Many Classes Elect Officers for Year

Most of the classes lost no time in electing new officers, but the seventh and eleventh grades are still undecided.

Arthur Melius holds the top position in the eighth grade, with Creighton Cross, Donald Wilson, and Fred Brunner aiding him as vice-president, secretary, and treasurer, respectively.

The freshman class elected three officers. Allison Parker is president; David Clark is vice-president, and Nancy Tripp holds the position of secretary-treasurer.

Fred Brunner aiding him as vice-president, secretary, and treasurer, respectively.

The freshman class elected three officers. Allison Parker is president; David Clark is vice-president, and Nancy Tripp holds the position of secretary-treasurer.

DeForest Parker is the chief executive in the sophomore class, while Eric Dodge is vice-president; Carolyn Kritzler, secretary; and Nancy Fresco, treasurer.

Marion Seidel, the only newly elected officer of the class of '51 is their treasurer.

Senior Delegates To Attend Forum

Four Milne seniors will be among the representatives from area schools attending the Foreign Policy conference at New York State College for Teachers on November 15.

Marjorie Potter, Stuart Lotwin, Jacob Loebner, and Lorraine Walker are the Milne delegates to the conference which is divided into morning and afternoon sessions.

The morning session begins at 9:30 a.m. and consists of three groups. Europe will be led by Dr. Joseph Leese, the Near East by Miss Catherine Newbold and the Far East by Mr. Clinton Roberts.

The afternoon session will begin with a talk by Dr. Gottschwald, professor of international law at Lehigh University.

Party Marks Canteen Opening

By CHARLES KIRTLER

After a month's vacation, the Loudonville Canteen resumed activities with a Halloween party on October 29.

The various committees have been reorganized with the help of some Loudonville parents assisting financially whenever help will be needed. Loudonville has been growing over a year ago, and had a very unpretentious start. It began as an organization to give the teenagers of Loudonville a convenient place to go and have a good time at an inexpensive rate. Within six months the group had a membership of over 300 and was able to meet the expenses of the organization.

The social season started with a bang, when the Zeta Sigma rush was held on November 1 in the State College lounge.

Girls Wear Red

Zeta Sigma's theme was, "The Firemen's Ball." All girls were dressed in red hats and boots and had as much fun as possible. Betty Jane Thomas, mistress of ceremonies, headed the entertainment committee, and Joan Clarke was in charge of refreshments. Cakes, cokes, sandwiches, and punch were served. Carolyn Miller was in charge of invitations, while Barbara Leete was head of the decoration committee.

Quin To Hold Dream Party

The second big date in society life is November 8. At this time, the Quintillian rush will be held. This too will take place in the lounge. The theme of this gala event is "Dreamland." All Quin members will be dressed in slumbergowns.

The entertainment committee is headed by Janet Hicks, mistress of ceremonies. Skits will highlight the afternoon's fun. Eleanor Jacobs is in charge of refreshments, assisted by all three Quinety's and senior girls.

Sewing, cakes, cookies, and cokes will be served. Decorations are being planned by Marlene Cooper. Shavla Scott is in charge of invitations.

Lounge Is Scene for First Junior High Dance

Seventh, eighth, and ninth grades attended the first junior high dance of the year on Friday evening, October 14, in the State College lounge. It was held from 7:30 to 9:30 with a phonograph providing the music. Mrs. Bush, librarian, and Dr. Moore, science supervisor, acted as chaperones. Refreshments were also served during the evening.

 Birchard Walker, president of the junior class council, stated: "We hope the success of this dance will continue throughout the year."

The faculty wishes to commend the Bricks and Ivy staff on the efficiency with which pictures were taken last week.
Better Than...

What is a snob? Webster defines it as "a vulgar person who apes gentility." Well that's a pretty strong definition for what we consider a snob—a person who acts as if he were better than someone else.

Are we snobs? Our first answer, of course is 'no'. But stop and think a minute. Isn't there anything you can do better than someone else? And didn't you ever feel the tiniest bit superior because of it?

