Dance Ushers in Spring

Publications Join Together For Planning

The staff of the Bricks & Ivy joined the staff of the Crimson and White in sponsoring a joint dance. The “Spring Fantasy” will officially usher in spring at Page Hall gym on Saturday, April 5 from 8:30 until 12:00 p.m.

Brehm, Propp Chairmen
Chris Brehm and Dick Propp, editors of the C&W and B&I respectively, are general co-chairmen of the affair. It is tradition that both senior and junior high students attending the publications will welcome other area schools.

Nancy Prescott and Carole Jean Foss are in charge of refreshments. They plan to serve punch and cookies during the evening.

Spring To Invade Gym
Chairmen of the decoration committee, Mary Alice Leete and Allision Parker, plan to deck the gym with pastels and spring flowers in keeping with the theme. Easter bunnies of all sizes will aid in transforming the gym into a spring wonderland.

Ruth Dyer and Nancy Bellin are handling the sale of tickets. Members of C&W and B&I sold tickets after March 26. Students may also buy them at the door. They cost 60 cents.

Boys Show Spring Fashions
The entertainment committee is under the direction of Bennett Thompson and “Buzz” Sternfeld. They are planning songs and dances suggesting spring. Among the acts is a showing of new spring fashions with the boys of the junior and senior classes modeling them. Junior and sophomore girls are working on a chorus line. Bob Page will “me” the entertainment program.

Bob Dennis is handling the posters and other publicity for the evening. The maintenance committee is under the direction of Redford Sanderson.

Announce Staffs
In keeping with tradition, the present editors will announce the new editors and staffs of the two school publications. This will be the highlight of the “Spring Fantasy.”

Chris Brehm has said, “With both staffs working on this dance, it should be a bigger success than ever.” The Crimson and White wishes to thank the B&I “Spring Fantasy.”
In a previous issue of the Crimson and White, we published a letter which stated that the reader felt we were using our space for the American habit of griping. Yet, the administration and faculty have felt that the letters and editorials have in the American habit of griping. Yet, the administration and faculty have felt that the letters and editorials have become valid enough to merit action.

Judy Cotter: "Probably Eisenhower and Kefauver."

Bennett Thomson: "Ollie, from Korea, Frank and Ollie, and Margaret Truman."

Don McQuaid: "Eisenhower for the Republicans, and Kefauver for the Democrats."

Ronnie Dillon: "Kefauver and I like Ike."

Art Evans: "Kefauver for the Democrats and Eisenhower for the Republicans."

Lynda Yaffe: "I like Ike."

Elaine Cohn: "Eisenhower on the Republican side, and Truman for the Democrats."

Frank Stockholms: "Kefauver and Eisenhower."

Doug Billion: "Taft and Truman."

Bobby Martin: "Eisenhower for the Republicans, Russell for the Democrats."

Buzz Sternfeld: "I'm for Norman Thomas, what the hey!"

Elliot Livingston: "Kefauver and Christine Brehm."

Mary Alice Leete: "Eisenhower and Truman."

Paul Howard: "Eisenhower for the Republicans and Kefauver for the Democrats."

Ross Goldberg: "Eisenhower and I hope Kefauver and not Truman."

Art Fredericks: "Eisenhower and Truman."

Jane Carlough: "Eisenhower and Russell."

Don Wilson: "Tanuto and Willie Sutton."

Skip Costello: "Just Eisenhower, I hope."

Allison Parker: "Dean Martin and Jerry Lewis."

THANKS LOADS!

In view of these facts, we would like to use this opportunity to say "Thanks" to the administration and faculty for bearing with us during the past 12 months.

By MARY and PAUL

Question: What candidates do you think will run for President this year?

The Inquiring Reporter

By BOB PAGE

Records

With ROBERT

Anybody see Arthur Godfrey's Talent Scout show Saturday, March 21? On the half hour bit people in this area watch by kinescope, which played the subtle sensitive kind of jazz you hear maybe twice in your life. When big city boys like those in Archie Blier's orchestra stand up and applaudit an act you know it's an occasion.

Give credit where credit is due, and credit is certainly due to the five foot nine, sandy haired, blue eyed lad who holds forth on "The Ernie Davis Show" each week day from the studios of WPTR. Since he came to Albany three years ago young Mr. Davis has made hundreds of friends. Mr. E. D. is most assuredly the best DJ this area has been in many a moon.

The Bob Page Show, (if you'll excuse the expression), recently voted the best radio show for the conservation of electrical power, (when it goes on, radios go off), goes into it's second year April 19. All persons with IQ's of 4 or lower are invited to come down and view the remains and Saturday morning at 10 at the main studios of WOKO, now be there promptly at 8:15.
B.C.H.S. Downs Raiders In Page Hall

Muirhead High and fired eight markers. The first point advantage for the visitors and hold onto it throughout the period as they were on the good end of a 32-29 half time score.

The third period was no better as the Crimson for the Eagles took the upper hand netting 17 points while the Raiders racked only eight. Dave Muirhead kept right on scoring as he tallied eight markers. The score at the end of the quarter was 49-39 granting the Eagles a 10 point advantage.

