Choirs, Band Perform

By CYNTHIA BERBERIAN

Milne had not seen a concert by its students and in her halls for three years, but on May 28, 1952, the music department, under the direction of Dr. York, Jr., presented a music assembly.

Junior Choir Program

The junior choir sang three numbers destined to be a success with teen-agers. The first of these was the "Wedding of Jack and Jill." It might interest you to know that the whole mood of this piece was changed the day before the performance, and Dr. York thinks they were "very sharp characters" to have picked it up so well. They were accompanied by Charles Berberian.

DeFalla, performed by Cynthia Berberian

"An excellent addition to this fine program" was the concert piece, "Ritual Fire Dance" by Manuel DeFalla, performed by Cynthia Berberian.

The conductor took up his baton to lead the band in the concert overture, "The Prince and the Jester," arranged for the band by Irving Cheyette, previously one of Dr. York's professors at Syracuse University. Jerry Hanley played the solo parts and did a fine job.

From this point on, all the music was taken from the Friday morning television program for the Milne Latin department. It was used by the Milne Latin department, put on by the Millettes, who have been so well coached by Mrs. York, and have brought much recognition to our school, opened this part of the program with a Fred Waring arrangement of "There Are Such Things." They were accompanied by Cynthia Berberian.

About both choirs, Dr. York said, "They have achieved a type of infection and expression that few choirs in Milne have done."

Senior Choir Performs

A rhythm and rhyme version of the old nursery favorite, "Mary Had a Little Lamb," was the first selection of the senior music department. For their next number, the choir sang the Scotch tune, "Comin Thru the Rye." Their able accompanist was Charlie Moose. "On Top of Old Smoky," a song which headed the Hit Parade last year, was next sung with a tenor solo by Leonard Ten Eyck. This is the first time we have heard him sing--like his voice changed. To sum up the performance came "De Gospel Train."

Dr. York's opinion on the concert was, "Both Mrs. York and I were very much pleased with it, and we want to take this opportunity to congratulate each participant for his or her performance."

Latin Students Appear On TV

On May 23, from 11:00 to 11:30 State College participated in a television show at WRGB. Part of the time was used by the Milne Latin department. During this time Dr. Florence Raanes, head of the Latin department, Christine Beem, Joan Callahan, Bob Dennis and James Whitney took part in an excerpt from a typical Latin class.

Class Discusses Mottoes

This class consisted of a discussion of Latin mottoes and English derivatives from Latin words. The mottoes discussed were as follows: those on the back of a dollar bill, "Annuit Coeptis" and "Novus ordo seclorum," which mean respectively, He (God) hath smiled upon our understanding, and a new cycle of generations; the motto of Metro-Goldwyn-Mayer, "as gratis artis," art for art's sake; and the mottoes of Columbia University, "State College, and Hunter College.

These mottoes were set up on posters made by Ellen Seigel, Doris Perlman, and Anna Flax. A new cycle of generations;

Spataro To Play

Jimmy Spataro and his orchestra will furnish the music. Pictures of the affair will be taken by the Porskin Studio. Paul Vogel is chairman of the committee that took care of the arrangements for the ball. Also on the committee are Cynthia Tainter and Arthur Fredericks.

Commencement To Conclude Activities

Commencement exercises for the class of 1952 will be held in Page Hall auditorium on Friday evening, June 20, at 8:15.

Seniors To Have Banquet

Graduation will be the climax to a fortnight of parties. The first of these will be the "Old Senior Banquet," which will be held in Brubacher Hall on June 7. The seniors will dine royally on a steak dinner. The committee in charge of details for the banquet consists of Elliot Livingston, Barbara Van Dyke, and Marcia Halineck. Jerry Hanley is chairman of this committee.

The Senior Ball is the next highlight of graduation week. It will be held in Brubacher Hall on June 13, from 9:00 to 1:00. Miss Haines, Miss Carmon, and Mr. Montgomery, senior home room supervisors, will be chaperones.

COUNCILS OF 1953

Congratulations to the new Student Council officers in both of our councils! We know that you will carry out your duties and live up to the confidence placed in you by the student body.

It is the right of every citizen in a democratic nation, such as ours, to take part in running his government. Students of the Milne School also have the right of electing their representatives to conduct the affairs of the school. They have used this right by electing these new officers to the council.

You are the leaders of the Student Council, and it is your job to make the Council a strong and active organization. We wish you the best of luck in the coming year.

