Hi-Y to Present Yearly Carnival

Approximately one hundred Milne boys will participate in the annual Hi-Y Carnival on Saturday, March 27, in the Page Hall gym from 7:30 to 11:30 p.m.

The general committee for the affair is as follows: Ted DeMoss, '43, president of the organization; Alvin Bingham, '46, vice president; Ben Flan- phoi, '47, and Coach Harry J. Grogan.

The proceeds from the carnival are used by Hi-Y for some gift which is annually presented to the school. Tickets are on sale at 50 cents per ticket, and may be obtained from any member of Hi-Y. All who attend the entertainment, including those who will participate in the program, must pay the admission fee.

The program will include a grand march, calisthenics, apparatus work, and boxing and wrestling matches. The high point of the evening will be the annual rivalry basketball game between Theta Nu and Adelphi. This will take place at about 9:00 p.m. Following the game, there will be dancing until 11:15 p.m. to the nickelodeon.

The members of Hi-Y are also planning another money-raising affair. This will be a sport dance, which will take place on Friday, April 16, in the State College Lounge from 9:00 to 12:00 p.m.

The band has not yet been selected. Tickets are 50 cents per couple.

The general committee is: Raymond Heidenreich, '47, Dick Grace, '46, Raymond Langwig, '43, Dave Goddington, '45, and Bob DeMoss, '45.

Junior School Students To Dance In Lounge

The Junior School Council has completed all plans for the party, which will take place in the Junior School College Lounge tonight from 7:00 to 10:00. There will be no decorations on the walls and all material is essential to the war effort.

Dick Grace, '46, has been appointed by Peter Hunting, '46, president of the Junior Student Council, to buy some new records.

The chaperones for the affair are Miss Eve Walls, supervisor of Latin; Miss Frances Slater, supervisor in social studies; and Dr. Floyd Hendrickson, director of audio-visual aids.

C & W Wins First Place Honor

The C & W team and the Crimson and White have won first place in their divisions in the annual high school competition conducted by the Columbia Scholastic Press Association. This event marks the first time in four years that this goal has been obtained. The first occasion was in 1938, when the C & W team and the Crimson and White, then a mimeographed publication, were the editors under the supervision of Miss Betty Baden, '39, won the distinction of being first in its class for the first time in the history of the school.

Wheeling Compliments Staff

In winning the prize this year, the Crimson and White not only won a first class spot for the second time, but also won a first class spot for the second time in its class for the first time in the history of the school.

Homeroom 333 High In War Savings Sales

Homeroom 333, with Bob Warsh, '47, the leader, is leading in the purchase of bonds and stamps for the second semester.

Under the new system, Cornwall Heidenreich, '44, and Betty Baskin, '44, are co-chairmen of sales. Monday and Friday, from 8:30 to 9:30, Miss Baskin is at the Milne Bank, while on Tuesday and Thursday, Heidenreich records the sales. On Wednesday they alternate for this duty.

"The students are lacking interest in the bond drive. Sales have decreased, and except for one or two homerooms, Milne would receive only a few dollars a week," said Miss Baskin.

Jewelry Will Be Offered

Miss Katherine E. Wheeling, supervising editor in English, will teach a class in journalism next year. The class will be open only to junior and senior students. Miss Wheeling has taught journalism in Milne before, but it was discontinued for some time.

The students will get school credit for the course. They will also devote some of their efforts to the Crimson and White.

Milne Seniors to Oppose State Cagers In War Benefit

The senior boys of Milne will oppose those hard-fighting senior teachers from State College in a basketball game in the Page Hall gymnasium at 3:30 this afternoon. The game is being played under the auspices of the Milne Junior Prom Committee. The winning team will go to that organization, of which Arnold Baskin is president.

Gerber Leads Collegians

The team from State, under the leadership of Moose Gerber, is composed of the following "athletes": Art Flax; Harry Bora; Edward Reid; Howard Lynch, and Gerber, of the Varsity. Other State seniors playing are: Harry Dingman, Leo Hoax; Harry Kensky; Hal Singer; Bob Wesselenick, and Owen Bombard.

