Red Cross Opens Schoolwide Drive For Membership

The Milne Junior Red Cross is again making its annual drive for membership beginning November 1st and continuing through the end of the month. Nancy Lee Clark, president of the Red Cross, has announced that the drive is being conducted through the various homerooms. No official tabulation regarding the success of the drive has not been formulated.

In the past, the Red Cross has sponsored group activities in the school, such as making of afghans. This year, however, attention has been turned to individual projects by the students. These projects include the making of toy animals, Mr. Harlan Raymond, Industrial Arts supervisor. The construction of peg-games and other projects for disabled servicemen. The annual toy drive will support the Toy Library. Any type of toy or plaything will be needed for the Toy Library.

Toys Needed

Mr. Clark also announced that toys and other playthings are sorely needed for the Toy Library. Any type of toy or plaything will be gratefully accepted. Also if necessary, this Red Cross Toy Library will repair any damage to the toys.

VACATION

Milnites Accepted By Three Colleges

The Guidance Department of Milne High School, held by Miss Pfeiffer, has made it apparent that Bettie Jane Flanders is the first member of the class of 1947 to be accepted into college. Miss Flanders has received word that she will enter Russell Sage College next September. Nancy Lee Clark is accredited with the second acceptance of the year. She is going to the University of Michigan in the fall of 1947. Those accepted at Syracuse University during the past week include Jew Barnet, Sally Goss, Betty Day, Joan Richter, and Joan Traver.

Some Interviewed

Other announcements by the Guidance Department include the interviews held recently by the various Admissions Directors for New York State Colleges. Miss Pfeiffer, Miss Caffin, Franz Mohling and John Thompson were interviewed by a representative of RPI, while Bill O'Brien, Barbara Leslie, Alan Meekl and Joan Clark attended an interview held by St. Lawrence University for the Milne students.

Red Cross Opens Schoolwide Drive For Membership

Sophs Submit to Senior Surprises

Those poor, poor things! Those mistreated bundles of Sophmoric! How they suffered!! And how! Enough of these numerous exclamation marks, while we rung over the ill-effects of last Wednesday, November 20th, a memorable day for the entire female population of Milne. The school started with the sophomore girls characterized by straight locks and lack of makeup for a change. Also, many of the girls looked rather studious with high socks. However, they were not studious as you might have suspected, but were just being helpful to their helpless Quin and Sigma sisters.

The climax of this hazing arrived late in the afternoon when the informal initiation was held. Quin's initiation was begun in the little gym, while Sigma began their's in the Ceramics room. The procession of girls wound their way through the hall and proceeded through the school.

Terture Continues

The Quin girls were gaily arrayed in bathing suits and black stockings, while Sigma appeared in long nightshirts and stadium boots. As the initiations progressed, loud yells and screams were served in the little gym, while Sigma began their's in the Ceramics room. The procession of girls wound their way through the school.

BEGINS

Quin and Sigma To Join Council

The Intersociety Council, acting on a suggestion made at the November meeting by Jess Barnet, has now invited the girls' societies, Quintil and Zeta Sigma, to join this council.

The suggestion was voted upon and passed, because for many years the boys have efficiently managed the affairs of all boys activities through the Council. It was decided that, since the girls' societies participate in many of the same activities as the boys, it might be more convenient and worthwhile if they were included in the Inter­society Council. As a result, each society will send two representatives to the Council accompanied by the Society adviser on the faculty.

Milnites Slate Talent Feature

The first Talent Assembly of the year will be presented today by members of the Milne School student body. This announcement was made by the Assembly Committee recently and is being headed by two juniors, Arlene Blum, and Betty Pfeiffer.

These two students have charge of the Senior Assembly which will comprise only one-half of the scheduled performance. The Junior High will stage their own Talent Show during their regular assembly period.

The participation of the students for today's Senior presentation already entered are: Jess Barnet, piano; Joyce Russo and Nancy McMann, solo; Jackie Biegun, guitar solo; Joan Lehner, Sally Grace, Joanie White, dancing; also, Ruth Weil will dance for the assembly. The "Four Ink Spots" will be portrayed by Betty Pfeiffer, Pat Costello, Judy Hamline, and Nat Wolkoff. Adele Portil and Helen Murphy are slated to perform their mysterious Magician act. Margie Norton will also render a piano solo which completes the roster for Senior High entrants.

Junior Assembly Talent Feature

The Junior High Talent Show is under the direction of Judy Horton, a freshman here in Milne. The cast for this production includes George McDonough, Dale Christie, and Richard Taylor in a skit entitled "The Camp's a-Crackin.'" Also Janet Gross will be featured at an evening with Seigal. Janet Gross will also accompany Barbara Van Dyke in a voice solo. Anne Coniglio, Barbara Dewey, and June Hauf will be cast as a trio, doing vocal arrangements. Lorraine Walker and Judy Horton are planning a duet.

