Christmas Carols
Set Holiday Mood

The traditional Milne Christmas program was held this morning in Page Hall auditorium. Mistress of Ceremonies, Miss Margaret Webel and her "angel" helpers were all dressed in white. The audience sang "Deck the Halls" and "Jingle Bells." Next, Ginny announced "White Christmas," and "Winter Wonderland." Shirley Venderburgh took the spotlight and played Chopin's "Walse in E Minor." After Shirley's piece, the audience sang "Silver Bells" and "Santa Claus Is Coming to Town."

Juniors Plan "Crystal Ball"

"Zeta Sigma Installs Girls"

"Zeta Sigma Installs Girls" This shout and "Zeta Sigma Literacy Society," decided to give an installation banquet in honor of its new members. In the result of many hours of labor, a successful Alumni Ball was held on Friday, December 17. The decorations were made under the direction of Sheila FitzGerald and members of the junior class. The theme, "Crystal Ball," was derived from this unusual event. The decorations were made under the direction of Sheila FitzGerald and members of the junior class. Polio Foundation
Sponsors Contest

The National Foundation for Infantile Paralysis begins its March of Dimes program January 1st and extends through the thirty-first. This is the high school drive. One of the main features of the 1956 drive is the March of Dimes Editorial Contest. This year, the contest is designed to stimulate the thinking of high school students in (Cont. on Page 4)
Merry Christmas

Each year the Crimson and White does me the honor of asking me to write a Christmas editorial, and I am always pleased to take time at this busy season to do so because it lets me say, "Merry Christmas," from the staff to each Milnite before we separate for the holiday season.

One of the interesting and commendable practices which I was pleased to find coming to Milne was that some thought was given to the significance of each holiday during the school year, instead of simply regarding them as days off from school. Your custom of each homeroom adopting a needy family with whom to share some of your good fortune at this time of the year shows that Milne students do know the real meaning of Christmas and have the maturity to do something about it.

The greeting of "Merry Christmas" spoken to you in the halls, or sent to you in this way, is one of the outward symbols, like the lights on our trees or the gifts under them, of the real Christmas message. Let us hope that none of us ever gets too busy with these frills, which dress up and are a very important part of the season, that we lose sight of the underlying goal of "Peace on Earth, good-will toward men."

Each of us on the Milne staff hopes that each student during this busy season will find this Christmas to be truly merry and that everyone will return after the holidays with a new spirit and resolve.

Theodore H. Fossiek.

ALUMNEWS

John Murphy '54, will enter Albany State College for Teachers in February.

Alumni seen around their favorite hangout were: Toby Stone, Sally Simmons, Ginny Edwards, Margaret Moran, Bill Bullion and Fred Brunner '54. Bennett Thompson '53, Henry Cohen '53, Marcia Hallenbeck '52 and Fred Corwin '52. The hangout is "Winnie's.

A new event added this year was the senior high sports dance sponsored by the sophomores. It was well supported, so the sophs should take a bow.

Not to be outdone, the junior high also had a series of parties. Among the kids enjoying themselves at Jed Allen's party were Don Lewis, Ann Quickkington, Fred Taylor, Ann Pitkin, Dee Huhner, Bob Blady, Chuck Lewis and Judy Allen.

A get-together for the senior high was given by Macedon, Sue Powell, Al Alpert, Judy Hallenbeck, Ann Strobel, Joel Berman, Andy Stokes, Bob Knounse, Sue LaPaugh, and Andy Stokes were among the "having a terrific time kids."

A surprise show was given for Caroline Wood by Lois King recently. On hand to congratulate her were Mary Kilgough, Elsa Weber, Judy Jenkins, Connie Edwards, Ginny Pitkin, Jackie Boneyck, Ruth Spritzer, Dorothy Clizbe, and Shirley Vanderburg.