The boys from Milne are all members of the class of '43. Led by Alf Laverne Hastings, '43, the Milne team consists of George Edick, Harry Culp, Morty Swartz, Ted DeMoss, Hank Holmes, Bill Soper, Nick Mitchell, and Jack Casner, all Varsity men. Other Crimson and White players are Royalb Heid, Dick Bates, and Chuck Cross.

Frank Hansen to Referee

The game will be refereed by an impartial State student, Frank Hansen, '44, who is refereeing for the first time in his career.

Milne Sponsors Game Unaided

Last year, the Milne-State senior game was played as a preliminary to the Myskania-faculty game, in which Mr. Paul Bulger, assistant principal, and Dr. William Hartley, former director of audio-visual aids, participated. The faculty beat Myskania, as did the State practice team. It was the first time Milne got one-quarter of the profits. Today, Milne is sponsoring the affair alone, and will reap the entire profits for its organization.

Each student is assessed for the game. The tickets are $2.30. They are also on sale in the Co-op for all State College students who are interested in attending the game.
You Must Be There!

This afternoon the senior boys from Milne and State are playing a benefit basketball game for the Red Cross. Every student in Milne is requested to attend. This year, the Red Cross has been doing a splendid job. They could have very well asked each student to contribute a certain amount of money and let it go at that, but instead they have planned an entertainment for you, so that you just won’t have to give, and not get any immediate thing in return.

In these times more than ever, the Red Cross needs your support. Practically every one of you has either a brother, parent, relative, or friend in the fighting forces. Every one of you is affected by this war, and every one of you needs your support. Practically every one of the annex, bowling a game, or seeing a movie, just deprive yourself of one little luxury that you are accustomed to and give to the Red Cross.

After school, the Red Cross benefit basketball game is being played and every one of you absolutely has to be there. It’s your game and your way of living.

April first is the beginning of our spring vacation. It’s a very pleasant change after what has been a very long time. We have all had enough credits to graduate in January, but will remain at Milne and will be graduate with his class in June.

Planned for RPI

Hal planned to enter RPI next year but now wants to join the V-5 or V-12 Naval Reserve program.

He is interested in both radio work and electricity, likes comic and musical movies and the color red. He likes summer camps. Last year Hal had a swell time at Camp Dudley, where he became a senior lifesaver, was a life guard, and did kitchen work. “More fun,” says he. His dislikes are: complaints, history, and sea food.

Hal is not particular on specifications for his lady friends. However, they must be small, neat, and with personality plus.
Milne Defeats St. John's of Albany In Final Thriller

Red Raiders Win Tilt By One Point, 36-35

Last Saturday night the Milne Red Raiders defeated the St. John's of Albany basketball five to the score of 36-35, a game was fast and furious, and the action took place on the Page Hall court.

This was the last game of the season on the Milne calendar, and many thought it was the best.

The Milne team had a small lead all during the game except in the last quarter, when St. John's team gained a one point lead.

The Milne Hoopers led at the end of the first half, 19 to 14, fighting hard to keep the gain.

C&W Holds Lead

In the second half the Crimson and White kept their lead until the last minutes of play, when the St. John's team came closer, but were stopped by one point. The crowd went wild when Milne scored and took the one point lead. The Red Raiders kept the ball in the buzzer range, signaling the end of the game.

When the smoke cleared, the score was 36-35, Milne out in front.

The margin between victory and defeat was very thin, but Milne managed to keep on the right side of the line.

DeMoss high-scored for the Milne Basketeers with 12 points.

Hal Game, the captain of the Milne quintet, was carried out on the shoulders of his fellow teammates at the end of the game.

Grogan Missing

Coach Grogan was not present because of an illness. Pinch-hitting for him was Mr. Paul Bulger, who coached a fine game.