Raiders Lead

Period number four was Milne's best as the Raiders rallied within inches of victory. Senior Muirhead, playing his last game for the Crimson, spurred the Raiders and fired eight markers. The first two minutes of the period were uneven as the Eagles raised their margin by one point. Then the home team caught fire as Hayes scored five successive points, and Bunny Walker hit on a short push shot. The score was now 54-49 with the Raiders trailing by four points. Immediately "Bunny" and "Foopy" combined for a fast break, and a field basket respectively to chop the margin down to one slim point. Then with the visitors leading 53-52 and with two minutes remaining Muirhead scored on a fast break, followed by a pair of successful Bethlehem foul shots setting the Eagles at an advantage because of their larger reserve power, and therefore continued the fast pace, scoring 21 points in the last period, while the tiring Raiders netted only 10 markers. The final score of the ball game was 61-49 granting the visiting Cadets victory, but not without a good fight!

Clarke High for Raiders

Dave Clarke of Milne capped the scoring honors of the evening as he racked 14 points in his first appearance since spraining his ankle in the game against Rensselaer. Bunny Walker of Milne, cadet Ray Mayo, and cadet Charlie Stone were close behind Dave with 12 points apiece.

J.V. Wins

The J.V. team after trailing 13-10 at the half, caught fire in the last two periods netting victory number 10 by a 47-29 final score. Creighton Cross was the high scorer for Milne and the game with a 13 point total.

Raider's Bow to Cadets

The foul line proved to be Milne's downfall as they played host to the Albany Boys Academy on Friday, February 21 in the Page Hall gym. Both teams played a fine game, however the Raiders seemed to tire in the fourth quarter as they were defeated a 61-49 final score. The statistics gave the Crimson a four point advantage in the field goal department as they netted 22, while their opponents gathered only 18. The visitors led in the foul shot total and the point total as they scored 21 foul points to the Raiders' five.

Raiders Lead

The Raiders, after losing decisively to the Cadets in their first meeting, surprised the visitors as they darted to a 12-10 lead in the middle of the first period. The Cadets retaliated almost immediately as they tied the game at 18 apiece, and continued to score consistently They were close behind Dave with 12 points apiece.

Clarke High for Raiders

Dave Clarke of Milne capped the scoring honors of the evening as he racked 14 points in his first appearance since spraining his ankle in the game against Rensselaer. Bunny Walker of Milne, cadet Ray Mayo, and cadet Charlie Stone were close behind Dave with 12 points apiece.

Vernal Equinox Causes Writer Great Agony

By DORIS PERLMAN

According to the calendar, the Vernal Equinox has come and gone. It may be very cold, as is so common around here, or it may be only mildly drizzly and damp, but any way we say, it is spring—and so the Crimson—spring to the Latin and Spanish students—is upon us.

To the seniors, spring means that graduation is coming and soon they will leave their alma mater for good. Of course, that's one of the sad aspects of the season.

Sports On Agenda

On the other hand, spring also means that the girls' gym classes have put away the trombone and will soon put away the outsticking arms. As quickly as the weather improves baseball and softball will be on the order of the day. We have our sight against playing against the game, because we were slightly injured and permanently scarred from the round of sports last year. We hope that we have pleased the ardent fans by mentioning a little bit of American Pastime, but we're neutral on the subject of teams. (If we mentioned that we're for the Shoshoyan Indians, a lot of people might wonder: So do we.

Great Outdoors

We'll soon find the Art Room empty, the lake to the hills, or, rather, to the wilds of Washington Park. In order to sketch the lake house and other fabulous phenomena. The Math department will get out the red-and-white poles, transits, and protractors, go out on campus, and start measuring things—preferably flag poles. Washing­ton Park will lure them, also, as they attempt to find out the distance across the lake. We thought it truly fascinating when we studied it, although our marks were no indication of this fact.

Science 10 classes will journey to the Six Mountains, if they have not done so already, to obtain bugs and protozoa to gaze at under the microscopes. Nasty little mon­sters aren't they? (Of course we mean the bugs.)

Clothes Problems

To most of the girls, spring means new clothes. This year, fashion decrees tiny waists accentuated by very full skirts. The silhouette is if you can't breathe. The bone corset out of the attic. Then really lovely, and all you have to do to acquire it is to starve yourself, aren't they? (Of course we have not done so already, to obtain indications of this fact.

Pastime, but we're neutral on the mention of the Great American
dances. You've been wonderful

citations. You've been wonderful

readers. ,

Vernal Equinox

F.H.A. Lays Plans For Fashion Show

The F.H.A. has just completed two luncheon parties at which all members were included. At the first, they discussed their plans for the future. The meals were both cooked and served by the Home Economics girls.

The F.H.A. is also planning a membership campaign to encourage the freshmen girls to join, so they are ready to take over the jobs as leaders in the organization.

The mothers of all the F.H.A. girls will be invited to this, where they will view a fashion show. The girls will model clothes that they made themselves.

The next thing on the program for F.H.A. is the election of officers.

