LET'S BE PROUD OF IT!

This year Milne high school is organizing a school orchestra which seems to be coming along well. What it needs is more talent. And to make it really successful, you as the student body must support it.

Wouldn't it be fine when the next time you walk into assembly to find a fine school orchestra playing for us? Yes! It could happen with a little cooperation. Other schools have them and they are very successful. Look at Albany High with its three orchestras. Why let Albany High beat us; we have as high a school spirit as they have. Let's cooperate and have an orchestra.

Think what this will mean to have one for our assemblies and to hear other schools say: Look at the fine orchestra Milne has. Our orchestra will succeed if you unite talent and time. "Music Hath Charms."

OTHER STEPS FORWARD