Winding up for a big breath to blow out the candles on her birthday cake amid the laughter and cheering was Pitt Schoen, Margy Fisher, Joan Pardy, Abby Perlman, Jane Armstrong, Sherry Engle, Charlotte Sackman, Betsy Price and Stephanie Condon were allprompting her.

A get-together for the senior high was given by Trudy Shubert during the Thanksgiving vacation. One of the couples seen dancing could be identified as Pete Hoppner, Diana Lynn; Paul Howard, Ginny Huntington; Barby FitzGerald (or was it Bruce?), Honey McNeil; Judy Webel, Creighton Cross; and Mike DePort and Terry Lester.

On one of those frosty days, one could have witnessed Sue Patack, Elaine Cohen, Jackie Turner, and Cynthia Berberian watching the R.P.I. hockey game.

By Sheila, Lois, 'n'Renie

Not a creature was stirring, not even a mouse

Thanksgiving vacation was made lively by many of the open houses; one of which was given by Gay Jaspert. Some of the boys and girls seen trying to learn the mambo were Elaine Cohen, Betty Korman, Carl Eppelmann, Lois Smith, Don Milne, Don Scher, Art Evans, Toby Goldstein, Dave Balm, Barbara Wolman, Elmer Gordon, Judy Young and John Willtrott.

Another party which consisted mostly of Alumni was given by Tom and Dick Nathan. Some of the boys crowding around the pool table were, Doug Billon, Gene Cassidy, George Bishop, Dixon Welt, Bill Buillion, Marty Wolman, Bill Wade, and Jerry Hanley. While the boys chatted their cues, a group of girls made up of Mary McNamara, "Buzzi" Stenfeld, Carole Jean Foss, Mimi Ryan, Sherrill Miller, and Doris Perlman talked over the latest fads in college.

To not be outdone, the junior high also had a series of parties. Among the kids enjoying themselves at Jed Allen's party were Don Lewis, Ann Quickkington, Fred Taylor, Ann Pitkin, Dee Huhner, Bob Blady, Chuck Lewis and Judy Allen.

The Inquiring Reporter

By CAROL 'n JUDIE

Question—What New Year's resolution would you like a friend of yours to make?

This question was asked because we naturally thought everyone made at least a few resolutions with the coming of the New Year. It was fun to find out why some of the Milnites made resolutions. Here are some of the answers we received.

Johnny Jarrett: "That certain people would stop burning money from me."

Ken May: "That a boy I know would resolve to keep his pants legs rolled down."

Carol Newton: "To stop, using my own toilet paper after gym."

Doris Markowitz: "To refer all of her boy friends to me."

John Willtrott: "I want my best friend to lose his lip."

Larry Berman: "To stop stepping on my feet. They are for me to walk on.

Jiggs Englehard: "Not to tie Perry's locker any more."

Stewart Doling: "To ask me to write any more sports articles."

Barbara Ruttenber: "To pull my headseurf very gently."

Sue Patack: "Next time she dances, she should keep her eyes open."

Pat Scoons: "To buy her own lunch for awhile."

Kathy Hunter: "To pay back all half sandwiches she has borrowed."

Kurt Fisher: "To be on time in the morning for the rest of the school year."

Joyce Miller: "To slow down a little."

Arlene Heinmiller: "To arrange transportation to the basketball games."

Rus Peck: "To break them, naturally."

Barry FitzGerald: "So nosy people can ask what they were."

Jan Welt: "So nosey people can ask what they were."

Ruth Spritzer: "It is something to do to keep you busy just before the clock strikes twelve."

Ann Quickkington: "For good luck, sometimes what you resolve comes true.

Gail Westervelt: "So on dull days I can busy myself with breaking them."

Judy Young: "To relieve the mental strain placed on my mind during the rush of Christmas shopping."

Merry Christmas and a Happy New Year
Q.E.D.

Once
I met a man
who said, "Get
old St. Nick out of
your head. He's just a
lot of fantasy, and, trust me,
people soon will see that wrong
are they ................... and right is me."

