MILNE 40
STATE 0
BASKETBALL

Basketball will soon start. Now that winter is coming, the fall sports are ending and a new gymnasium schedule is beginning. Are the games going to be like they were last year? Is there going to be that same lack of school spirit?

Our varsity teams work hard. They practice every chance they get in order to win for Milne. What do we do to help them? We do not do one thing: Milnites stay away from the games for fear they will not have a good time during the dancing. That is not being loyal.

The boys are not the only ones who strive towards their goal. The girls also have a team. When the Milne girls play in a varsity game, the only rooters that they have are the substitutes. It is not a pleasant sensation to participate in a game and to think that no one cares whether you win or not.

Think this over and don’t forget to give your support when the basketball season opens. A little encouragement on our part will do much in leading the team to a successful season.

THANKSGIVING

The long awaited Thanksgiving holidays are almost here at last. The beaming smiles and whispered "hurrahs" prove the popularity of this vacation. One sometimes wonders whether it is the turkey or the two days with nothing special to do that make Thanksgiving so intriguing.

Some of us are going to grandmas for dinner; others have a family dinner at their own home; everyone has his mouth set for a delicious Thanksgiving repast somewhere. But what of those less fortunate human beings who find themselves with nothing to look forward to except the dreary, everyday life they lead.

Think of them as you survey your Bountiful meal. Think of them as you sit, warm and comfortable at your loaded table. We hope that your conscience will be clear that you have done your part to help those less fortunate than yourself.

There are many ways in which one can aid, such as the Community Chest, the Family Welfare, different churches and organizations who send dinners and clothing to needy families. Consider what you are able to do and set out to do it.

Thanksgiving should have more meaning than just a time to over-stuff the family. You will find real Thanksgiving spirit when you yourself know that you have taken up your responsibility.
The meeting of November sixteenth opened with quotations from Mary Ann Evans whose pen name is George Eliot.

Carolyn Hausemann, chairman of the rush, made announcements concerning the rush which is to be held afternoon November twentieth, at 3:30.

THETA NU:

A basketball game between Adelphi and Theta Nu was discussed at the regular business meeting.

The members decided to give keys to the seniors at the final banquet in the spring.

SIGMA:

Quotations this week were from Conan Doyle. Virginia Kelsey gave his biography and Betty Douglas his works.

The initiation of the new members was discussed at length.

The singing of the Zeta Sigma song closed the meeting.

ADELPHI:

The Adelphi initiation was discussed and considered a success. All the initiates survived.

William Hotaling gave an interesting talk on the autobiography of Lincoln Steffens. Steffens is known as the world's greatest reporter. He was born in California and enjoyed horseback-riding and playing cow-boys and Indians.

DRAMA CLUBS MEET:

The Senior Dramatics Club held its weekly meeting under the direction of Miss Conklin. She announced the casts for the Christmas plays and appointed the committees for the plays.

The Intermediate group discussed plays and are looking for a suitable one to give for an assembly program.

FRANCOIS RIDING CLUB:

The first meeting of the Riding Club of Milne High School was held in the lounge at Troop E armory Monday, November eighth. The following officers were elected: President—Evelyn Wilber, Vice-president—Lillian Eclesheimer, Business Manager—Jane Davis, Reporter—Betty Tincher.

Poo-fi-fo-fum. I smell another exchange column. Feast your eyes upon these scintillating tidbits:

The Academic Observer, Utica, takes the spotlight with this adj.

Found—a roll of five dollar bills. Will the owners please form a line at the 5th floor entrance?

When I read the following, I wondered whether it was a wise crack or just an innocent inquiry:

Prosh: "How does it happen that all you seniors are the same age?"

Senior: "What makes you think that we're all the same age?"

Prosh: "Well you all write '37 after your name."

The next is a warning to the boys. We know a man who is getting so bald headed that he has to tie a string around his forehead to tell how far to wash his head.

Here is a sad, sad tale:

She came into the Police Station with a picture in her hand.

"My husband has disappeared," she sobbed. "Here's his picture. I want you to find him."

The Inspector looked up from the photograph, "Why", he inquired.

"I think our Milneites forgot this business."

"What's your business?"

"Crutch and cane dealer."

"How's business?"

"On its last legs."

So ends another tempting menu of exchanges.

FRANCOIS CLUB INITIATION
HELD LAST MONDAY NOON

Part of the initiation for the new members of Le Circle Francois was conducted last Monday during the weekly meeting. Marion Kosbob is in charge of the arrangements.