Of course being able to do something well doesn't make you a snob. You don't fall into that category until you begin to feel superior simply because you have that talent that some-one else lacks or maybe you have a few more dates than the girl you sit next to. Does that make you better than she is? Just remember some time that for every quality you possess, someone else possesses one that might benefit you.

ALUMNEWS

Dan Wesbrook, '49, has been selected first basis of a freshman football team at Clarkson College. Ed Lux, another of Milne's '49ers, was home for the weekend of October 14. Bill McDougall, '49, and Don Mapes, '48, have been seen at Ed's recently.

Nancy McLissiter, '47, was home after spending a week in the infirmary at Middlebury.

The familiar face of George DeMoss, '49, was seen around the senior room a few weeks ago.

From recent letters, it seems that Nancy McMan, '49, has gone into the business of crocheting slippers at Homer Folks Memorial Hospital, Oneonta. Mrs. Doris Manweiller, remembered better as Doris Long, '49, is the proud mother of a baby boy. They have named him Arthur Rodney Manweiller.

Ed Segel, '49, dropped in on one of the Zeta girls' volleyball games.

Bud Tallamy, '49, is now running a "blind date" agency at R.P.I.—for Milne girls only.

Mehan, Barbara Stewman, Schuyler Sackman, Shirley Ashworth, Cressy McNutt, Beth Seilman, Lo's Levin, Charles Kritzler, George Pitman, Sandra Dare, Stuart Lotwin and Barbara Leete.

From recent letters, it seems that Nancy Olenhouse. Michael Meyers, Faye Keller, Doris Levine, Charles Kritzler, George Pitman, Sandra Dare, Stuart Lotwin and Barbara Leete.

Milne Ties St. Peter's, 7-7; Hayes Scores for Raiders

Milne Touchdown Nullified by Penalty

A 7-7 tie was the result of the second meeting of the year between the six-man football teams of Milne and St. Peter's. Both teams scored touchdowns and each team's extra point attempt was nullified by a penalty. The game was played on the Beverwyck Field at Saratoga.

Milne received the opening kickoff but had to punt the ball on their own ten when a pass by Doug Heald was ruled a forward pass. With the next play Milne was inside St. Peter's territory on the strength of a pass by Fred Clum to Bernie Vanderberg which covered 40 yards. A long pass from quarterback Doug Heald to end Bernie Campbell gave the Red Raiders a first down at the Milne two-yard line but Milne's backfield had been in motion and instead of gaining six points Milne lost five yards.

St. Peter's Threatens

After getting the ball on downs the Red Raiders drove to the Milne 25-yard line on three successive field sweeps. At that point a stiffening Milne defense and a 15-yard penalty forced the visitors to take to the air.

Ray Guertin ended the St. Peter's scoring threat when he intercepted the pass and ran the ball back to the 30-yard line of St. Peter's. Milne could have gone down the field on a pass, but a successful punt and a failed return resulted in the visitors gaining only five yards. With the ball on down to the first quarter ended with no score.

St. Peter's lost the ball on downs but soon regained possession on a pass interception. Paul Leon carried the ball for Saratoga for a first down on the midfield stripe. On the next play quarterback Smadlone of St. Peter's was intercepted and then bluffed his way down the sidelines for a St. Peter's touchdown. The 20-yard score put Milne down 20 yards and a first down on the Milne two-yard line but no further.

Milne Holds

The second quarter was just as lightly played as the first with neither team able to make a first down. After a bad pass from center on the Milne 10-yard line Milne recovered and then drove to the Milne five. From here halfback Dick Platt gave the Red Raiders a new lease on life by intercepting a pass and running 40 yards to the Roesselville 20-yard line. From there halfback Dick Platt gave the Red Raiders a new lease on life by intercepting a pass and running 40 yards to the Roesselville 20-yard line. From there halfback Dick Platt gave the Red Raiders a new lease on life by intercepting a pass and running 40 yards to the Roesselville 20-yard line.

Guertin Intercepts

Six plays later Ray Guertin intercepted one of Bob Smadlone's passes and took the ball to the Milne 40-yard line. From there Milne halfback Paul Huprich gave the Red Raiders a new lease on life by intercepting a pass and running 40 yards to the Roesselville 20-yard line. From there halfback Dick Platt gave the Red Raiders a new lease on life by intercepting a pass and running 40 yards to the Roesselville 20-yard line.

