Gotier to Lead War Bond Sales

Pat Gotier, senior, succeeds Betty Baskin as chairman of the War Bonds and Stamps Committee at the start of the second school semester and the beginning of the Fourth War Loan drive. Pat has sold stamps and bonds each Tuesday from 8:25 to 9:05 and will now have charge of the whole committee. At present, workers are needed at the booth each morning from 8:25 to 9:05 and all volunteers are welcome.

Baskin Retires

Betty stated, "I'm sure that Pat will do a marvelous job and will do it efficiently. We all should give her the utmost cooperation and consideration in filling our quota in the Fourth War Loan. We have a job to do and we must do our best. I'm sorry that I have to resign, but it is necessary because of an exceptionally heavy schedule. I want to thank everyone who has helped me, especially Dr. Cooper."

Fourth War Loan

Said Pat, "With the Fourth War Loan ahead of us, we must make an extra effort to exceed our goal. I only hope I can do as well as Betty has in helping us exceed our quota in the Fourth War Loan."

The Albany Student War Council will set a new quota for each school since the last one was surpassed by the scheduled date, December 7.

Name Class Night, Play, Senior Ball Committees

At a meeting of the senior class conducted in the senior room on January 10, the following groups organized the various activities for the senior class. These are just temporary committees and will be enlarged later on.

Camps and Tours—Chuck Hopkins, Betty Gallup, Bill Baker, Luba Goldberg, Jim Myers.

Announcements—Jean Figursky, Alvin Bingham, Mona Delchant, Paul Dillierhurst, Cornwell Heinrich, Helen Huntington, '45.

Senior Ball—Tom Dyer, Janice O'Connell, Arno1l Baskin, Sue Hoyt, Joyce Stanton.

Class Night—Dutch Ball, Ruth Short, Chuck Hopkins, Jean Dorney.

Graduation Speakers—Joyce Knapp, Al Bingham.

Senior Play—Elwin Yaguda, Inez Warsaw, Anna Jane Roecksteyre, Ruth Short.

Nothing definite has yet been done on the senior play and there may not be one as last year's class started on it before Christmas vacation.

Mont Pleasant Tops All-Stars in Polio Tilt

Unable to stop the sharp-shooting Mont Pleasant team, the Albany All-Stars went down to defeat in the second polio benefit game by a score of 41-37. The game was played Wednesday night on the CBA court.

The All-Stars starting line-up consisted of Germain of CBA at center, Hastings of Albany High and Henk of Van Rensselaer as forwards and Lewis of CBA and Brand of St. John's of Albany at the guard positions.

Lead Momentarily

The All-Stars jumped off to a momentary lead of 2-1 but the Red Raiders of Schenectady quickly overcame this lead and were never again challenged. At half-time the score stood at 21-13. The closest All-Stars ever got to the Pleasant team was toward the end of the fourth stanza as they trailed by only two points.

High scorer for Albany's All-Stars was Laverne Hastings with 13 points. This was his last game because Laverne leaves for the Marines today. Wallman of Pleasant led the electric city team with 14 markers and Mac Supurnowicz was close behind with 12 points.

Brand Stands Out

Standout player of the evening, though, for the All-Stars was Jack Brand. His brilliant defensive playing especially under the basket stopped Pleas­tant time and again from scoring. Ed Henk from the east side also played a fine game. It seemed that the All-Stars of Class B of league, really stood out.

Mel Heun's Union College Indians won the preliminary game over Kelley's Watervliet Arsenal team by the score of 37-26.

Eight Seniors to Graduate As First Semester Ends

Requests Volunteers for Local War Project

An urgent plea for volunteers has been issued by the various agencies of Albany. High school boys and girls of sixteen and over are needed to take over the work which has been left by workers who have been drafted by the armed forces. The Council of Social Agencies and the War Council are having a preliminary meeting Monday, January 31 at 8:00 P.M. at the YWCA to interest students in the training of crafts.

The courses are Amateur Photography, Recreation Crafts, Story Telling, Weaving, Games, Group Singing, Planning Group Refreshments, Instruction for Group Leadership, Hike Leadership, and Folk Dancing. A boy or girl may choose to work in any of the following places: Albany Boys' Club, Albany Inter-Racial Council, Boy Scouts, Catholic Youth Organization, Girl Scouts, Jewish Community Center, St. Elizabeth Guild and Settlement, Trinity Institute, Y.M.C.A., or other neighborhood groups.