BILL HOTELING is interested principally in golf as a relaxation from his numerous responsibilities.

This summer he and Martin Cressy spent their vacation at the Lake Placid Club in the upper Adirondacks working as caddies on the golf club course. They returned in perfect physical condition, none the worse for wear, but stated they were disappointed as they did not get to play on the course themselves. Most of their time was occupied in caddying and when they were released they were much too tired to play themselves.

The Milne High School basketball season opens tonight when the Crimson and White squad meets the State College Freshman on the Page Hall Court.

With Bob Tarff, star of last season's quintet, in the starting line-up, the Frosh expect to have a hard time "holding their own". Captain Foster Sipperly also will play a prominent part in leading the attack. Cressy, Funk, Davis, Selkirk, Beagle, Smith, Walker and Harding will provide plenty of reserve strength for the Milne five.

Aware of the fact that they are playing thirteen games, the boys have ways of overcoming any bad luck which might arise. The old tradition of stacking hands before a game will be used to give them luck.

Following the battle with the State College Freshman, the team will journey out to Dolmar to engage with Bethlehem Central High School.

G.A.A. Discusses Varsity Games

The Girl's Athletic Club, in its weekly meeting, held a discussion concerning the support given to the girl's varsity teams. They decided that G.A.A. should turn out in a body for all games as it is the duty of this organization to promote athletics in the school.

They came to the decision that they would entertain the B.C.H.S. girls after the hockey game. The president appointed Betty Ruedemann to get oranges and lemons for the hockey games.

COUNCIL CHANGES MEETING

At the weekly meeting of Senior Student Council on Tuesday afternoon, the Council decided to change the meetings to Monday afternoon.

The homeroom representatives also decided that any member who does not attend Council meetings for two consecutive weeks will be dropped from Council immediately. If a member sends a representative in his or her place as the case may be, or the member has a legal excuse on exception will be made.

The preliminary game will begin at six thirty and the Junior Varsity game seven o'clock. Gerald Anyt will referee.
The joint assembly, held Wednesday, November 18, from 10:00-11:00 A.M., was a pep meeting. Mr. Sayles gave a talk on good sportsmanship, relating experiences at college football games which he had attended this fall. Mr. Margison, the Milne High coach, spoke giving the names of the players on the basketball team, and the positions which they held. Marion Kocbob gave a pep talk for the girls' varsity basketball team. Frances Levitz, assisted by Virginia Soper, Dorothy Harrison, Elizabeth Simmons, and Virginia Tripp, led the school in cheers, while Brud Davis was conductor of the singing.

WILLIE was being measured for his first made-to-order suit of clothes. "Do you want the shoulders padded, my little man?" inquired the tailor.

"Now," said Willie, "pad the pants."

Newly arrived Englishman (watching archery practice in public park): "I've heard that America was a little behind the times in preparedness, but I didn't know things were this bad."

"Your husband isn't working any more?"

"New, they fired him from the distillery where he was."

"What for?"

"Staying late to take stock."

THE MILNITE HOCKEY TEAM FINISHES SEASON

The Milne Varsity Hockey Team played the last game of its season against Bethlehem Central High School at Beverwyck Park last Wednesday afternoon. The Milne girls held their opponents to a 1-1 tie.

The pep meeting previous to the game brought out a few rooters. Cheer leaders led the spectators in the school cheers. After the game, the Home Economics classes served sandwiches, hot chocolate and cookies to the members of both teams.

The girls who represented the Varsity included:

Right Wing: Lillian Kohlshsymer; Right Inner, Kay Newton and Betty Ruedeman; Center, Virginia Soper; Left Inner, Betty Potter; Left Wing, Virginia Tripp; Right Half, Ruth Rasp; Center Half, Marion Kocbob; Left Half, Norma Kapewich; Right Full, Margaret Charles; Left Full, Mary Winshurst and Coal, Damia Winshurst.

On Research Papers

Research papers are so dry
Such dreadful thin's to write
Sometimes I think I'd rather die
Than sit up half the night,
I argue with my teacher,
We really get nowhere,
I tell her she is heartless;
She says that I'm unfair,
This goes on incessantly;
We never get a rest.

For all our pains we get an "F."
You'd never know we'd done our best.

The above poem is very appropriate at this time because the Seniors are writing their essays this month.