I pondered this thought within my head,
and soon confusion made a bed where fantasy
and reality—were all the same. Oh woe was me.

But little then was I to know that far beyond the wall
of snow which tumbled o'er the peoples' head raced Santa
in his ............................................................ ...................... deer-drawn sled.

Now, Christmas Eve of every year gay Santa comes and spreads good
cheer. And all this goes to prove to you that when you doubt a word
untrue, good Faith in the end will come through.

BY CECIL BLUM
Stu Doling Writes Earnest
Letter to Santa Claus
As Told to Judi Weber
440 Washington Ave.
December 24, 1954

Dear Santa,

I am writing this letter for all the boys and girls in Milne. We have decided to write this letter so you can send us some teachers who can meet our standards.

1. All our teachers must be pretty. To be pretty, they must be women. Since I am a boy I can tell you that when teachers are more appealing than men.

2. Our teachers must never give us any homework on weekends. Do I have to explain this one?

3. All our teachers must know all the material in the course. This may seem to be foolish, but if the teacher does not know the material, she will not be able to answer the questions asked by the class. This is one of the best ways in which to learn and no teacher should discourage any student from asking pertinent questions in class.

4. If you have a border line mark, the teacher has the best mark. This procedure is important because if the teacher is unfair the student will not be willing to do his best in class. Since the object of school is to learn, every effort should be made to win the student over to the side of the teacher.

5. She should always have a smile on her face. I think it is very nice to come into one class and find your teacher glad to see you there.

6. She must be understanding when we turn homework in late. You know, of course, that I never turn my homework in late but it isn’t fair to punish the boys and girls who do.

7. The teacher should never make fun of any answer given in class. As I have said before the job of the teacher is to teach.

8. The teacher should run an informal class where the students can ask questions. I mean, it should be run the way they do it at school. The teacher should sit in with the students and if a conversation is easily heard by all.

You may think that this letter is on the debatable side, but you with this type of teacher would be shocked to see what kind of a school program you would have with this type of teacher.

Your buddy,
Stu.

terms of the responsibilities toward all free institutions, of which the National Foundation for Infantile Paralysis is but one.

Anyone writing for the Crimson and White paper is eligible to enter this contest. The winning entry will be written on the theme “The Magic Sword.”

Information on editorial ideas, the theme in detail, rules and data on rewards may be obtained from the March of Dimes Press Sheet, available to Milne students through the school newspaper. Remember, the deadline is January 31st, and the March of Dimes needs your support.

The Reason for Christmas

By A SOPHOMORE

Christmas fun arrives each year, with joy we greet its boundless cheer.
With its come the frost and snow, Holly, bells, and mistletoe.
People rush to buy their gifts, Christmas cards are sent in drifts.
Cheerful wreaths on every door, Excitement mounting more and more.
But as we celebrate this year, As the holiday draws near—Remember Christ is the reason for Christmas.

FHA Heeds Hospital Call

Future Homemakers of America hold their annual bake sale during lunch period Friday, December 10. The purpose of the project was to raise money for supplies needed in the making of toys and scrapbooks. These articles will be distributed to children in different hospitals.

Carol Pfeiffer was general chairman of the affair; Sandy Myers, Shirley Myers, Jackie Torner, and Elaine Lewis handled the sale of the cookies and cakes.

All P.H.A. members contributed goods which they had baked at home and girls in the home economics classes baked some delicacies here at school.

A POEM

By RUTHIE SPRITZER

Enjoying immensely a two week vacation:
Living to Santa’s specifications,
Sending greeting cards, the cheerful type of communication,
Giving the tree a complete beautification,
Peeking at unopened packages with considerable speculation,
Feasting the eyes on colorful decorations,
Young and old throughout the nation,
Are recalling the great story of which these are commemorations,
Joyously proclaiming their identification,

With the Season that needs no prolonged explanation:

IT'S CHRISTMAS

Wax Tips

By JOHN 'N JACK

What is Milne’s taste in popular music? This special feature column by John Wiltrout and Charles Currier gives you the current hit tunes and is tabulated from the Milne teen-agers’ taste in popular music, as gleaned by jukeboxes, records and radio. We will do our best to pick the top tunes, recorded by the most talented artists—you be the judges.