This meeting is an introductory meeting and then after the boys and girls sign up there are four work-shop sessions. The sessions are on February 7, 14, 21, and 28. There is no fee for taking these courses and a large number is asked to come to the meeting on January 31.

FIVE OF THE GRADUATING STUDENTS caught in a busy moment are Al Kelly, Arnold Baskin, Kitten Wheeler, Len Jones and Arden Flint.

Two to Enter Union in March

Student Council Head, Yearbook Editor to Go

Milne's third war-time graduation finds eight students leaving the school for other work. This is the second time that a number of the senior class have left after only one semester of the senior year.

Assembly February 7

An informal ceremony for these students will be held in an assembly on Monday, February 7 at 2:30.

Those students who will leave are: Alfred Kelly who will probably enter the armed forces very shortly, Bob Bauer who also plans to enter the armed forces upon graduation. The president of the Student Council, Len Jones, will leave either to enter Rutgers or the navy.

Arnold Baskin will enter Union in March to take up pre-medical work. He is the editor of the Milne yearbook, Bricks and Ivy.

Also planning to enter Union in the spring is Arden Flint. He too will take up pre-medical work.

Class at Pratt

Willard Clerk has already left. He is now studying at the Pratt Institute in Brooklyn. There he is taking up art work.

Claude Wagner plans to attend Pratt this summer.

This is the first time that a girl, Katharine Wheeler, has graduated from Milne in January. Last year a number of boys left in January.

In order to pass English IV, these students meet in a special class so that they could take the regents in January. Miss Katherine E. Wheeler, Assistant Supervisor in English, taught this class.

Office Requests Names of Entering Students

Miss Marion Clancy, secretary to Dr. Robert Frederick, principal, requests that all Milnites who have brothers or sisters who plan to enter the seventh grade next fall fill and have not yet filed applications, do so immediately.

The entrance list for next year's seventh grade is almost completed and this should be taken care of immediately.
milne merry-go-round

The CBA dance is a thing of the past, but wasn't to be forgotten ... as for last week's game, we won't ever mention it.

At the war council dance were Janet Wiley, Fred Guile and Jean Dorsey and Dick Bates ... This weekend was a busy one ... At the Albany Country Club dance (no skating) were Florence Flint, Burt Brown, Kitten Wheeler, Jeanne Herren and Dick Herrick ...

The Port Orange Club dance was a big success ... A lot of senior Milnies were there including Caryl Jacobs, Judy Weinberg, Audry Blume, Ruth Weil, Marjorie Bookstein and Norma Singer ...

The Senior High dance turned into a success despite the two card games ... A few couples there were: Sue Hoyt, Tom Dyer; Nancy Abernathy, Fred Silverstein were at the dance ... Johnny is at Pensicola, Florida and Harry is an AviationCadet at Rochester ...

Corey Heidenreich worked at the Aurania Club Saturday night ...

Seen at the Circle after the Milne dance were Jean Dorsey and Len Jones and George Myers and Ann Robinson ...

Did you see the senior boys Monday? White shirts, suits and ties are a rarity in Milne ... The occasion was an appointment with Gustave Lory for yearbook pictures ...

The murals are at last in the library ... Where is the clock going to be now? ... Sandy Bookstein and Corey Heidenreich both celebrated the beginning of the holidays Saturday and Tuesday respectively ...

We are all happy about Mr. Allard’s new job except the French I class and Bert Friedman ... Reason—no more “La Table Francaise.”

Betty Baskin (the other half of the Baskin Twins) was born 17 years ago on January 15. An exact opposite of her brother. Arnold, she is dark, exuberant, vivacious.

BOND CHAIRMAN

This year she was chairman of the War Bonds and Stamps Committee, and is now captain of the Horseback Riding Club, author of “Betty Blab” in her capacity as Sports Editor on the CRIMSON AND WHITE, treasurer of the French Club, and a member of the Bricks and Ivy staff.

Last summer when she went to camp (at Crystal Lake) she had and I quote “quite a time.” She DIDNT get sunburned either. Sightseeing on Cape Cod occupied a good deal of her time. And, to quote again “the fish and fisherman were swell (but I don’t like fish very well).”

WORKS DURING SUMMER

Last summer (she did a lot of things then, didn’t she?) Betty was at Cooper Union in New York...