The Milne J.V. also played, taking over the St. John's J.V. to the tune of 24-20.

Meulick high-scored for the Milne Junior Varsity with an outstanding 24 points. Piller high-scored for the St. John's J.V.

The eight grade won over the seventh grade in a preliminary contest.

The Milne school had a fairly successful basketball season this year, and is now looking eagerly forward to baseball, which is not so far away.

All the boys on the team gave the school their utmost by playing their utmost, and the student body, too, contributed by attending the games faithfully.

Cagers End Season With 10-8 Record

The Red Raiders finished the current basketball season with a two- win weekend to give them 10 wins and 8 losses for the season. It is the same number of wins as last year and two additional losses, the team having played two more games.

The Milnites faced much tougher opposition this year and this is perhaps the reason why their record was not so impressive. However, they did try to win in sensational fashion against the St. John's of Albany in the season's finale and a one-point win over Delmar early in the season. Instead of playing opposition as easy as Heatly, Cobleskill, and other country teams, Milne took on many area teams, including Water- ilet, which produced an outstanding ball club. The Red Raiders also played a very good C.B.A. outfit.

Two accomplishments of the season could be defeating Bob Buck-ner's Rensselaer team for the first time in many a moon and beating Delmar by more than 10 points. Milne managed to break this close rivalry after three years of one-point win or lose games. They played one overtime tilt and lost it. It was a loss to Schuyler, 45-49. Milne led the whole game right up to the very last minute when the Falcons tied it up. Milne could not break the overtime "jinx" and so Delmar beat the Falcons again. Milne won, it would probably be the prize upset of the entire season. The Junior Varsity record turned out exactly the same as the Varsity 10 wins and 8 losses. They played fine game and lost some heart-breaking contests. Most of these boys will be playing Varsity or J.V. ball next year.

Milne loses some fine players including Hal Game, captain and All-Albany forward.

Milne Girls Lose In Academy Tilts

The Milne senior and junior girls' basketball teams journeyed to the Albany Girls' Academy on Monday, March 15, where they were beaten soundly by the scores of 36-25 and 44-12, respectively.

The senior team consisting of Harriet Hochstrasser, captain; Marie Wright, June Brookman, Doris Specter, Mimi Steinhardt, Ruth Ketler, Melba Levine, and Ruth Taylor, played a hard-fought contest but were outplayed throughout the first half when the score was 24-8. In the second half, the Milne girls picked up five points but not enough to win.

The story was the same with the junior girls, who were beaten by twelve points. The feature of the contest was the changing of Pete Peterson, regularly a guard, to forward. Pete helped the junior score by sinking plenty of shots.

Junior girls, who attended were: Jean Pigarsky, captain; Pete Peterson, Jean Dorsey, Wilma French, Betty Baskin, Inez Warner, Geraldine Wright, June Brookman, Doris Specter, Mimi Steinhardt, Ruth Ketler, and Ruth Taylor. The junior girls scored 19-14 at the half.

The senior team comprised of Marjorie Spector, Jean Dorsey, Wilma French, Betty Baskin, Inez Warner, Geraldine Wright, June Brookman, Doris Specter, Mimi Steinhardt, Ruth Ketler, and Ruth Taylor, the Milne girls and girls from the Ken-wood Academy. This event will take place on some Saturday morn- ing in the near future.

Milne Downs St. John's Of Rensselaer by 53-38

Milne drubbed St. John's of Rensselaer for the second time this season by the score of 53-38. The game took place last Friday night on the opponent's court. This was not such a bad beating as Milne gave St. J.'s the first time this year, when Milne won by 49-26. Game paced the Milne team with 15 points. DeMoss was right behind him with 14 points.

Detwiller was high for the losers, with 6. 
Fedele was high for Rensselaer, with 21 tallies. The Red Raiders could have gone into the lead any time. The final score of 53-38 was built up by the splendid teamwork of Game, DeMoss and Edick, ably supported by the rest of the boys on the Varsity.

