Edwards Assumes
Junior Student
Council Duties

Milne's Junior Student Council candidates ended a week of campaigning with Richard Edwards emerging as new president of the student government. Ann Crocker will assist Dick as vice-president, and Ann Strobel is assuming the position of secretary. Daniel Wolk will handle the council's finances for the year 1951-52.

Others Run
Richard Gunther, Joan Stanford, Judy Brightman, and Ann Gayle also sought the offices of president, vice-president, secretary, and treasurer respectively. David McDonough was Dick's manager. Joan Stanford had Cynthia Berberian as her campaign manager; while Nancy Ginsberg planned Judy's campaign.

Bishop Barry To Give Address

Senior Class Has Announced That the Class of 1951 Will Hold Its Annual Banquet at Chevalier's, on June 16 at 6:30 p.m.

After the dinner there will be dancing. John Kinum, chairman of the banquet committee, has handled the arrangements for the occasion.

Other members of his committee are: Doris Mehan, Rosalind Fink, Ronald Hughes, George McDonough, Edith Cross, Beverly Ball, Judith Trower, Connie Ellsworth, Judy Ostrander, Roy Guerin, Robert McClure, and Jack Magrew.

Chairman of the senior ball committee, Judy Trower has completed plans for the senior ball which will be held from 10:30 to 1:30 at the Crystal Room of the DeWitt Clinton Hotel. The dance will be on June 22 after the graduation exercises.

Francis Murphy's band will supply music for the affair.

Many Get Awards

Milne had this year's honor as principal of Milne, awarded various prizes that Milne students won during the school year.

Some of the prizes that are presented each year are the awards in Spanish, music, English and science.

The Paul Wolfgang Memorial prize was also presented to the person who submitted the most interesting picture to this year's Bricks and Ivy.
Well Remember

Commencement for the members of the class of '51 is now less than two weeks away, and soon the seniors will leave the doors of Milne for the last time. But, before they take their final departure, we want them to know that they will be remembered by all who have attended Milne in recent years. We'll remember them

for the way they were so confused in the seventh grade when they couldn't find the cafeteria.

for their first Student Council campaign, and its posters for John, George, Beverly, and Pat; for the fellows the girls on the junior varsity squad were cheering to victory, for the members of the class who came and left after seventh grade.

for the student government they conducted this past year, for all the society presidents and the meetings over which they presided, for the sleepy looks on their faces after a weekend of late hours—yes, and, for the shrieks and laughs coming from the all-famous senior room.

Yes, for these and many other achievements, the class of '51 will always remain in the memory of Milne.

ALUMNEWS

Milne "grads" have been elected to various sororities and fraternities recently. Marlene Cooper '50 was elected to Pi Theta Phi, an honorary physiotherapy sorority. She was also initiated into Delta Phi Zeta sorority at Ithaca College, where she is a freshman. Also elected was Dave Bates '50, who was accepted into a fraternity at Colgate University.

Proving their political prowess were Bob Clarke '48, who has been elected next year's treasurer of Delta Upsilon fraternity at the University of Rochester, and Jessecal '47, former editor of the Crimson and White, who has been elected president of Pi Gamma Mu, a national social studies honor society at State College for Teachers. He was also elected speaker of the Forum of Politics.

A recent visitor to Milne's "hallowed halls" was Mary Prior '48, who visited a sophomore English class. Congratulations are in order to Nancy Bearup '47, and William McDonough '46, for whom wedding bells rang June 8. Also to Mark Meyers '42, and his wife, who became the proud parents of a baby boy in March.

Dick Nathan Summarizes Baseball

Do you know who received the announcement of his candidacy for the highest office while playing baseball? It may happen that a veteran of this year's varsity ball team may after his playing days have been over be a statesman as the above mentioned, Abraham Lincoln. However it would be impossible to predict who will follow in the steps of Abraham Lincoln, but it would be possible to predict the success of next year's varsity baseball team.

Lettermen Will Return

It is safe to say that next year will be more successful than this season because of the larger number of this year's starters who will be eligible to compete. They are as follows: Dick Eddy, Doug Billings, Bunny Walker, Dee Parker, Dan Clarke, Bill Wade, and Jud Lockwood.

The only lettermen of this season who will be absent in the coming year are seniors Bob Mull, Ray Guerin, and Bob Callender; therefore I believe the team benefiting from the experience obtained this year will be able to better the season.

The season commenced with a 14-0 shutout by Van Rensselaer which was highlighted with a tennis court home run by Rensselaer's catcher, "Ish" Tomkin. The following game was a thrilling 6-5 loss to Averill Park which was followed by a double play in the seventh innings with Milne runners on second and third base.

Altamont First Victim

The third game was also dropped by one "very large run," this time to the capable Bethlehem Central varsity. The next game was a 3-1 victory over Altamont. This marked the first win of the season. The Red Raiders after their first St. Patrick's Day round trip suffered a 8-1 defeat at the hands of the Albany Academy. The St. Peter's next met Averill Park. The Parkers took a 10-4 victory in their first Milne encounter and were responsible for 7-5 and 5-2 losses at the hands of this year's starters who will be absent in the coming season.

