MILNE LIBRARY HAS
MARK TWAIN DISPLAY

The display shelf in the Milne library has been featuring Mark Twain's books for the last week and will continue to do so for the first three days of next week. This display is to celebrate the hundredth year anniversary of Samuel Clemens, born on November 20, 1835.

Five of the books on display were lent by the State Library. One of these, "The Prince and the Pauper", is a first edition copy and is valued at $50. Others from the State Library are "Roughing It", "Life on the Mississippi", "Sketched", and "Innocent's Abroad". "A Connecticut Yankee in King Arthur's Court" is also on display.

Miss Eaton urges everyone to be very careful of the books as it would be very difficult to replace them.

SOCIAL STUDIES CLASSES
LEARN ABOUT ALBANY

One of the seventh grade classes has planned to have a man from the New York Central railroad come to talk to them about transportation.

Another seventh grade class has made a handbook about the Junior High school. This is to be kept for next year's class in social studies. The class has also planned a tour of Albany which is suitable for strangers or tourists coming to visit the city.

A committee from the 8A social studies class visited the Children's Court in Albany where they talked to the judge. The committee was composed of Bryna Ball, Ardelle Chadderton, Robert Bingham, and Edward Sternfeld. They hope to attend a hearing of cases later.

FALL SPORTS
UNDER WAY

The girls are having the usual fall sports: soccer, horseback riding, and swimming. They have organized a horseback riding club with Marcia Wiley as president. Tuesday the eighth and ninth grades had a soccer game, which the eighth grade won.

This year the Junior High will have no boys' basketball team. The reasons for this are that it was hard to find time for practice, and the gym is not available for it.

COUNCIL ANNOUNCES
OPEN ASSEMBLY DATES

The Student Council announces that the assembly periods are free for club programs. Anyone wishing to put on a program should notify Norman Andrews, David Ellison, or Doris Holman.

The Council at its meeting on Friday decided that the information desk should be conducted by both Junior and Senior High. Senior High is to have charge of it from 8 o'clock to 10 o'clock every morning.

ENGLISH CLASS
HAS DEMONSTRATION

In the 8A English class Mr. La Grange from the New York telephone company gave a demonstration lecture on Wednesday at 12 o'clock in room 155. He showed the use of an ordinary telephone and different transmitting instruments. The students practiced taking notes in this lecture.

CLUB NOTES

The Excursion club went to the Fro-Joy ice-cream factory a week ago Wednesday. They went to the prison Thursday.

The Model Airplane club has been building models.

The officers of the Dancing club are as follows: president, M. Tincher; vice-president, D. Simpson; and treasurer, E. Langwig.

Art club has elected the following officers: president, Arthur Bates; vice-president, Eleanor Parsons; secretary-treasurer, Alma Brown.

At present the club is making miniature houses of cardboard.

The Athletic club expects to play football, baseball, soccer, and basketball during the season.

The club officers are as follows: president, Earl Goodrich; secretary, Richard Swift; and treasurer, Walter Sein.

The officers of the Etiquette club are as follows: president, Betty Tincher; vice-president, Jane Phinney; secretary-reporter, Anabelle Volgor; and treasurer, Ruth Rasp.
A Letter from an Associate Editor

Dear Milites,

Did you ever stop to think of the history of the school to which you go? Did you ever stop to wonder if it had improved or fallen behind? What are you doing to improve it, or are you by your carelessness and conduct gradually pulling backward the school to which you owe your education?

In the year 1919 Milne High School buildings and doors were opened to the advantage of the youth of Albany and the surrounding communities. Of course, we had to establish discipline so Dr. Frederick's office is open for those who need it.

From year to year Milne High School has been progressing because of cooperation on the part of pupils and teachers alike. Come on, let's all try to help make Milne High School the model school of today.

CHARACTER SKETCH

This week we will pick an eighth grader. He or she has straight black hair, dark eyes, has a habit of talking a great deal in class. This person is sometimes known as Public Enemy #1 of 8th grade.

Last week's character sketch of John Fink was guessed first by Anita Hyman.

---

JUNIOR-LI S.?

DATES ARE POSTED

The dates were recently posted for the joint assemblies of Junior-Senior High. They are as follows:

- November 11—Monday—1 o'clock
- December 4—Wednesday—10 o'clock
- December 20—Friday—1 o'clock
- January 8—Tuesday—12 o'clock

126 Betty Miller has been elected song leader.

135 By a recent vote the homeroom colors are now blue and silver.

227 Robert Stevenson was elected sergeant-at-arms.

The class has decided to conduct a trial during the homeroom period every Friday to decide the fate of students who have disobeyed homeroom rules. Every Thursday there will be an amateur program. Eleven pupils will take part in each of these. The winner for the week will be the chairman for the next amateur program.

THE FIRST ASSEMBLY

Have you ever gone to an assembly that did not exist? Well, that is exactly what happened Tuesday. Mr. Mesoobian was to play his violin and talk on the possibility of an orchestra in Milne.

Everyone walked into the auditorium and took his seat. Dr. Frederick talked for a few minutes. Miss Halter then suggested that since Mr. Mesoobian had not arrived, we should return to our homeroom. We were no sooner in homerooms than news came that Mr. Mesoobian had arrived so back we went to the auditorium.

It was worth all the walking, though. Mr. Mesoobian brought with him a pupil, Leon Makin. First, Mr. Mesoobian played "Old Folks at Home" and "The Bee". Then, Leon Makin played "Adoration" and "Gavotte". We hope that the students of Milne may become as great artists as these two persons are.

WINNERS OF ORDER CONTEST

The judges of the order contest announce that on the first floor 127 wins first place. On the second floor room 230 wins. Room 333 is first on the third floor this week.

???QUESTION BOX????

(Q) Why did they make a new gym in the girls' locker room?

(A) Dr. Frederick: "We wanted a gym for ourselves. The other gym belongs partly to the college."

LOST AND FOUND

Have you lost anything? If you have, it may be in Miss Nicos' office. She announces that she has two ever-sharp pencils, five pens, and a set of keys with the initials "S.I.P" which the owners should call for.