DeMoss Scores

DeMoss made three field goals before St. John's scored. The first quarter ended 9-5 in our favor.

DeMoss repeated his performance of the first quarter by scoring 3 points in the second. Delmar retaliated with 2 field goals. Captain Game sped the ball through the opposition and scored. George Edick made a foul shot, a field goal, and another foul point in quick succession, while Culp sank two baskets. The Central cagers weren't on a vacation either. They rang up another field goal and 3 more foul baskets, to make the score 19-14 at the half.

During the 3rd quarter, each team scored only 3 points. Both teams were active but a stricter defense was employed by each quintet.

In the final quarter Hal Game was "on the beam," scoring 5 points. Stogie DeMoss recorded 2 field goals, while Delmar improved its score by 5 points. The contest ended with Milne winning, 31-22.

CBA Downs Milne

The Milne basketball team dropped its eighth game of the season to C.B.A. on the 6th of March on the Page Hall court. The final score was 42-28. The J.V. also lost to the C.B.A. Juniors, 31-25.

The Milne Varsity held their own with the Academy Heights boys in the first quarter. The score at the end of the initial period was 7 all.

Edick was the only Milne man to score in the second period. The opposition surged ahead with 15 points.

In the last half Milne scored 19 points to C.B.A.'s 18. Game was high scorer for Milne with 10 points.

Because of Coach Grogan's illness, Mr. Paul Bulger, assistant principal, coached the Milne quintet.

J. Vs. Beat Bethlehem By Score of 43-26

Milne added three more victories to its record Friday, March 5, by taking B.C.H.S. three games straight on the Page Hall court. The Frosh team swept before Delmar's 18 tallies. Knox and Christie paced the Milne 9th Graders with 12 and 9 points, respectively. Young was high for Bethlehem with 6.

In the J.V. game the Bethlehem boys took the count to the tune of the opposition and scored. George Edick was the only leader and was never threatened by the B.C.H.S. team. Baker was high for Milne with 12 tallies. Detwiller and Meulick scored 10 each. Leonard led the losers with 9 points.

CBA vs. Milne Game

The Varsity game was hotly contested, and although the Red Raiders were always ahead, Delmar could not lead anywhere. The final score of 23-12 was built up by the splendid teamwork of Game, DeMoss and Edick, ably supported by the rest of the boys on the Varsity.

DeMoss Scores

DeMoss made three field goals before St. John's scored. The first quarter ended 9-5 in our favor.

DeMoss repeated his performance of the first quarter by scoring 3 points in the second. Delmar retaliated with 2 field goals. Captain Game sped the ball through the opposition and scored. Card Party Nets $132 for Mural

Milne topped a goal of $100 for the annual mural fund in the all-school card party, with a net total of $132.15 on Friday, March 5, in the library. Ruth Taylor and June Bailey were co-chairmen of the event.

Mrs. Anna K. Barss, faculty advisor of home economics, enthusiastically stated, "This year's proceeds surpass last year's by over $20." However, too much of the work was done by too few. Laurels go to those few that worked very hard to make it the success it was.

There were many who might have helped but did not. Next year let's see everyone do something.

The food sale grossed $31.85 with $10.85 in cash donations. Popcorn was sold because of the shortage of candy. One hundred and ninety nine tickets were sold for a total of 33 tables. Winners received war stamps as prizes. Refreshments of tea, sandwiches and cookies, generously donated by Milne mothers, were served by students.

Senior Students View Milne Talent

The Milne school has again come through! We have now found our students with hidden talent. It is quite obvious to the senior high where it is too.

It all started at the assembly Tuesday, March 16, when a talent show, in which the students participated, was presented to the senior school.

