Otto Schuler, chairman of the Theta Nu Swimmming Club announced that
the Swimmming meet will take place on Thursday, March 25, in the Jewish Community Center on Washington Avenue. It is
the day after Milne is excused for Easter vacation and will commence at 10:00 A.M.

Anyone wishing to participate should sign up on the second floor bulletin board. All contestants must bring their own towels.

HOOK, LINE, AND SINKER
It's Lice Mackerel
The lake is cool, the sky is clear,
And if you want to go fishing, dear,
It's delightful, it's delicious, it's
delovely.

You can tell at a glance
What a swell loco this is for a camp,
You can hear dear mother nature mum-
muring low
"Let your line go!"
So please be quick, my little lish,
Bite as hard as you may wish, for
It's delightful, it's delicious, it's
delovely.

Attention English students, end
you readers of good literature! I
recommend reading, Slocar the Salmon by
Williamson. Solar is an Atlantic Sal-
mon who has some experiences with fish-
ermen. It is very authentic, and is
told from the fish's standpoint.

Wild game and the unemployed are
very much alike—it's going to take a
lot of "winter feeding" to carry them
both through.

Trout Fishing Season
Only 27 more days till the opening
day of trout season. In the meantime,
look over your fishing tackle, and see
that everything is in the proper condi-
tion. I predict a good season on account
of the restocking of streams, and the
unusually mild winter.
The Theta Nu and Adelphi are more important in school activities than they have been for years. Last Saturday night their friendly rivalry was a most important item of interest in Gym night.

By the way, Gym night was pretty swell this year, wasn’t it? We’d like to see the girls and boys combine to stage a real success like this every year. The grand march was a very impressive and pleasing start for the evening and the Theta Nu-Adelphi game left everyone with an excited and keyed-up feeling.

Theta Nu’s swimming meet is a step in the right direction. All the boys in the school are invited to participate in this meet. The rivalry ought to promote a more friendly spirit among the boys. It should also pave the way to more rivalries of this kind.

The students are ready to help you put various affairs like this over, boys. It would help both your societies and your school if you would try to keep something of this kind in progress often.

COOPERATE WITH TEACHERS

Is it necessary for you to compete with the noise of the drills while you are in class? As you have probably found out it is very hard to concentrate on your subjects. Why not co-operate with the teacher and keep quiet at least while the outside racket is going on? This noise will be going on for months. If you learn to ignore it now, it will be much easier for you to pass when the tests come around.

At present, it is a little difficult to put your mind on your work, but your attention will be required before anything may be accomplished.

This is important whether you think so or not. If you care to pass this month, next month, or perhaps this year, you had better calm down.

Last Call

Tomorrow night, students, is the last call of the basketball season. It’s our last game, and what a game it’ll be. It’s with Phillip Schuyler, which has defeated us once before this season. This time we hope to take them.

Perhaps our team hasn’t done so well this year compared to other years. However, wait till you can compare next year’s team with this year’s. With this year’s experience and practice we should be able to “trim” anyone. The team this year, if it had not lost four games by one point would be doing better than breaking even.

Even though the team has had hard luck with its opponents, it certainly hasn’t with you Minites. You’ve been faithful from start to finish and don’t think you’re not appreciated! You are! The boys need your presence, and the cheerleaders are thankful for it.

So here’s three cheers for the faithful Minites, and we’ll see you tomorrow evening.
QUIN:

The meeting of March 6th opened with quotations from Amy Lowell. June Whirl gave a report of the profits from the Quin-Sigma dance.

Most of the officers for second semester were elected. They are as follows: president, Lillian Walk; vice-president, Lois Nesbitt; recording secretary, Knox; corresponding secretary, Kay Newton; treasurer, Mary Winshurst; critic, mistress of ceremonies, and reporter will be elected at the next meeting.

TEETH NU:

The members of Theta Nu held a victory party in the Annex Monday, because of their triumph over the Adelphoi basketball team on Gym Night. Dick Andrews donated a four layer cake for the occasion. Other refreshments made the dinner a success.

SIGMA:

The author for this week was Will James. Betty Douglas presented his biography.

The society voted upon going to a joint meeting of all the societies in two weeks during the regular club period.

The society voted against having a Monte Carlo party. They decided to have some type of a social get-together for the members of the society. Lucille Armett offered the use of her home for the members to hold a tea. The tea will be held April 10th for Sigma members. Martha Gordon gave a report on the Quin-Sigma dance.

ADELPHOI:

The society discussed what they were going to do in the future. There is going to be a cutting for the society members next month.