Hi-Y to Sponsor Voting Age Bill

Milne's Hi-Y organization plans to send a bill which would give 18-year-olds the right to vote to the state legislature. The bill, sponsored by the E.S.S.P.A. convention in Schenectady on November 16, would be played at 3:15, and after- wards both teams will fill up on coke and donuts (honey dip, that it!)

Roller Skating Party Planned

A very exciting and enthusiastic there will be another roller skating party at Hoffman's, Dec. 19. A notice will be posted on the bulletin board when you may get tickets from Miss Murray. Don't let it stand in your way of an afternoon of fun at Hoffman's. It only takes a very short while to practice before you go whizzing around the rink knocking down everything in your path.

Milne Drops Game To Roesselville

The Gaal's Corner

By "LARRY"

That 'ol familiar cry of "ouch, my shins" is very prevalent around Milne these days. Hockey and soccer are upon us at last.

Soccer intramurals are on Monday and Friday for the junior high and the girls are off on Tuesdays and Thursdays. Barb Dewey, Jeff Consiglio, Barb Leete, Owen Hicks, Orr Evertt, and Larry Walker, seniors, will captain the six hockey teams. Those pesky sophomores are really learning fast, and the juniors and seniors will have to play very good hockey to keep up.

Playfield Held

With the starting of hockey, St. Agnes held a playday on October 29, and as usual, it provided everyone with a terrific time and loads of fun. Milne played Hurst Hills and Knickerbocker Junior High, emerging victorious over Knickerbocker, 1-0. Bill Hayes scored the winning goal against Knickerbocker. A long pass from Quarterback Bill Hayes streaked down the sidelines for a St. Peter's scoring threat when he intercepted the ball. Hi-Y Begins

The beginning of the final frame brought the score to 7-7. The first quarter ended with no score.

Hi-Y Convention

At this meeting bills from all the chapters will be sent to the state convention. Some will be selected as the ones to be sent to the state convention.

Hi-Y Convention

At this meeting, the delegates from the Milne chapter sponsored by the Hi-Y to vote on the Hi-Y convention in Albany where some will be, as the ones which the Hi-Y should support in the state legislature.

Hi-Y convention.

A committee of Milne Hi-Y members selected the bill from a number of proposals submitted to them. The bills approved by this conference will be sent to the state Hi-Y convention in Albany where some will be voted on. The bills approved by this conference will be the state Hi-Y convention in Albany where some will be voted on. Eddie's Means Freedom, Fun To Milne Kids

By NANCY GOTIER

Teacher: "What does 'the well worn path to freedom mean'?"

Student: "The path to Eddie's, of course."

Good of Ed's. What would we do without it? Suppose something should happen. Suppose that suddenly in the middle of a class, the sound of a ringing bell would startle you, and Western Avenue should reach your ears. After a few minutes you realize they have stopped close by. At first you figure Albany High School is on fire, and you're mad because the students will probably get a few days of vacation. Then you think of other places in which there could be a fire. Ed's! Oh, no, not Eddie's. It just couldn't be! Frantically you try to get the idea out of your mind, but as you look around you find many others are thinking the same thing.

After class it is murmured that Eddie's has burned down. Looks of anguish and dejection are seen on every face. Fred Cook, the only person who really mattered, where else he can park his car. Many are trying to figure where they can go to get out of some work at home.

Others are wondering where to go after school, the only thing that seem terrible to go right home. Goodness they'd be home around 3:00. How disgusting. All the problems this situation creates just couldn't be told in one story. Everyone can be calm however. Eddie's hasn't burned down, and no one is without a second home. Nevertheless anyone can realize how terrible it would be not to have Eddie's. Again I repeat myself: "What would we do without good old Eddie's?"

Association Claims

Coke Concession

Milne's Bricks and Ivy has been granted the coke concession for this year in order to raise funds for the yearly Fairbanks.

Coke will be sold during the basketball games outside the girls' locker room. In charge of selling are Jacob Lochner, editor, Stuart Lotwin, and Charles Kritzler.