Russ Langwig, the master of ceremonies, opened the program with a sharp joke and then introduced the Milnettes, composed of F. Shain, '44, A. Robinson, '45, N. Johnson, '45, E. McFee, '45, S. Mekel, '45, L. Meehan, '45, B. Schrammberger, '45. They sang two selections. Following these singers, Milne's two outstanding soloists, Felita Shain, '44, and George Edieke, '43, sang a duet. The song was "My Hero" from the Chocolate Soldier. Felita sang an encore of "Wanin You," while George sang "Old Man River" and "Mary." At that time, a new talent was discovered. George can tap dance!

Ruth Welsh did a ballet dance and Ruth Levine did a song and tap dances to "Tongue Doodle Dandy." Both dancers are an asset to the school.

Allen Reagan, Milne's own master magician, fascinated and bewildered the students with his tricks. Dr. Robert W. Frederick, principal, commenting on the program, said, "It was a splendid program and I think we shall make another. You may not know it, but your supervisors are talented too."

Let's have another talent assembly, and this time we will let the faculty entertain!

Ruth Taylor and June Bailey, co-chairmen of the card party, play a rubber of bridge with Mrs. T. Harvey Holmes, of Albany.

Eighth Graders Buy Books for Library

This year the eighth grade had enough money to purchase a number of books through the English department. Most of the books have arrived and are in the library. Miss Jackson, librarian, has reviewed the books for the English classes of the eighth grade.

The list of books just released is as follows: Carol Plays Summer, Stock, by Boylston; Whistle Round the Bend by E. H. Stebbins; The Green Cockade by Allen; Sky freighter, by Brier; Ghost Town Adventure by Montgomery; Touchdown, by Royall; None but the Brave, by Van der Marshall; The Murder of Roger Ackroyd, by Christie; Dixie Deceiver, by Justus; The Eagles Roost, by Kenney; Vagabond in Velvet, by Newcomb; Decatur of the Old Northwest by Nicolay; Soldiers at Bat, by Scholl.

Boy on Horseback, by Steffens; All Americans, by Tunis; Canyon of No Sunset, by Turgenko; Left Out, by Mallette; Dream of Glory, by Lambert; Tree Toad, by Davis; Johnny Mouse of Corregidor, by Johnson; Ginger Lee, by Warr, Narae; by Deming; War Horse, by melan; Tom Whipple, by Edmonds; The Black Stallion, by Farley; Navy Diner, by Reisen; Flying Death, by Gill; The Shadow Bird Mystery, by Wadsworth.

Fathers and Sons to Dine

Milne will hold its annual Fathers' and Sons' Banquet on Friday, March 19, at 6:30 in Trinity Methodist Church.

Members of the committee are as follows: Clifford J. Beckman, President '44; Lawrence H. Clarke, and Larry, '46; L. V. Detwiler, and James, '45; Louis Goldberg, and David badly scarred upright in Pete, '46; William Kelley, and Bill, '45; Warren Knox, and John, '46; Henry L. Oppenheim, Henry, '44, and Paul, '47.

Band Briefs

We'd like to devote the majority of this week's column to one of the guiding spirits of modern jazz. It is our contention that when music can emotionally stimulate the listener; it is real music as it should be played, and no person, however staid and unemotional he may think he is, can listen long to the playing of Pete Johnson without undergoing a feeling of mental intoxication.

Pete, in company with Meade Lux Lewis and Albert Ammons, comprises the famed Boogie Woogie Trio, which was formed in no less than New York's Carnegie Hall, two nights before Christmas of 1928. Appearing on the same program were such colorless greats as Count Basie, Sister Rosetta Tharpe, Joe Turner, and Sidney Bechet, but the Trin was the hit of the evening, and eight-to-the-bar music finally came into its own, achieving nationwide acclaim inside of a few short months. The Trio's most memorable number was the "Boogie Woogie Prayer," since recorded by Columbia.

Pete has always been one of the leading exponents of this style, from the time some years back when he beat out the stuff nightly on a badly scarred upright in Pete, '46; William Kelley, and Bill, '45; Warren Knox, and John, '46; Henry L. Oppenheim, Henry, '44, and Paul, '47.