The one, the only, the wonderful Mr. Billy Eckstine has a new one that really sounds, "Kiss of Fire." Mr. E. has been idle as far as waxings go for the past few months, waiting for the right tune. We think he's found it.

Over the Memorial Day weekend the "Cassymrilions" went swimming at Glass Lake. In case you can't figure this out, the name refers to Cassidy, Meyers and Billon of the junior class.

If you saw Johnny Ray at the Army, you'll probably never forget it with all the yelling and screaming going on. It was hard to tell when he was singing because the crowd were screaming. Any- way, Milnites turned out for this occasion. Carole Jean Foss, Norm Briggs; Jay Eisenhart, Bob Page; Ed Bigley and Pat Canfield. Pat was so shocked by seeing Mr. Ray in person she fainted.

March Haltemeck and Jane Carlough are going to have parties for the senior class after graduation.

Some of the kids that will attend are: Carolyn Kritzer, Ronny Thomas, Jane Carlough, Bob Page; Mary Alice Leeto, John Bing; Penny Thomson, Clarke Cook; Mickey McGrath, Dave Brown.

The Junior High Formal was a gala affair. Honey McNeil and David Neville presided over the dance: Carol Newton, Eugene Blaby; Sue Powell, Tommy Meyers; Carol Stein, Louie Hauf; June Eisenhart, David Donnelly; Ellen Hopper, Bob Horn; Nancy Jeram and Richard Keifer went to Howard Johnson's after the dance.

Boy Scouts were seen rowing across Lake Champlain. The reasons why? Harriett McFarland and Ruth Dyer were visiting Nancy Trip's camp on Lake Champlain over Memorial Day weekend.

MILNITES EDGE A. P.

Clark, Wade
Spark Victors

By DON SMITH

In the closest game of the year, the hard fighting Milnites took a decisive 7-3 decision from Averill Park at the Parkers' diamond. The contest was a real thriller as the visitors were forced into extra innings to register their victory.

Bill Wade, shifty Milne second baseman, sparked Milne's triumph. Doug Billion strolled second, and went to third on a fielder's choice. Next up, Dee Parker, slammed a long fly ball which drove in the first run of the ball game.

Averill Park retaliated with a run in its half of the first inning as Gene Birman sluggered a double into left field, scoring the runner from first base.

Don Coombs began the second inning with a "Texas League" single followed by Bill Wade's double, scoring Coombs.

Neither team scored again until the fifth inning, when Jud Lockwood led off with a walk and stole second. After going to third on a wild pitch, Jud scored on a Dave Clarke single.

Parkers Retaliate

With the score 1-1 in favor of the visitors, the Parkers added a single run in the fifth and sixth frames to send the game into extra innings.

The Crimson captured victory as they accounted for four runs in the ninth inning. With one out, Bill Wade singled, and Jud Lockwood drew a walk, and Bunny Walker beat the throw to load the bases. Errors by the second baseman and the catcher accounted for two runs followed by Bill Hayes' single which drove across two more. Parkers failed, and the final tally remained Milne 7, Averill Park 3.

Dave Clarke, Milne lefthanded hurler, struck out six and walked only three, as he was credited with his third win.

Parkers Suffer, 7-5

In their third home start of the season, the Red Raiders led by Bunny Walker tripped Averill Park's Indians, 7-5, for Milne's second win.

The Milnites started things off with a bang in the third inning as the first three batters all collected four runs on three hits. After pitching two quick scoreless frames, starting hurling, Dave Clarke, couldn't seem to find the plate, and although he did not allow a hit the Parkers scored five runs before Bunny Walker could put out the fire. With Averill Park leading. 5-4, and only two outs, Clarke gathered the storm and tied the score and then scored one run in each of the last two innings to go ahead and win 7-5.

Four Juniors who held regular positions on this year's Varsity Squad are shown here in action. They are top: (left to right) Bunny Walker and Bill Wade; below: Don Coombs and Doug Billion.

Red Raiders Rout B. C. H. S., 6-3

For their fifth win, against four defeats the Milne Nine whipped the Bethlehem Central "Eagles" 6-3 on Monday, May 26, at Ridgefield Park.

Walker is Winner

Milne's starting pitcher, Bunny Walker, turned in a very fine performance racking his second win of the season as he went the complete distance. Walker allowed only four hits and three walks while gaining six strikeouts.

