales he tells, all the fellows want to go West.

Nancy Eddison made a return visit to New Hampshire this week-end; must like the "scenery" up there. Last Friday night the same night Allen, Barbara, June Brookman, Harriet Hochstrasser, Doris Spector, Jean Figarsky, Betty Baskin, Jane Curtis, Eleanor Weinberg, Helen Huntington.

Here We Go Again!

Morale Booster

Guess what? The seventh grade has something here, in the person of one Jesse Barnet who is this year's class of '48 has given to Milne a poet. Here's a sample of Jesse's work:

DECEMBER 7th
By Jesse Barnet
December 7th was just a day of non importance we would say, Until it came in '41
And now is remembered by everyone.
This happened on a Sunday morning.
It happened without a single warning.
We heard the news as it came through.
Pearl Harbor bombed, what could we do?
Americans one, Americans all.
And so last the war it came,
And many heroes rose to fame.
And Milne students have returned to their old groove and school affairs are buzzing right along. Nobody, however, has forgotten his summer days. For instance, Ruth Ketler still fondly dreams of the "shopper" she caught on Lake Ontario. A 2½ lb. 17 inch long bass . . . good fishing. "Rei," . . . Alan Gould's summer adventure of flying Mount Prospect on Lake George. It's two miles high and it's quite a climb to hear an Alan talk . . . The camps were well populated with Milne members. A few "campers" in school were Bob Blum, Ruth Weil, Margie Bookstein and Barbara Schamberger. Post cards kept drifting into Albany from senior boys who seem to have gotten around on their week-ends. During the week they worked (?). Travelers by thumb were Dick Bates, Ted De Moss, Harvey Holmes, Billy, Soper and Nicky Mitchell. Sandy Bookstein went on a canoe trip. His big disappointment was that he missed Jinx Falkenberg. She took the same trip two days later.

Cliff McCulloch traveled all over the West during his vacation . . . Nevada, New Mexico, California, Mexico. . . . After hearing the tales he tells, all the fellows want to go West.

Nancy Eddison made a return visit to New Hampshire this week-end; must like the "scenery" up there. Last Friday night the same night Allen, Barbara, June Brookman, Harriet Hochstrasser, Doris Spector, Jean Figarsky, Betty Baskin, Jane Curtis, Eleanor Weinberg, Helen Huntington.

Here We Go Again!
In an interview Monday with Coach Harry J. Grogan, he expressed highest interest in the Milne basketball team this year. In Mr. Grogan’s words, “We have plenty of good material to work from and I think we will have a swell season.”

Intra-Mural Leagues

The coach also spoke of the general sports program, and gave his outline for two intra-mural leagues for both football and basketball. one will consist of 7th, 8th, and 9th grades, while the other will include the senior high grades. The program will also include wrestling, tumbling, and callisthenics. Mr. Grogan thinks that it is superior to Kinderhook’s which he coached last year. He also says we compete favorably with Tully High School, which he has formerly coached.

Schedule Tentative

The schedule is as yet quite tentative, but it is definite we will play Boys’ Academy, Bethlehem. Also included in the program will be Rutgers University. He is hoping to be able to schedule games with both Chris­ter Brothers Academy and Vincen­za St. John. He is also hoping to arrange games with both Chris­ter Brothers Academy and Vincen­za St. John.

Hopes to Please Faculty

Coach Grogan graduated from College of the City of New York in 1933, after working at Cornell University. He received his degree at Columbia University. He first taught in June, 1936, and has been at Milne ever since. He has received his MA degree. He has worked at Cornell University, the University of Washington, and the University of Michigan. He has been at Milne for the present.

Six Members

(Continued from Page 1, Col. 4 from the University of Washington. He received his degree at Columbia University. He first taught in June, Alaska and was Principal of Elementary Schools there. Then he taught in Seattle, Washington. Mr. Wilfred Allard, the French supervisor, has returned to Milne after working at Cranbrook, England, and Tully high schools. He is married and has a baby boy 9 months old. Perhaps in 1942 he will be joined by Mr. Grogan Jr., as captain of our team. Coach Grogan is interested in outdoor activities such as fishing, hunting, and camping.

When asked whether he thought Milne, he (of course) said he thought he was going to like it a great deal. So here’s luck to you Coach Gro­gan for your stay at Milne. We’ll make no bones about saying we expect great things.