The number we pick to take first place is “Mr. Sandman.” This song has been very popular throughout the country for many weeks and has been done by several different recording artists. The Chordettes and PattiLookAndFeel are the most popular and at the moment are vying for top billing; our choice for those who might be searching for the best record is the Chordettes.

A disk that is just off the wax was later picked as the DeCastro Sisters’ recording of “Teach Me Tonight.” We picked this tune for spotlight number two because we feel it has the approval of America’s teen-ager crowd.

Coming up in third place is a very good vocal by Theresa Brewer. “The Naughty Lady from Shady Lane” is holding a strong stand in fourth position. The artists are Archie Blair and Ames Brothers. We’ll swing along with the latter.

“O Holy Night” by America’s boy-sox king, Eddie Fisher, is destined to become a hit. It has climbed to fifth place, and we expect to see it go much farther.

“This Year, My Heart” is an excellent vocal by Frankie Laine. Adding harmony to this sixth place song are the Four Lads.

Eddie Fisher appears again, this time with “I Need You Now.” This love song went strong for several weeks but has fallen down to seventh place.

Next time you hear your favorite Christmas carol, don’t pass it by. Here’s “The Saviour lay,” a humble manger was the bed Above the turmoil round and nigh, the Page Hall gym, December 11th Graduation.

The Saviour lay, - A humble manger was the bed
Light the world’s dark face.

With it come the frost and snow, Holly, bells, and mistletoe.
People rush to buy their gifts, Christmas cards are sent in drifts.

Christmas cards are sent in drifts.

For the Christmas mom is drawing near, On Him Whose blood for us was paid.

Now draws our daily homage, laid Above the turmoil round and nigh, The Saviour lay, -

The Saviour lay, - Above the turmoil round and nigh, The Saviour lay, -

Christmas mom is drawing near, On Him Whose blood for us was paid.

Now draws our daily homage, laid Above the turmoil round and nigh, The Saviour lay, -

Christmas mom is drawing near, On Him Whose blood for us was paid.

Now draws our daily homage, laid Above the turmoil round and nigh, The Saviour lay, -

The Christmas Season is here again, bringing with it, its joys and headaches. The sound of Christmas cards fills the air, bright decorations are hanging all over and people are everywhere at the last minute to get Christmas cards out. I speak from experience.

Perhaps it wouldn’t be a bad idea if during all this helter-skelter rush, we all stopped for a minute to think about other people in other lands. All over the world people are drawn together during this happy season.

Cards Bind People of Many Lands

I’d like to share one of my experiences with you. While I was in Switzerland this summer, I stayed in an International Camp. One day we were playing a game similar to a treasure hunt. Some of the challenges my team undertook were to take some natural materials that we found in Europe, make a hat out of them, and sing a song. The whole team was supposed to follow along since the same theme and sing the same song. In our group we had about ten girls from Denmark and Norway, nine of whom couldn’t speak English. The one girl who could acted as interpreter. The rest of us, a girl from England, two from Germany, and myself could only speak English.

Fir trees happened to be along the route so we chose these and tied branches together. By placing these, invented, on our heads we had hats resembling Christmas trees.

Through our interpreter it was discovered that since the Christmas carol “Silent Night.” We couldn’t speak to the Danish and Norwegian girls because of the language barrier. We could sing with them because of Christmas.

Next time you hear your favorite Christmas carol, think of other people all over the world who sing the same song. In this way we will be fulfilling the ancient spirit of Christmas: Peace, good will to men.

Sophs Give Dance

The sophomore class put on a dance called the “Square Fair, Sing or Drug” that was held for their graduation. The dance was held in the Page Hall gym, December 11th from 8 – 11. It was a spectacular dance to which the juniors and seniors were invited.