Raiders Rally

The Milnites, who were never behind during the entire contest rallied in the second inning scoring four runs on four hits and two errors. The hits were credited to Milus, Coombs, Dee Parker, and Walker. Art Meltus got the biggest hit that inning as he led off with a long double to center field.

The visiting Eagles showed signs of resistance in the sixth inning as they came within one run of tying the score. Their three runs were scored on two hits, one by catcher Shrodtch, which drove in two runs, and another by Sutford which drove in the remaining tally.

Victory Insured

With only a slim one-run edge the Raiders insured victory in the sixth frame by scoring twice. Bill Wade, Milne second baseman, singled driving in Bill Hayes and Doug Billon in the seventh and final inning the visitors retired in order, climaxing Milne win number five.

"Jud" Baffles Cadets

Milne's seventh game was a 10-4 setback by Albany Academy. Jud Lockwood was the feature performer of the day as in four trips to the plate he slapped three singles and a double.

Raiders Trip Rams

In a tight battle, the Milne nine captured a 2-1 decision from Van Renseller on the Ram's diamond. The Renseller nine got off to a fast start in the bottom of the first inning, scoring their lone run of the game.

Milne retaliated in its half of the third inning. Milne's lead-off batter walked and later stole second followed by Doug Billon's long double, driving in the Raiders' first run. Next up Bill Wade singled through the infield driving in Doug Billon with the second tally.

From then on, neither team scored with Dave Clarke holding the reins allowing the Rams five hits, while striking out six and walking two, for his third win this year.

Looking back into the record book we see that this was the first time the Crimson has taken a baseball game from the Rams in five years.

After the game Coach Gragan said, "We've finally broken the Renseller jinx."

It was the third win for the Raiders against three losses for the 1952 campaign. The Crimson has won at least one game from each rival this year.

On May 22 the sixth annual Mother-Daughter Banquet was held. Yes, Miss Murray finally let us in on all her little surprises. All the senior girls attending the banquet were given corsages of red roses. This was because when Miss Murray came to Milne the present seniors were seventh graders. Will you do something nice for next year's seniors if you will? I promise not to call you by your nickname?

If you happen to see an unknown species of the animal kingdom in Miss Murray's office these days, don't be frightened. It's only the J.V. cheerleaders' new mascot which was acquired at the banquet.

Awards

One of the events which many of the girls were waiting for was the distribution of the different awards. G.A.A. emblems were given to the girls who had earned three athletic credits, chenille M's to those who had 10 credits, and honor pins, the highest award that a girl can receive at Milne in athletics, to the girls who had earned 30 credits. The awards were given to the new members of the Varsity cheerleading squad. Judy Jenkins is Reigning Miss Milne this year because of her chenille M's which is very unusual because they are only eighth graders.

Congratulations!

New Officers

The moment for which everyone had been waiting finally came when Miss Murray introduced the officers and class representatives for next year's council. I would like to take this time to review what Allison Parker on assuming the job as president of the council. I am sure that the officers and class representatives are as follows: Allison Parker, president; Beryl Scott, vice-president; Honey McNeil, secretary; Sally Simmons treasurer. The class representatives will be: 8th grade, Eleanor McNamara; 9th grade, Mary Killough; 10th grade, Sheila Fitzgerald; 11th grade, Nancy Redden, and 12th grade, Judy Behymer. The business manager will be "Buzz" Sternfeld, and the office manager will be Ann Crocker. It certainly sounds like everybody is going to be happy, and I'm positive they will do a terrific job.

To top off the evening, Miss Murray showed slides of the Worlds Fair from her own personal collection. She also distributed the Senior Citizens' badges to the seniors if we all promise not to call them "Senior Citizens".

Milne Activities Affected by Spring Weather

By JERRY HANLEY

As we near the end of this school year, you can really notice an increase in activity around the campus. There seems to be more life in everyone these days and they are all busy doing something.

Weather Causes Changes

The weather seems to be responsible for quite a few of the recent changes. On any good day during the week, and on weekends too you can see boys playing baseball in any spot that is large enough. The tennis fiends can be seen practically anytime trying to get that serve just a little better.

Have you noticed too, how the boys in Friday afternoon gym classes seem to pull off some of those hard-hit softballs into deep center field? Just show me the guy that really thinks baseball is the national pastime.

Graduation Is Big Event

Graduation is the big event now, though. This year's crop of seniors really seem to be downhearted about leaving Milne. I guess they just don't realize what an easy time they're going to have after they leave.