Election

Governor Thomas E. Dewey and his entire Republican ticket were swept into office on November 5th, in what seemed to be a landslide as far as the Milne students were concerned. Official tabulations, appearing on the bulletin board in the Social Studies office, gave Mr. Dewey and the other candidates a surprising plurality in defiance of apparent Albanian traditions.

The voting continued through the election Assembly held during homeroom periods the Monday before Election Day.

TODAY!

Youth of State Meet To Discuss Problems

Delegates from forty-six districts of New York State met on November 11th at Chancellor's Hall to discuss the problems of youth and their responsibilities in the world today. This meeting, the first annual State Youth Conference, was held by the American Federation of Women's Clubs in conjunction with the New York Times. The Milnites attending, who took an active part in the program, were Jess Barnet, Bob Abernathy, Nancy MacAllister, Janet Ribinsek, Beverly Ribinsek, Kenneth Seifert, and Art Walker. Bob Abernathy was among those selected as chairman of the sectional discussion groups.

During the morning the delegates were divided into four committees, meeting to discuss the following topics: The Mutual Responsibilities of Youth and the Church, School, and Home; Communications in the Field of the Press, Radio, and Movies; Recreation and Health in Relation to Delinquency; and Compulsory Military Training in the U.S.
A Thought In Passing!

The traditional feast of Thanksgiving will again be celebrated on Thursday. Along with this celebration, will be the turkey, the mince pie, and all the relatives of all the families. It will be a happy time in the Milne homes, for, here at Milne, realize all that Thanksgiving means in itself. For us, it means many things outside of the benefits we receive in our individual homes. For us, it means a school, an education, and by our efforts, a future. One could hardly ask for more. One should be sincerely thankful for this opportunity which we are given here at Milne, the opportunity of learning how to think for ourselves. We are maturing individuals and, although we are still in high school, the time is not far distant when we shall look back and remember how things seemed way back when. Let us have no regrets for not getting all we though we are still in high school, the time future. One could hardly ask for more. One

Oh yes, our suggestion box is empty kiddies, which must be on our merry way!

We regret to say that Bill Paine, a devoted member of the "hagge" has left for Brooklyn. Other energetic devotees to boast of are Pete Ball, president, Joe Sabel, president also, Jim Paxton, Don Becker, Bob Kelly, (?), Lou (the shrimp) Carr, Roger Haggerty, Dick Bauer, and perhaps a few more.

Oh yes, our suggestion box is empty kiddies, which must be on our merry way!

Alumna news by Pat and B. J.

A few lines from the Open House, Larry Clarke, '46, Sandy Duncan, '46 and Don Christie, '46, were dropping over us!!! "Pat" Peterson, '46, stopped to talk to us Friday during gym class ... while getting on a U. of Rochester party, a "party." Those who should be "Mec" Morgan, '46, Barbara Friedman, '46, and Carol Goldstein, '46, were on the receiving end here at Milne. When I called to see Marion Mulvey, '45 ... Janice Haf, '45, is training at the Albany Hospital to be a Laboratory Technician. Participating in the Russell Sage Choir this year is Chloe Pellefret, '45 ... Al Mendel, '45, and Johnny Farnam, '45, recently saw the Syracuse-Binghamton game. Allie is attending Stena.

Marie Conner, Sally Gaus, received his appointment to Amherst ... Bob Kerker, '45, now at Columbia University, spent the week-end home.

So long for now!
Varsity Loses

The Milne basketball teams for this season have now been completely chosen and are in full swing preparing for the coming schedule, of which only Varisty games will be played on December 6th. This will be with Watervliet, at home.

The varsity team which has experienced the loss of two seniors, Dick French and Allie Meskil, the remainder of the players being juniors, namely Bill Farham, Bob Clark, Don Miller, Bob Leslie, Don Mapes, Clayton Besch, Jack Rickles and Don Talbot, Mendel Olm.

According to Mr. Harry Grogan, boys' athletic director, last year's varsity graduated as a whole. This haslet High from Long Island.

Varsity Prepared

Allie Meskil, the remainder of the varsity team, are now preparing for the coming schedule, they intend to battle with the exception of Norman Stumph and Jim Berry, juniors. The sophomore members scheduled for positions on the Champlain and Union College quintets, are now competing again this year with a team of their own. Although the freshman team does not play every game on the schedule, they intend to battle with about 25 games and cost three dollars, including tax. These games are now on sale. Each ticket will be initiated. It will be held in the main entrance of State College, sponsored by the Milne Rifle Club.

A combination of keen competition and rather coolish weather made the members of the Freshmen Squad, Bob Grogan, Lt. Cherry and Doris Long, the only ones successful in getting that elusive little round ball through St. Agnes goal post.