On the dance committee were Irwin Scher, Terri Lester, Carolyn Malo, Ken Jarrett, Al Abbot, Bill Englander, Ginny Huntington, Dave McDaid and Ellie McNamara.

The decorations were red and white airbrushed trees, the refreshments consisted of soda and cookies.

Chaperones for the evening were Miss Miller from the English department, and Mr. Edward Fagan of the English department.

CHRISTMAS IS WORLD-WIDE

Milne Splits League Tilts

BCHS Victors

The Bethlehem Central Eagles handed Milne its first league loss by topping the Red Raiders 53-43 in a close contest on the Page Hall court.

Milne Takes Early Lead

The first quarter started with a bang as Joel Berman sank two jump shots before the Eagles from BCHS had a chance to score. BCHS tied the score, only to see Tom Foggo sink two foul shots and a field goal setting Milne again in the lead. The Eagles rallied back to tie the score 9-9. Milne's Joel Berman then broke the deadlock with two foul shots, which was followed by a field goal by John Houston. When the buzzer sounded ending the quarter, Milne held a two point lead, 11-9.

Lead Changes Hand

In the second period the game remained close with the Orange and Black tying the Milnites 13-13 and again 17-17. The Eagles continued to score and grabbed the lead before the period ended leaving Milne trailing by two points, 21-19.

Starting the third quarter right, Russ Peck sunk a field goal, once again marking the score even. The Eagles then began a scoring spree and outscored the Spy 17-19 in the third period putting them on the long end of 38-29 score.

Milne fought hard in the final stanza, but Bethlehem Central managed to pickup one point more for their lead. As the final buzzer sounded the Eagles from Bethlehem Central had a 10 points advantage 53-43.

J.V. Outscored

Milne's Junior Varsity fought hard and grabbed an early lead, 19-4 as Carl Zappleman made six straight foul shots. However, they were outscored in the remainder of the game by the Bethlehem Central jayvees as the Eagles won 45-35.

Shen's Swamped

Four Milne players hit double figures in a clash with Shenendehowa as Milne overpowered this new team 79-52 on their court, December 3.

In the first quarter Shenendehowa and Milne played almost even, as they tied 13, 9, 11, 12 and 12 up. Milne then scored four points to end the quarter, 16-12. Milne increased its lead from four to sixteen points in the second quarter as Milne sank nine field goals and six free throws to make the score 40-24 at the end of the first half. During the third quarter Milne continued its scoring to lead by four to the long end of a 63-35 score before the last period began. The final score showed Milne 77 points to Shen's 53.

Larry Genden was high scorer for Milne with 17 points. Russ Peck and Paul Howard had 12 apiece and Joel Berman checked in 11. Chuck Everts for Shenendehowa was the game high scorer, aiding his team a tense moment in the BCHS game as John Houston dribbles down the court as Pete Hopper (No. 4) and Russ Peck stand ready to help their teammate.

Cobleskill Wins

After a close half the Cobleskill Red Devils took a commanding 10 points lead in the third quarter to sink the Red Raiders 71-61 in Page Hall Gym. The win was Cobleskill's second of the season.

First Period Close

In the first quarter Russ Peck picked up the first three points of the contest with a field goal and a free throw. The score see-sawed back and forth, both sides scoring freely. At the end of the quarter Cobleskill was one up 20-19.

Defenses tightened in the second period, but Larry Genden managed to score eight points for the "young pros," keeping Milne in the running. However, Cobleskill still held a lead of three points, 39-36.

Third Quarter Fatal

The Milnites racked up three quick points, after Cobleskill scored at the start of the third quarter, to close the gap to two points. However, the Red Devils kept up a fast pace while Cobleskill's tallying dropped. At the end of the quarter the gap had widened to 10 points, 33-43.

The Cobleskill eagles sustained their lead in the fourth period. The "young pros" had spurted of scoring, but never could get within 10 points of the Red Devils. The final score showed Cobleskill winning 71-61.