In October she went to New York and had “quite a time there, too.” In Milne since the seventh grade Betty’s friendly manner and “cheery attitude” has helped her “Win Friends and Influence People.”

Now for her likes and dislikes: First, among the former, is her brother, Arnold, and equally important is a certain soldier in the Air Corps (brother Gordon). Then in rapid order are hot chocolate fudge marshmallow sundaes with cherries and nuts, cream cheese and jelly sandwiches, French, sleep, ALL the supervisors (take note), sheared Beaver coats, and dressing. Her one dislike is Jerks with a capital J; that is, all but herself.

GOING TO COLLEGE

In the fall “Bask” plans to go to either Cornell or Pembroke providing she passes French and Chemistry.

Incidentally, her ideal MAN is not too tall, not too thin, with nice eyes and a wonderful disposition. (Let us know when you find one with the nice eyes and wonderful disposition, won’t you Betty?)
East Siders Swamp Milne, 64-23; Sixth Milne Loss

Red Raiders Fail To Stop Attack

J V Wins, 44-25

On Friday, January 21, Milne's own Red Raiders went down to defeat by a strong Van Rensselaer quintet. After losing four games in a row, the team did not snap out of their losing streak. Milne now has a record of winning one and losing six. This is the fifth game in a row that the Milne team has lost.

On the other hand, the JV has a more impressive record of winning six and losing just one. They display team work on the floor.

Milne Drops Behind

Van Rensselaer started out fairly slow behind, but Milne could not keep up the pace and at the end of the first quarter, Rensselaer led by a score of 12-3. Milne, playing event sloppy ball, dropped still further behind and trailed at the end of the half by 16 points. During this half the Red Raiders scored but 7 points.

Trail 42-12

For a few minutes after the intermission, Milne looked inspired. Then the East Siders put on the pressure and pulled even further ahead to lead at the third quarter mark by 42-15. During the final period, Milne's team work, feeble as it had been, vanished completely. The final score, 44-23, was the worst shellacking the Milne team has had in quite a few years.

J V Wins Sixth

Milne's JV, sparkplugged by the playing of De Moss and Christie who garnered 16 and 15 respectively, recovered a first period deficit of 8-4 and went on to annex their sixth victory over Van Rensselaer's JV. The final score was 44-25.

Saturday, February 5
Basketball—Schuyler — Page Hall Gym.

To Play Pleasant Home Tomorrow

Laverne Hastings, Albany High School's star athlete, climbed into first place in the Class A Albany league individual scoring race over the weekend as he tallied 20 points against Cathedral Academy. This score ran his total for the season up to 68. This is his score for league games only.

Busch Second

Joe Busch of Vincentian Institute former scoring leader, takes over second place with 57 points. Milne's tall center, Bill Baker, ranks among the leaders with a total of 54 points for league games. In fourth place, with a total of 41 points, is Chuck Cleaveland of Albany Academy. Leo Aronowitz of Milne and Johnny Griggs of Cathedral are tied for fifth place with 42 points each.

Spring in the Air

Spring is in the air and the local schools have been invited to Lansingburg on February 29, to play basketball with their varsity. Girls' Academy has an excellent team. They very seldom lose a game but Milne has hopes of winning. If "Pete" Petersen plays forward for Milne, there is a good chance of being the winner.

Over twenty schools have been invited to Lansingburg. It's not known whether the schools will play against each other or combine their teams and play together. The Milne team has not been organized as yet. Some of the schools participating are Girls' Academy, St. Agnes, Kenwood, Columbia, Nott Terrace.

Refereeing Course

There is a basketball refereeing course on Wednesday at 4:00 for those interested in it. Jean Dorsey, '45, and Mary Kelby, '44, have been the high school referees and are willing to train others.

Forward Fresh

The freshmen have a pretty good basketball team this year. A lot of their good basket shooting is just luck, but a lot is on purpose. Little Florence Flint and Margie Bookstein are pretty good players. The whole team is good. They beat the great sophomores, didn't they? Something new has been added to the physical education classes. Ruth Short, '44, and Betty Stone, '45, showed up for class, and in their gym suits too! Joyce Stanton, '44, turned out to be a good forward. She shoots just like Bill Baker (one handed), and is almost as good.

There was horseback riding again last Saturday.