The soccer season went out with a bang. Our most beloved graduate, Robert Grogan, turned the tables on his opponents, the eighth graders, by beating them in their last interclass game.

William Smith Heads New Hi-Y Club

Intra-mural Ring-Stick Hockey

The Student Body has enjoyed a new sport this fall called speed-ball. Being partially soccer and partially basketball, it causes many onlookers perplexed expressions and confused thoughts. The line-up is a regular soccer line-up. The center kicks off by lifting the ball into the air and, if someone catches the ball, soccer rules are disregarded and basketball rules are assumed. Even more confusing, the minute the ball touches the ground, soccer rules are assumed once more. Even with the players having a hard time keeping track of things, but they all admit it's a lot of fun. Incidentally, speed-ball will be added as a regular part of the term schedule next year.

Hi-Y Club Joins Regional Council

ARCHERY

Arrows Fly As Girls Hit Targets

The students throughout the entire school have been given great opportunities to participate in this sport. Arrows, like many other individual sports, has both junior and senior high classes. The senior branch has five meetings, but the turnout at these meetings is up until now fairly disappointing, according to Miss Murray.

Since the targets are set up near the main entrance of State College, the novices in the sport were completely confused by the strange rules and many of their arrows went out of the range. The girls, says Miss Adams, "have improved greatly in spite of the fact that they only began this fall."

Don Christie and Pete Hunting, members of the Milne 1945-46 basketball team, are now competing for position in the Champlain and Union College quintets.

Chris Christie, captain of last year's team, has been practicing for the past six weeks. He survived the first cut which reduced the squad from 120 to 50. Champlain College, which is located at Plattsburg, is a new college, opened this fall by the Associated Colleges of Upper New York. For high school graduates crowded out of established institutions, Champlain's schedule contains seventeen games.

Hunting, a freshman at Union, also is showing up in practice drills. After a large cut, Pete's name may still be found on the squad list.

FRIDAY EVENING, NOVEMBER 29
8:00 P.M. - 12 P.M.
50¢ Per Couple
Society Sponsors Annual Movie

The Theta-Nu literary society of Milne presented its annual movie program Friday evening at Page Hall. The program included three features. The society's two presenters, a versatile group, included a group of Richard French, society president. With the aid of Dr. Floyd Hendrich, Audio-Visual instructor, and Oriston Salisbury, '48, the society decided on three short but versatile features. These included "Wranglers Room", a western thriller, "Submarine Base", a war drama, and finally a cartoon to conclude the program.

Randles in Charge

The advertising committee consisted of Fred Valentine and Lloyd Schonbrun. Bob Randles was in charge of ticket sales, which sold at 75¢ per person including tax.

Chapman, for the affair were Dr. Moose, Mr. Raymond, and Mr. Haughey.

Commenting on the success of the movie, president French stated, "I was very pleased with the turnout Friday night. I enjoyed the movies very much and from all the large crowd attending enjoyed them likewise. It is gratifying that the movies went over so well as all the committees worked very hard to make it the success it was."

How Time Flies!

ONE YEAR AGO: The faculty "dennounced" the Senior request concerning the off-campus privileges. Jack Gade had his "annual" born party. Spence went with Seifert.

TWO YEARS AGO: "Oozie" gave a party for all the staff in place of the planned hayride. Remember, kids? The Class of '48 planned a giant reunion. Dick Bates evidently did a swell job for the class really stuck together

FOUR YEARS AGO: The Milne Victory Corps was organized that memorable year. The "crowners", George Edick, (right), was in the Senior Spotlight, and all the kids in gym were using the Commando Course in back of the College—pitiful memories! Well kiddies, grab your Old Age Pensions while you can, 'cause time sure

Who is your favorite Senior and why?

Janet Rabineau: Ann Adams because she is so very friendly.

Lucas: Pvt. Pettig because he always lets me in his car!

Dorothy Duong: Jess Barnet because he always has a line with the teachers!

Timpie Robinson: Ann Adams because she always is a lot of fun.

Shark Kerker: Don Jarrett—he's so chubby.

Joel Levine: Johnny Thompson—he's president of the Senior Class, isn't he?

Bob Leslie: Roger Gross—there's too much of him.

Larry Coffin: Neil McNell cause he leave "Nag" alone!

Dorothy Long: Jack Gade—you can draw your own conclusions

Jim Clark: Don Jarrett because of his numerous types of cars.

"Little" McDougal: Winnie Hauf cause she gave me my nickname

Johnny Walker: Alie Meiklejohn—she's a good all round kid!

Judy Hunting: Dick French because he is so friendly.

Alan Schramm: Grant Talbot and his runmate appeal for the girls.

Janet Rabineau: Bob Olivier—a good all round kid!

Kay Guertin: B. J. Flanders—I like her athletic ability.