Miline Players Hit Double Figures

Larry Genden was high scorer for the Milnites with 18 points. Russ Peck and Tom Foggo both tallied 13. Chuck Kenyon of Cobleskill was the high scorer for the night with 22 points.

J.V. Downed

The jayvees, led by Dave Quickenton with 16 points and Ron Kellis with 12, downed the Chatham team 62-52 for their first win on November 29.

Milne grabbed a quick lead to be on the top of a 22-15 score at the end of the first quarter. The Raiders scored 17 points to Chatham's 9 in the remainder of the half. Larry Genden rallied to score seven of Milne's points before he fouled out early in the quarter. At the half Milne held a decisive 15 points lead, 39-24.

The second half began slowly as the Milne squad could not find the range. The Chatham club played on-their toes ball and picked up 16 points to Milne's four. Paul Howard hooped in all four Milne points of this quarter as it ended with the Raiders lead cut down to four points, 43-39.

Miline Rallies to Victory

In the final stanza, the game remained almost even until the five minutes mark passed. Paul Howard then sparked an attack with jump shots and foul shots as the Milne squad pulled into an eight point lead. As the final seconds ticked by, Bruce Fitzgerald helped the team with five foul shots. The game ended with Milne on the long end of a 62-55 score.

Three juniors led the Red Raiders scoring attack. Russ Peck, a Milne 6-2" hooper scored 16 points. Bruce Fitzgerald tallied 13 and another 6-2" junior, Paul Howard, followed closely with 12 points.

J.V. Also Victorious

Earlier the jayvees, led by Dave Quickenton with 16 points and Ron Kellis with 12, downed the Chatham team 44-26. The Frosh, though, were crushed by a taller team, 41-22.
SANTA CLAUS TO ARRIVE BY JET PROPULSION

BY ALMA BECKER

"Santa Claus is coming to town?" Yes, in another week, fat ole Santa will be sliding down our chimneys once more on his annual visit. There is a question in everyone's mind. Will Santa keep his tradition and bring Rudolph and his reindeer along or will he have his sleigh converted to jet propulsion the way that they thought of what chimneys is in shambles, you will know for sure that Santa converted and gone high enough. The clutter might not be on the ground this year but might be on the food as the bricks and mortar are reduced to their original state! Also if you hear obscene language coming from your chimney, you'll just be sure that Mrs. Santa Claus didn't succeed in getting her husband on theubby hobby diet.

Santa Returns To School

Poor Santa, did you know he has had to return to school to learn how to make some of the new toys, and what institution of higher learning would he pick but Milne! Yes, Dr. Moos and Mr. Harwood have given the families of this sen- gient, high pressure graduate trainee in the field of atom splitting so Santa can produce his new "Atom Set" which is an outgrowth of the chemistry set. The two members of our faculty become rather disturbed when they thought of what little "Dennis the Menace" could do with this new set. In the past few years, parents have smelled weird odors and experienced explosions when Santa left a chemistry set around or will he have his sleigh sliding down our chimneys once more on his annual visit, will Santa keep his tradition and bring Rudolph and his reindeer along or will he have his sleigh converted to jet propulsion the way that they thought of what chimneys is in shambles, you will know for sure that Santa converted and gone high enough. The clutter might not be on the ground this year but might be on the food as the bricks and mortar are reduced to their original state! Also if you hear obscene language coming from your chimney, you'll just be sure that Mrs. Santa Claus didn't succeed in getting her husband on theubby hobby diet.

Also if you hear obscene language coming from your chimney, you'll just be sure that Mrs. Santa Claus didn't succeed in getting her husband on theubby hobby diet.