Graduation has really affected the music department too. All of Mr. York's pupils hum graduation numbers in their sleep now.

Homework Seems Longer

It's funny, but everytime there is a burst of extra curricular activity the teachers must get together and decide it is time for a burst of homework too. This time seems to be no exception. Of course, everyone is reviewing and getting ready for finals, and maybe regents, now. It's really fascinating, tall and stout, insted of unusual things that you can learn for the first time when you start reviewing. For instance, did you know that there are six million, two hundred and eighty thousand electrons in a pound of electricity? There's really no end to the amount of useful little items like that which may be found in a review book (if you are the type that actually reads a review book).

Summer Jobs Sought

Everybody seems to be looking for summer work now. Even the girls are looking for ways to get a little lost this summer. Maybe they're planning to foot the bill on some of their dates this year. After all, it is leap year you know.

There sure seems to be a variety of jobs, though. Some people work for stores, on farms, and even for the state.

I was reading an article a while ago about the way some kids make $500 to $2000 a summer, I'd like to know how they do it.

By the way, if you happen to know of anyone who needs an expert on Taxicab Knowledge this summer, just send him to me.

In closing this column for the summer, I would like to say that I'm really anxious to get back to work next fall. I'm afraid that I couldn't quite keep a straight face, though.

CLARE MARKS

Claire (Hildegarde) Marks has held many offices in Milne. These have been homeroom treasurer for four years, librarian for the choir, staff member of Bricks and Ivory and Crimson and White, vice-president and mistress of ceremonies of Sigma, graduation usher '51, and a Milnette.

Claire likes T.V.'s "I Love Lucy." The zany personality of the red-headed actress matches Claire's fun-loving, crazy character. Claire also has "gobs" of love for the Navy, seventh graders, and rides in Dee's convertible-top down, "s'il vous plaît.

She dislikes boys who drink (water?) and crossing streets.

Claire will undoubtedly rise to great heights in her career. After completing two years at Green Mountain Junior College she hopes to become a tight-rope walker.

EDWARD BIGLEY

"C'est la vie!" Such is the favorite expression of one Ed Bigley.

"La vie" at Milne has held many responsible jobs for this garcon. Manager of football and baseball teams, member of freshmans and J.V. basketball squad, member of Varsity tennis team, sports editor of Crimson and White, vice-president of the music council, president of the band, graduation usher '51—these are the positions which have been held by Eddie.

Monseur Bigley likes "beaucoup" pizza and the "W.T." near girls' so-la-la and ze green eyes. He dislikes boys who indulge in alcoholic beverages.

St. Lawrence will prepare Edward for his life's ambition which is, by the way, to be a beachcomber in Africa. Eddie apparently also wishes to be an exchange student during these college days, for he hopes to be sent to France in a ten-dollar Care package. Eh Bebe, bon voyage!

FAYE KELLER

Faye was born November 7, 1934, and after attending schools 16 and 23, she entered Milne. Faye is a member of Bricks and Ivory and Crimson and White. She became recording secretary of Bricks and Ivory and wrote Who's Who. Last year she was Times-Union Youth Reporter and writer of this column.

At graduation Faye was chairman of cups and gowns, headed the decoration committee, and served at the senior ball. She also joined Tri-Hi-Y. She ushered at the senior play and was co-chairman of the food sale for the Card Party.

Some of Faye's likes are good food, music, and doing things for other people. Her one dislike are loud boys.

Faye received a $500 scholarship to Russell Sage College. She plans to major in nursing. Good luck Faye, but don't poison anybody.

FRED CORRIE

Fred was born June 3, 1934. He attended School 19 and Albany Academy before entering Milne. He began in the seventh grade by becoming a student council representative. Then Fred played on the basketball and baseball teams. Fred became a member of Theuseum and Hi-Y. He was also treasurer of Hi-Y this year. We see Fred standing in the hall directing traffic for the traffic squad. Fred was also a graduation usher and chairman of refreshments for the Alumni Ball in his junior year.

This year Fred was Business Manager and Assistant Editor for Bricks and Ivory. He was voted class wolf and second best story teller and best dancer. Fred has many likes including soft drinks and Winnies Tea Room. I'd also advise you never to ask Fred, "Have you got the car this afternoon?"

After graduation Fred plans to go in the Navy and serve his country. Ahoy, sailor.