Red Raiders Lose Fifth to Falcons By 38-29 Score

Unable to keep up with Philip Schuyler's fourth quarter scoring spree, Milne lost their first independent game of the season and their fifth of the year. The final score of the game stood at 38-29. The game was played on the Hackett Junior High School court Saturday night, January 15.

The Falcons jumped off to a quick lead and, at the quartet, led by a score of 9-4. Milne almost caught up in the second quarter with Baker tapping them in from under the basket and Aronowitz tossing them in with one hundred shots from the quarter mark. The score at halftime stood 19-18 with Schuyler aboard.

Falcons Take Lead

The third stanza was fought evenly, Milne managing to tie the score as the period ended with the teams deadlocked at 24 all. In the fourth period the Falcons grabbed a good lead and quickly reduced their remaining. The Red Raiders could do nothing to overcome their opponents with so little time and so went down to defeat.

Lee Aronowitz was high for Milne with 13 points, Baker was close but not seriously hurt, however.

Milne Jayvce Wins 40-11

The Jayvee game was a different story, though. The Milne youngsters displayed fine teamwork and won by the impressive score of 40 to 11. When the teams lined up, it looked nothing like this as Schuyler had a tall heavy club. However, they proved no match for the good shooting and teamwork of the Milne JV. At half-time the score stood at 24-5.

It was the fifth victory of the year for Milne with 13 points, Baker was close but not seriously hurt, however.

Most disheartening news of the month was Fats Waller's death. Known to many as a great organist, pianist and soloist, Fats Waller was missed by the music world and by millions of fans. He was a great pianist and a great composer, and his music will live on for many years to come.

Pupils Hear Klaiman, Allard In Assembly

The Junior High Assembly, which was held on Wednesday, January 21, was quite different from the others held on previous weeks. Following the singing of the Star Spangled Banner, Miss Frieda Klaiman, head of the Milne Music Department, played two selections on the violin. "Romance" is a Spanish melody. These selections were appreciated very much by the students, Allard supervisor of French in Milne, gave an account of the adventures of Jack Ryan, a former State College student, in occupied France.

R. W. Frederick, principal, and Miss Mary E. Conkin, supervisor in English, and voted on by the Student Council, the freshman and sophomore classes have organized and elected officers. In a meeting Thursday, January 29, Leonie Wilcox, president of the Student Council, addressed the first meeting of the class of '46. He told the sophomores that the council had decided it would be better if they were organized as one class group, than as three separate homerooms. From this important reason, he also said it would be easier to meet senior expenses if there were a class treasury already established. After this, Dick Grace was elected president of the class with little opposition. He conducted the meeting from then on, and nominations were made. These nominations were voted on in homeroom Monday and the results were as follows:

Petting: Vice-President
Mary Mapes Secretary
Dick Herrick Treasurer

The freshman class meeting on Friday the 21st followed much the same procedure, with Derwent Anger, of the Junior Student Council, presiding. Donald Jarrett was elected president, Mabel Martin was elected vice-president, and Alan Meek was the combined job of secretary and treasurer.

Discussions by Eleanor

Modern Musical Shop is featuring a collector's item which is a valuable jewel. It's an album called, "Symposium in Jazz," and features the old hands of Benny Goodman, Tommy Dorsey, Pat Waler, and Bunny Berrigan. It contains Goodman's, "Sing Sing Sing," which is still one of the best tunes in jazz. The result is a striving for solos, rather than smooth and inspired jazz. This is a really important album, so if you want to get your hurry, because the supply is waning fast.

Dick Haymes has every reason to expect a screen career of huge proportions. Twenty-Century Fox is planning to star him in the films once scheduled for John Payne, Skip Nelson, former vocalist with Glen Miller and Tommy Dorsey, has skipped across the tracks to Guy Lombardo's band. The amazn Carl Benzett stuck for a vocalist to use for his Strand Theatre opening New Year's Eve, finally decided to use Harriet Clark, his estranged wife, whom he fired from the band several weeks before climbing with her in 1931. She was quite different from the others held on previous weeks. Following the singing of the Star Spangled Banner, Miss Frieda Klaiman, head of the Milne Music Department, played two selections on the violin. "Romance" is a Spanish melody. These selections were appreciated very much by the students, Allard supervisor of French in Milne, gave an account of the adventures of Jack Ryan, a former State College student, in occupied France.

Freshmen, Sophs Name Officers

Following up the idea proposed by Dr. R. W. Frederick, principal, and Miss Mary E.