Big Question Enters Mind

There is another big question in our minds. Will Santa remember all our greatest faults! His favorite saying is, "I can't remember all of you!" He keeps his eyes on the reindeer, not the kids. "Honey" was born in Albany, June 13, 1937. She came to Milne in the seventh grade from the schools where several other times have students been taught. "Honey" has a busy life keeping up with all of her activities. She is secretary of M.O.I.A. in her sophomore year and is now president of the Cliques Club, a branch of the Briars and Ivy literary society. She has been a cheerleader for both the Briars and the Ivy and a member of the Black and Blue Key, the college sorority. She is a member of the Phi Delta Kappa. "Honey" has two brothers and two sisters and has spent her whole life in Albany.

Senior Spotlight

By ANN 'N' DIXON

SARA SEITER

Right in the middle of our freshman year we were surprised with a brand new addition to the class of '38, and what addition! Born in Syracuse, Sara Seiter hailed from Binghamton, but went to Milne three years ago. In her junior year, she was elected Tri-H-Y President, an honor she considers one of the greatest in her life. Sara is a member of Sigma Delta Tau and a Minnegette.

When asked what event on campus most "DeDe's" ever will remember, the answer was "the end of the year." Sara has "DeDe's" eyes in her hair. "DeDe's" are good parties and certain things she should do then they'll send her "DeDe's" at time or another, you've heard her say, "Let's do something!" Sara would like to become a medical technician, visiting the hospitals. She wishes to travel and to see the world, to be a doctor and to take care of people. She hopes to take science courses at the University of Buffalo, or Case and Tarland.

VERONICA MCEILL

Gracing our columns this week is none other than Veronica Mceill. "Honey" was born in Albany, June 13, 1937. She came to Milne in the seventh grade from the schools where several other times have students been taught. "Honey" has a busy life keeping up with all of her activities. She is secretary of M.O.I.A. in her sophomore year and is now president of the Cliques Club, a branch of the Briars and Ivy literary society. She has been a cheerleader for both the Briars and the Ivy and a member of the Phi Delta Kappa. "Honey" has two brothers and two sisters and has spent her whole life in Albany.

LARRY GENED

An athlete of Milne's high school game. They're referring to Tom Fook. One of the most amiable, tallest and tallest of the senior boys. Born in Albany, "the Food", and later Milne in the seventh grade, and has been growing there since. He is sergeant at arms for this year. The "DeDe's" and the "DeDe's" works because he plays baseball, football, basketball, and soccer. A few of Tom's favorites are basketball and a certain senior at Columbus high. About sports, he says, "I love anything!"

Tommy打入s spaghetti, hotdogs, hotdogs, hotdogs, hotdog! Banana and ice cream. His favorite saying is, "I love sports and hotdogs!" He is president of the 1954-55 class, a homecoming officer for a member of the class, a homecoming officer for a member of the class, a homecoming officer for a member of the class. "Honey" has a busy life keeping up with all of her activities. She is secretary of M.O.I.A. in her sophomore year and is now president of the Cliques Club, a branch of the Briars and Ivy literary society. She has been a cheerleader for both the Briars and the Ivy and a member of the Phi Delta Kappa. "Honey" has two brothers and two sisters and has spent her whole life in Albany.

COUNCILS PLAN DONATION PARTY

The combined forces of the senior and junior student councils are plugging to raise $50 for the support of a Navajo child. The council is promoting this through the Save the Children Federation. This organization collects funds and provides aid to the children in disaster and needy areas.

Rally To Be Held

"To kick off the campaign, there will be an assembly on Thursday, January 13, with at least one representative from both the junior and senior high. After the drive is explained, a rally will be held. Following this, the students will return to their homerooms where donations will be collected.

Competition Keen

There will be competition between the senior and junior high to see which group can reach its goal of forty-eight dollars first. Each grade should raise sixteen dollars in order to meet this goal. A poster in the first floor hall will inform the students which grade is leading and how their section of the senior or junior high is doing.

The Crimson and White wishes to extend its congratulations to Cynthia Mason on winning the 1955 Bausch and Lomb Honorary Science Award Medal for achieving a scholastic record in science subjects during her high school career.