Guerni Bats 400

Rainy weather in his last season as a Red Raider retarded the start of the Milne tennis match schedule by two matches this year. Both of these were with the Albany Academy. Playing six matches at Widney's, the Parkers also enjoyed two away matches, one at Columbia, and the other at Mont Pleasant.

Meeting such strong opponents as Albany High, Bethlehem Central, and the mighty Red Raiders of Mont Pleasant this year had a record of three victories and five defeats; captain Frank Parker, playing third man also had a five-win and three-defeat record; Paul Vogel, gold Oscar award winner for tennis, had the team's best record, splitting the eight matches at four wins and the like number of defeats. Mike Meyers, rounding off number four on the squad, had three wins and five losses as did Parker and Propp; Bob Bulis, alternating at number six position with Sheldon Schneider and Bob Richardson had a record of one win and two defeats; while Snyder had one loss against him. Richardson had a record of one victory.

Students Defeat Faculty

The Milne golf team defeated the Faculty team by one match, 4½ to 1½, May 31, at the Municipal golf course. Playing for the students were Franky Thomas, Eric Dodge, John Lues, Bert Saclman, and Joel Levine. The juniors participating were Elliot Livingston, Franky Thomas, and Eric Dodge.

Opposing them for the faculty were Dr. Randolph Gardner of the Faculty, Mr. James Coburn, English supervisor, Miss Florence Potter, math supervisor, and two students from New York State College for Teachers.

Shown returning their baseball uniforms to Coach Harry Grogan are junior Bill Hayes and senior Bob Mull.

Father and Son Banquet Success

By ROBERT PAGE

An estimated 175 fathers and sons gathered at the First Reformed Church on Thursday, May 17, to enjoy the good food and fellowship of the tenth annual Father and Son Banquet. The banquet is sponsored by the Milne Boys Athletic Association. The speaker for both evening was Mr. Herbert Steinke, head of the art departments of the Albany public schools.

Toastmaster Opens Program

Toastmaster Millard Mull set the mood for the entire evening as he opened the program with a few jokes. Then, 175 very hungry fathers and sons sat down to what I am sure was one of the most delicious meals ever prepared for Red Raiders. It consisted of turkey, mashed potatoes, peas, salad, hor d'oeuvres, coffee, and tea. The food was followed by ice cream. Next, Mr. Alonzo Parker's sensitive baritone led the group in several selections.

Then came the letter awards. These awards, as most of you know, are presented to each boy who has played some sport and earned sufficient credit.

Steinke Speaks

Last, but certainly not least on the agenda, was the speaker for the evening, Mr. Herbert Steinke, head of the art departments for the Albany public schools. Mr. Steinke spoke for several minutes, relating several jokes dealing with art, and then had several boys come up on the stage. He proceeded to draw caricatures of each.

This was the second time the matches have been played, and many persons who are involved want to keep them going, and make this match a Milne tradition. Paul Eckert tied Dr. Gardner, and Bert Saclman outplayed Mr. Coburn. Eric Dodge played against Dr. Hoffman from State College, and Miss Lydia Murray from the Albany varsity. Miss Potter. Joel Levine lost and John Lues tied with his opponent, Elliot Livingston also lost to his faculty opponent.

The following girls comprise the lucky new M.G.A.A. council for the coming year: Ninth Grade Representative, Miss髮 McNeil; Office Manager, Sally Simon; Treasurer, Ruth Dyer; Secretary, Mary McNamara; Business Manager, Cynthia Tamter; Vice-President, Carol Jean Foss; President, Mary Alice Leete.

Awards earned in the past year were then distributed. First the G.A.A., then the Chenille "M" and then last but not least the honor pins were awarded. The seven lucky juniors receiving honor pins were Murray, Bryant, Carolyn Kritzler, Lois Laventall, Mary Alice Leete, Fayle Keller, Carolyn McPherson and Charles.

Annette Waxman next played two beautiful pieces on the piano.

An honor pin was presented to our friend in the locker room Mrs. McLaughlin, Ruth Staler was presented the trophy which she had won previously at a horse show.

The seniors rose and sang the M.G.A.A. song. This was followed by everyone turning in to bed on the second round. Then another M.G.A.A. Banquet came to a close in the steps of Abraham Lincoln. However it would be impossible to predict who will follow in the steps of Abraham Lincoln, but it would be possible to predict the success of next year's varsity baseball team.
Writer Names
Psychology As Good Practice.

By DORIS PEARLMAN

Last year, an eleven-year-old girl wrote a book dealing with the parent psychology for the younger set. However, this volume only took into account the parents problem of the seven to twelve age group. Therefore, we decided to augment the book A Handy Guide To Parents by Jennifer Ovsely, with a few rather meager paragraphs on "Parent Psychology for Teenagers." Rather than beat around the bush any longer, we'll start off with the problem that is universal.

Money Comes in Handy

Money is a green and crisp commodity which is very handy to have around at all times. However, obtaining enough of it to keep solvent is sometimes a difficult thing. If you can prove that your allowance is supposed to be sufficient to cover all of our expenses. Usually, that is a very free with the green and crisp commodity which is very handy to have around at all times.