This will take place sometime in the near future. The new president, and other candidates will be chosen, and the organization will choose, will travel to Glens Falls for the area meeting, and then to Morrisville for the state meeting.

Rainbow Set Theme At Council Hop

Dick Edwards, president of the council, reports that plans for the Junior high formal are progressing nicely. The dance will be held inIVE event Hall in the Schenectady High School.

The theme for the formal will be rainbows. Anne Strobel, secretary of the council, added that the council has not, at the present, engaged a band.

The council treasurer, Danny Wolk, reported that the council intends to spend the rest of their al­lowance on the formal. Most of this money will be used to hire a band.

Class Tours Stores

Tuesday, March 11, members of the mechanical drawing class of the Milne school took a field trip to the Furniture store and May­fair Furniture store. Mr. Cowley, head of the Art department, accompanied the group. They went for the purpose of studying home plan­ning and architectural drawing.

They saw how a manufacturer produces custom-made furniture. The pupils also observed the design and various designs of pieces of furniture.

Those attending the field trip were: Roger Comfort, William Brady, Bob Norris, Sheldon Schneider, Peter Dunning, Dick McChesney, Bob Dorin and Carl Becker.

Things to Come

Saturday, April 5

GW-B&D Dance 8:30-12:00, Page Hall gym.

Wednesday, April 9

Outing for Easter recess.

Monday, April 21

Milne opens.

Saturday, May 3

Junior Prom.

Friday, May 9

Report cards distributed.

Dear Chris,

The class of 1949 gave to the seniors a bronze plaque as their senior gift. Every day I go into the main office and this plaque is hanging against the wall.

I was under the impression that this plaque was to be put up to identify our school. It's been three years since this gift was given. Why isn't it up?

I'm sure the students would be proud to see this beautiful plaque in front of school. Is there anything we can do as seniors to help?

Sincerely,

(Name submitted)

Club Ends Project

Miss Wasley stated that the French club has just finished their project of making a French civilization game similar to the American version of Bingo. This game will be played in French club every Monday from 2:29 until 2:45. Everyone is welcome to play.

Miss Wasley said she is planning, that in the future, every member of the French club will have the opportunity to tape record French songs and dialogues.

Senior Student Council

Revises Constitution

The Senior Student Council is revising the constitution. Dee Parker, president of the council, Wesley Becker, Robert Page and Mike Myers are on the committee.

The assembly committee must pass prospective assembly programs. This committee is made up of two students from the senior high and two students from the junior high.

The council is also discussing whether or not to have dancing after the basketball games next year.

We of the Crimson and White, on behalf of the Milne students, extend our kindest sympathies to Miss Florence Potter on the death of her sister.

Societies Plan Dance

The societies are planning the Q.T.S.A. dance which will be held on May 3, in the gym. The dance which is formal, will be held at 8:30 p.m. to 12:00 a.m. The dance is to raise money for the Q.T.S.A. scho­larship that is presented to a senior in June.

Quin and Sigma are also plan­ning the officers installation banquet that will take place in the near future. The banquet will announce the new officers of the societies.

Lab Makes Lotion

Senior girls of the chemistry class have made hand-lotion as their project under the direc­tion of Mr. Francis Harwood, Science supervisor.

Next year the Science depart­ment expects to purchase a home­maker with which they will be able to make toothpaste, shoe polish, frosting, and other similar products.

Miss Murray received a bottle of the hand-lotion as a gift from the girls.

BEVERLY McDOWELL

Remember Ellie-May in the senior play? Beverly Dowell played the part. She is the last girl that this year's staff is going to spotlight. Beverly was born in Memorial hospital on April 5, 1934. She has lived in Albany since then.

After attending F.S. 22 and Philip Livingston junior high school, Beverly came to Milne in her sophomore year and became secre­tary of her homeroom.

In her junior year, Beverly was homeroom representative to the senior student council and a gradu­ation usher.

The senior year has held many fond memories for Beverly, for she is mistress of ceremonies of Quin and president of the Future Home­makers of America.

Beverly says she is planning to work in the Telephone company.

Beverly uses five feet seven inches for swimming and other sports. She also likes jazz. One of her main interests is Siena.

"Milne is a swell school. The kids are wonderful. The only thing that is hard is the thought of leaving," commented Beverly.

ELLIOT LIVINGSTON

In our final issue, we are spot­lighting the "Class Clown" of this year's seniors.

Elliot entered Milne in his sopho­more year, which naturally put him at the disadvantage of missing three glorious years with our class. It certainly didn't take much time for him to become known as a definite individual. His wit(?) and friendly personality soon made him an im­portant figure in the class of '52.

"Elliotto," as he became known to the members of the senior play cast, was one of the Family Tree. His add-libs and rearranging of the script made the- play rehearsals something to be long remembered. Besides the play, "Elliotto" is man­ager of all sports, and belongs to the B&C, C&W, Theseum, rifle club, golf team, and the French club.

Our young comedian has a tooth­ling for spinach, and an unexplain­able attraction for girls in general, and Dagmar in particular, also a favorite saying of "Look out stranger, I'm a Texas Ranger."