Adelphoi extends congratulations to Theta Nu for its victory in the basketball game Gym Night.

Between the drilling of the drill and the joyous Theta Nu boys, I am having quite a job trying to concentrate on my column. However —

From the Hoot Owl brilliancy rules:

Len: "This match doesn't want to light."
Joe: "What's the matter with it?"
Len: "I don't know, I lit it all right a minute ago."

Strange motorist: "Is it very far to the next town?"
Emery B.: Well, it seems farther than it is, but it isn't.

The Quill scribbles out:

"Read, is that train behind time?"
"No, it's behind the engine, sir."

The Hoot Owl hoots out with:

Titters

"Call of the Wild" - 9:00 bell
"Anything Goes" - History book report
"It's a Great Life" - Milne High School
"You May Be Next" - Chemistry class
"Lost of the Pagans" - Class of 1937
"Smiling Through" - Graduation
"His Fighting Blood" - Dick Game
"Champagne Waltz" - Milne orchestra

The Record records these kindly verses:

The Last Word

"But my reason for liking Harvard,"
Said she to a rival female,
"is handsomer (you must agree) by far,
Than your reason for liking Yale."

Well, that's all for this week,
but next week, just wait——love———
Aunt Lucy.

A Sad Story

Last Saturday night a young gentleman called for a bar of soap; I mean Super. As he was admitted sister hit him in the chin. Mother let fly with pots and pans and he was forced to stop. Father was forced to remain neutral on account of he knew what the young gentleman was going through.

Then that Bogie hound was let loose and he had just time to grip up the wind and escape. When he had effected his escape he decided that the Hotalling (whole thing) was off and he would stop pottering around.
THRU THE KEYHOLE . . . WITH HIDE AND SEEK

We're back on the job with something "new". We hope you enjoy it, dear readers. It is a Contest. Anyone in the school is eligible and we wish that you would all join. Fill in the chart below with your choice for the "honors". After you have filled in the blanks deposit your slip in the Contest box in the office. It will be on the table near Mrs. Miller's desk.

The results will be announced in this column on Friday, March 19. Deadline for entries—Monday, March 15.

JUNIORS BEAT SENIORS 11-7
IN ANNUAL BASKET BALL GAME

Last Saturday evening at the annual Gym Night the Senior Girl's team played the Junior girl's team for the basketball championship cup. It was a fast, exciting game, the score being 4-2 at the end of the first half, in favor of the Juniors, on the second half the game speeded up and ended with a score of 11-7 in favor of the Juniors. Elizabeth Simmons was the high scorer for the Juniors with 9 points and Barbara Knox for the Seniors with 4 points.

Those who played on the Junior team were: Simmons, Seymour, Tracy, and Nesbitt, forwards; and E. Winslurst, W. Winslurst, Boldernett, Charles and GMC, guards.

(continued in column two)

THE COMMENTATOR

Milne certainly saw some swell basketball last weekend with the Havana game Friday night and the Theta Nu-Adelphi game Saturday.

All these weeks I've been talking about Milne losing the last half of every game, and then last Friday we lost the first half and won the second. Milne's triumph over Havana 19-15 was indeed a surprise. It started out with Milne looking like five year olds and Havana like a college team. Old lady luck changed however, when Coach Ryan sent the Junior Varsity back to the locker rooms to put their suits on. The Varsity must have been afraid that the J.V.'s would come in and win the game because they started in to play like wild-men in the last quarter.

By far the better game was the Theta Nu-Adelphi first annual basketball ball game. Theta Nu in blue and white flashed out with a quick lead and held it all the way through. Adelphi was close behind tying the score twice, until the last few minutes when Theta Nu sunk another shot making it a total of 22-16. Bob Taft was high scorer for Theta Nu with 11 points, and Sipperley was high scorer for Adelphi with 11 points.

The game showed real sportsmanship and it was a credit to both societies, and to Milne. It is the kind of rivalry that builds character and good will toward your fellow classmates.

Theta Nu will receive a silver trophy to be presented on society day.

Here and there:—Don't forget our last basketball game this year; it's tomorrow night with Phillip Schuyler-Russell Jones and Hyde both put up a good fight in the boxing bout Saturday night. McInerney and Taskell should go over to the armory and wrestle. Start warming up your old arm if you're going out for the Milne baseball team right after Easter—well, see you.

(continued from column one)

Those who played on the Senior team were Knox, Supor, Kegovich, and Erman, forwards; and Houseman, Foster, Simpson, Reederman, and Kasboe, guards.