“Sympathy Angle." Leave your place—say at Dad's plate 'at dinner. "Eddie's" seems to be one of his main likes, along with movies and dancing. His dislikes all seem normal enough; they consist of certain subjects, spiders, and spiders.

ROSAKLIND FINK

Everyone who attended the senior play will always remember the petite flapper, Rosalind Fink. Participation in the senior play is only one of Roz's many accomplishments. Her list also includes membership in Zeta Sigma, where she held the office of secretary in her junior year, secretary of Senior Student Council, a member of the Glee club, and one of the co-writers of the "Senior Spotlight." Roz likes classical and semi-classical music. Maybe the reason for her likes is that she may have taken dancing and piano lessons. She also enjoys sewing her own clothes. Roz is right now redecorating her own room. A good ice hockey game is always fun to watch. This is Roz's best liked sport. Getting away from the dashing and excitement, we find that Roz likes pastel colors. She also likes people for who are courteous, honest, and owners of a clean sense of humor.

Roz is interested in journalism, but isn’t going into that field for a career. Instead, the telephone company will benefit from the services of this 3’4”, sweet-voiced blonde.

HERBERT GRAMM

Herbert Gramm came to America in 1948, before coming to the United States he lived in Kirchheim, Germany.

When Herb entered Milne (after Easter vacation) in 1949, one of the first things he noticed was how friendly his classmates were. In Germany Herb started school in the first grade at the ripe old age of six. There is no such thing as kindergarten in Germany. He went to a school called Oberschule Fuen Jungens, before coming to the U. S.

After being in America a very short time Herb could speak almost perfect English. He has picked up the American customs and speech very fast.

One of Herb's most important accomplishments is a scholarship he received to Dartmouth. He was also accepted at Oberlin, State College, and Rochester.

Hot dogs seem to be Herb's main like and his dislikes consist of murder ball and silly, giggly girls.

PAT ASHWORTH

"Shorty," as she is sometimes called by her friends, is one of the last but certainly not least of the seniors that will be spotlighted in this year's Crimson and White.

Pat has been in Milne since the seventh grade, and has loved every minute of it (naturally). All of her 17 long years, Pat has been a resident of our fair city of Albany.

While in Milne she has joined many clubs and activities such as Sigma, Cheerleading and Knitting clubs, treasurer of Junior Student Council, and most important of all the Senior Spotlight for the Crimson and White in the year just past.

"Eddie’s" seems to be one of Pat’s main likes, along with music and dancing. Her dislikes all seem normal enough; they consist of certain subjects, spiders, and spiders.

ROBERT MULL

On June 30, 1932, an ex-professional baseball player's wife had a son called Bob. Since then, their son has combined the sports participation in the Full family.

Robert Mull came to Albany from Connecticut by way of Massachusetts, and Kinderhook.

When Bob entered Milne in his freshman year he became vice-president of his homeroom.

During the summer following his sophomore year, Bob played catcher on an American Legion baseball team. He returned to Milne in the fall and used his 6'-4" frame for the basketball games.

His education hasn't been neglected too, for Bob is in the upper half of his class. He plans to take an applied arts and science course at Utica college.

Bob likes everything and everybody. He tells us his friends must have a good sense of humor and be able to make quick decisions...

French Club Ends Year

Thirty-eight members of the French Club wound up the year with a banquet at the Petit Paris Restaurant, Dr. Theodore H. Fos­ sieck, Miss French; Mrs. Glätz, Spanish, and Miss Gatti, Latin, were the guests of honor. The banquet was in the French menu, consisting of: onion soup, trout with sauce or creamed, shellfish, or choice, for the main dish. Also on the menu was: vegetables, bread and butter, coffee or milk, and French pastry.

Two skits were presented, one by James Whitney and Nancy Prescot, and the other by Harold Vine and Miss Kibling, State College for Teachers. Dick McChesney entertained with a magic show. Herbert Gramm, president, addressed the group. The singing of French songs rang down the curtain on the year. The group expresses a vote of thanks to Miss Kibling for the charming programs.

FHA Members Attend Meeting

Glens Falls was the sight of a conference of the Future Home­makers of America on May 19. Nancy Bellin, Grace Hart, and Isabel Ure represented the Milne School at the meetings held in the Glens Falls area. The girls attended the business meetings and elected officers for New York State. During their free time the girls said that they enjoyed dancing and games.

Friday, June 1, Mary Lou Richardson, Marcia Hally, Evelyn Beck and Beverly McDowell left for a three-day conference at Morrisville. Among the activities they attended, were the business meetings and installation of state officers. A talent show headed the entertainment for the girls.

Mrs. Anna Baram, head of the Home Economics Department, accompanied the girls on both occasions.

Colleges Accept Seniors

Milne is going to be represented next fall at the different colleges around the country.

Judy Deitrich has been accepted at Miami College in Ohio, Judy Traver and Ronny Hughes at St. Lawrence University, Lorry LeShnik at Babson College, Beverly Levine at the University of Penn., George McDonough at Clarkson, Doris Metzner at Smith College, Bob Mull at the New York State Technical Institute at Ithaca, and Terry Stokes at Cornell.