Good Basketball Season Expected

Mr. Willfred Allard, the French supervisor, has returned to Milne after working at Cranbrook, England, and Tully high schools. He is married and has a baby boy 9 months old. Perhaps in 1942 he will be joined by Mr. Grogan Jr., as captain of our team. Coach Grogan is interested in outdoor activities such as fishing, hunting, and camping.

When asked whether he thought Milne, he (of course) said he thought he was going to like it a great deal. So here’s luck to you Coach Gro­gan for your stay at Milne. We’ll make no bones about saying we expect great things.

New Pals

One of the most exciting pictures to hit the country is the new film “Second Strings.” Starring Betty Grable and John Payne. They are ably sup­ported by Caesar Romaro, Carmen Miranda, Charlotte Greenwood, and Edward Everett Horton.

Harry James, his orchestra and Helen Forrest doing the vocals, John Payne and Betty Grable start things off on Broadway as a successful team in a musical show. Both of our young friends are very happy, but not for long. John goes around with too many other girls, and Betty leaves him for her former dancing partner, Caesar Romaro.

They travel to a very beautiful lake in Canada, called Lake Lettine. Here they become part of a resort show along with Harry James and Band.

Back in little old New York, Payne doesn’t do well at all. With­out Grable, producers say he is a flop. John, anxious to regain the lost Betty, travels to Lake Louise with Carmen Miranda, posing as his private secretary. Carmen treats John to a bit of her distinctive dancing.

Then Payne attempts to win back Betty Grable. This part is typical of most movie plots and so you can guess the end. It is good entertainment and should be enjoyed by all who like music and Betty Grable.

Mermaids Swim

For those mermaids of Milne, swimming and life saving classes will be taught by Miss Hitch­cock at the Y. M. C. A. again this year.

A new club will be introduced to the Milne girls this year. What is it? It hasn’t been officially named yet, but it is a Women’s Voluntary Service of the Red Cross. First Aid Course will be covered and then it will go into voluntary work. It is open to only juniors and seniors.

The seniors have three hours of exercise this week. This gives them plenty of time for practice, so they should come out with flying banners.

The Hockey Varsity is scheduled for practices on Fridays. Intra­mural games will be played off during the week at 3:30 p.m. A schedule will be posted of the games.

Girls To Study War Work

The Milne School girls are in­stituting a new club this year, designed to assist the war effort, under the sponsorship of Miss Conklin. It is open to girls in the junior and senior classes. It is called the “Women’s Service of the Naval Auxiliary Volunteer Cadets.” Club,” and will involve two or three hours weekly.

The club will meet every Wed­nesday at 3:30. The purpose will be to begin with a Red Cross first aid course. A course in Staff Assist­ance will be given. It will involve office work at the Red Cross Chap­ter house and also canteen work for those girls who wish to do defense work.

Margie Wright’s

The girls’ athletic program in Milne is like a large book. Let’s take Volume 1942-1943. Chances are the book was off the shelf, dust it, and see what it has to say.

To begin with it is difficult to get some of the equipment, such as hockey sticks and balls, on account of transportation. But we hope this will be solved in time. In the meantime we will be using other equipment which will be scarce, so let’s see if we can come up with a substitute and help preserve it.

On account of transportation, there will not be a horseback riding class this year. Everybody has to help out to preserve rubber, so this is one way in which the Milne girls can help.

Milne Receives Additional Mural

A new mural, by David C. Lithgow, was recently added to Milne's collection on the library walls. This is the tenth in a series depicting Albany's historical events.

Mr. Lithgow chose as his subject the arrival of the first Erie canal boat, "Seneca Chief," at Albany, in 1826. This was the first linking of the Hudson River with the Great Lakes and was a great step toward linking the east with the west. In order to bring the canal trade to its dock, Albany built a huge basin which could hold more than 1,000 canal boats. The mural shows DeWitt Clinton, Stephen Van Rensselaer and other canal pioneers aboard the gaily bedecked barge with the lock, which will receive a membership card followed certain rules. Every member will be elected a president, who will then elect a president, who will be elected from the student body. The president will be elected from the student body. The president will then elect the council to send their name, address, age, and a short description of their interests, hobbies, etc., to:

"MEET PEOPLE" P. O. BOX 174, TORONTO, CANADA.

(Making a single list of all the interested students will eliminate the bother of individual mailing.)

All names must reach "MEET PEOPLE" by October 31st, 1942, in order to appear in the directory.