Since tickets for the Playhouse have been reduced in price for students, the staff of the Bricks and Ivy feel that there would not be enough profit to warrant its sponsoring a play as it did last year. However, the staff is still discussing plans for the future.

Students Attend Training Course

Treasurer's Training Courses were begun on Wednesday, October 12, 1949 at 2:45.

Mr. Fairbanks, head of the Milne Commerce Department and central treasurer for the Milne School, was supervisor.

The treasurers were presented with their books and handbills discussed the Milne treasury system. Then, he explained the filling out and use of credit vouchers, receipt and deposit slips and entering in the record.

The second and final meeting was held on October 19 at 2:30.

Amusement tax and the semi-annual treasurer's report were discussed. The previous meeting was reviewed briefly, and instruction in the use of pay orders and purchase requisitions was given.

In closing Mr. Fairbanks gave the group a "pep-talk" on the responsibility of being treasurers.

Milne Parents Attend School Parents' Night

Parents of pupils in grades eight through twelve in Milne attended a parents' night Tuesday evening, October 25.

Upon arrival the parents were furnished with identification tags and copies of their son or daughter's schedule. At 7:45 a brief meeting was held in Page Hall Auditorium where Dr. Fossteck, principal of Milne, welcomed the parents.

After the meeting parents followed the schedule of classes they had received. During the ten-minute class periods, they were acquainted with the objects and practices of the courses. Those who had further questions were able to talk with the supervisors afterward.

Mr. Tibeck, the guidance director, also presented the guidance program for each grade in the library during the students' regular gym period.

Class Observes New Machines

Early Wednesday morning, October 19, the senior high personal typ­ ing class, accompanied by their instructor, Mr. A. C. Di Cesare and Mr. Samuel Morris, went on a field trip to the New York State Auto­ mobile Dealers Association building, and the offices of the Dealers, 130 State Street, at 8:10.

Over Points of Interest

The following points of interest were observed: the executive office, with explanations of telephone apparatus and transmitting equipment; a demonstration of the vari-typer; the addressograph machine; explanation of the billing system; a demonstration of an electric typewriter; explanation of the typesetting equipment; and linotype machine.

Machines Explained

The purpose of the trip was to acquaint the students with the functions of various business machines which might assist them in future jobs.

Members of the class attending were: Barbara Dewey, Ruth Staley, Guy Miller, Putnam Barnes, Jacob Butler, Theodore McNell, Edward Bird, Paul Rubba, and Nancy Bird.

Representatives Meet; Talk School Affairs

Representatives of the senior student council met in Dr. Fossteck's office for the second time on Monday, October 24.

At this meeting David Bates, president, proposed that the fresh­ men class be invited to all future senior high dances. As he men­ tioned in his campaign speech last May, David feels that this plan would contribute to bigger, more successful affairs, with greater school participation.

The advantages of having one large senior high dance in place of two the two now scheduled were dis­ cussed, and a decision will be reached in the homerooms.

David also expressed regret at not being able to greet the student body upon the opening of school, but there was no assembly because of the painting of Page Hall. He asked the homeroom representatives to convey his welcome to all students.

School Library Adds

Selection of New Books

Milne School's library now has on its shelves a large selection of new books which cover many subjects.

Included among the new books are: "The Story of Football" by Frank Thomas Tan­ man, "Point of No Return" by Mar­ garit, Favorite Animal Stories by Salten, and Midnight, a Cowboy by A. N. Teran.

In addition to these new books, many have been replaced. There were quite a few additions of which included "The Black Stallion Re­ turn" by Farley, "The Game of Grayson, The Best of Science Fiction" by Salton, "Conan of the Black Stallion" by Lieb, "Black Stallion Re­ turns" by Farley, "Valiant Days" by Grant, "What Would We Do Without Good Old Eddie's?"

Zeta Sigma Member

If you've seen her in the hall lately and she hasn't displayed a smile like the one she's given Ed Butler in the above picture, her thoughts have probably been con­ centrated on the rush given by the Zeta Sigma Literary Society. As president of this society she has a lot of responsibilities. This year, she is also keeping tabs on the graduates for the Crimson and White.
