The Milne High School Junior basketball team opened the season last Saturday night when they played the first game. Their opponent was the basketball team representing School 19.

The game with School 19 was an overwhelming victory. With Carr scoring the first point for Milne in the first few minutes of play, the team kept up an endless stream of scoring. Both Blockside and Kuhn played exceptionally good games. Masterson showed up very well too.

The game was fast and exciting, and closed with the score 24 to 7 in favor of Milne.

In the senior game with the Troy Country Day School, Troy was victorious with a score 22 to 17 in their favor.

Tomorrow afternoon at one o'clock the Junior High School team will play a team representing the freshmen from Albany Academy.

We are looking forward for a lot of good work from the Juniors. Come out and root for our team!

STUDENTS FINISH FURNITURE FOR PRINCIPAL'S OFFICE USE
