
Milne’s winning streak in the basketball court was suddenly cut off at six games, when Roessleville defeated the Crimson and White team for the second time this season by the score of 21 to 16.

Roessleville’s five completely out-played Milne in the first half, at the end of which, the score was 18 to 8 in their favor. Milne came back in the second half and displayed their old form once again. The visitor’s lead was too great, however, and Milne was unable to overcome it. In the last quarter the Milne aggress rallied to within three points of their opponents, but the final whistle stopped the spurt.

Mac Hare was high scorer for Milne, accounting for eight points. Rosenstein was removed early in the game due to an injury to his arm.

CRIMSON AND WHITE
However, perhaps we are wrong in our stand; perhaps we are old-fashioned in our ideals and in our code of morals and conduct; perhaps we are behind the times in clinging to the Ten Commandments and the Golden Rule as our means of measuring the worth of individuals. But if we are, we believe that most of us would prefer to be old-fashioned, rather than adopt any more modern code, if we were lead to believe that such practices as are in vogue in Alene right now are sanctioned.

We are especially shocked at the tremendous growth of this horrible weed in a soil so famous for its beautiful flowers. Previously, one might have believed that this school was sufficiently nurtured and needed to allow the cultivation of only the finest of flowers. However, now most of us may look with shame upon those among us who seek to outgrow us as we reach for a place in the sun. It is for those of us who refuse to recognize the students who exist in rendering the property of others insecure as of the same garden as ourselves, to determine to cause ourselves to outshine these weeds, so that, due to lack of sunlight, the latter will eventually drop from sight.

Proverb: Where there's a will, there's a lot of disgruntled relations.

Gentleman: I want a pair of stockings.
Saleslady: For your wife, or shall I show you something better?

Glenn: Joan is nothing but a rag, a bone, and a hank of hair.
Gill: Man is nothing but a bra, a gown, and a tank of air.

Timid Referee: (in a basketball game) Now, the last thing I wish for is unpleasantness.
Thompson: Have you any other last minute wishes?
FOLKLORE CLUB HOLDS FIRST MEETING
UNDER THOMAS GARRETT

The first meeting of the Folklore Club under the direction of Mr. Thomas Garrett took place last Wednesday at 11 o'clock. Mr. Garrett explained the purpose of the club to a group of about 30 girls and boys from both the Senior and Junior classes.

He said that folklore was that coming directly from the people. No one knew how it originated or who originated Folk Songs. They were just passed down from generation to generation.

He also said that he should like to have the club divided into groups which would study Cowboy ballads, Negro spirituals, and other types of Folk Songs. He wishes people who can play either a violin, mandolin, or piano to go to the club.