Yours very truly,

"MEET PEOPLE"

Robert Endleman, President.

NOTE: This directory is a "MEET PEOPLE" service offered only to secondary schools, and no fee is charged to have students' names listed in it.

First To Pay Student Tax

The early bird gets the worm! The early student tax payer wins recognition! Frank Coburn was the first student to pay his six dollars, and Mr. Edward L. Cooper says that he wishes many more would follow this example.

Among payees with significantly numbered tickets are: Inez War¬shau, No. 5; Pat Peterson, No. 10; George Ferris, No. 15; Harrison Underwood, No. 25; Robert Goewy, No. 50; Marilyn Arnold, No. 75; and Lawrence Hicks, No. 100.

Open Letter

To the principal and To the students,

"MEET PEOPLE" is now preparing its 1943 STUDENTS' DIRECTORY, which is to include the names of hundreds of students all over the United States, Canada, and the rest of English-speaking America, as well as a number of students already contacted in other countries. This directory will be distributed throughout the free English-speaking world, to give students a chance to correspond with others in other countries. All students who wish to be listed in this directory are asked to send their name, address, age, and a short description of their interests, hobbies, etc., to:

"MEET PEOPLE" P. O. BOX 174, TO¬RONTO, CANADA.

(Making a single list of all the interested students will eliminate the bother of individual mailing.)

All names must reach "MEET PEOPLE" by October 31st, 1942, in order to appear in the directory.

Yours very truly,

"MEET PEOPLE"

Robert Endleman, President.

NOTE: This directory is a "MEET PEOPLE" service offered only to secondary schools, and no fee is charged to have students' names listed in it.

Berlin Correspondent

To Address Students

In an effort to bring the students of Milne to a better understanding of the world, Mr. Pierre J. Huss, a student in the past two years, for his visit to Milne.

Last Monday, September 28, the late his experiences in Europe, and it will soon be listed among the best sellers.

Mr. Huss has recently written a book entitled "The Foe We Face," and it will soon be listed among the best sellers.

The early bird gets the worm! The early student tax payer wins recognition! Frank Coburn was the first student to pay his six dollars, and Mr. Edward L. Cooper says that he wishes many more would follow this example.

Among payees with significantly numbered tickets are: Inez War¬shau, No. 5; Pat Peterson, No. 10; George Ferris, No. 15; Harrison Underwood, No. 25; Robert Goewy, No. 50; Marilyn Arnold, No. 75; and Lawrence Hicks, No. 100.

Seniors Elect Cross As Class President

George Edick, president of the class of '43 for the past two years, yielded his gavel to Charles Crow, who was elected president at a meeting last Monday, September 28th.

Other candidates who ran for class president were Harvey Holmes, Ted DeMoss, Bill Soper, and Ylma Tubbs.

The rest of the senior officers are as follows: Harvey Holmes, vice-president, Dorothy Ritter, secretary, and Ben Van Acker, treasurer.

The seniors discussed the possibil­ity of continuing plans for a senior room. Mr. Cross appointed the following committee to investigate the problem: Melba Levine, Shirley Atkin, and Ted DeMoss.

Buy War Bonds Get in the Scrap; Let's Wipe the Axis Off the Map.

Hannay Leaves Milne; Joins State Staff

Miss Naomi Hannay, Milne's as­sistant librarian, left to take a posi­tion as librarian at State College on the first of October.

She will do only library work at the college which she feels will be more interesting than the study hall supervision she has been doing here at Milne.

A graduate of Milne and of State College, class of 1937, she is continuing her 14th year of service about these buildings. Miss Han­nay said, "Even while at State, I have always had a deep feeling for Milne and its students, being a graduate myself, and having two sisters graduates.

Miss Hannay is taking the place of Mrs. George L. LeMay, who is moving to Long Island. Miss Han­nay's position will be filled by a new faculty member as assistant librarian to Miss Mabel Jackman.

In departing Miss Hannay states, "Although my interest has not been far away I will be glad to help out the Milne students in any way."

School Loses 7 Faculty Members

Boycheff Now Staff Sergeant; Eaton Volunteers Services

Seven members have relinquished their positions on the Milne faculty and have assumed various duties all over the country.

Sgt. Kooman Boycheff, former instructor in physical education, resigned during the spring of 1942. He enlisted in the Army Air Corps and is now a staff sergeant in the Department of Physical Training at the classification center, Nashville, Tennessee.
