Repository: M.E. Grenander Department of Special Collections & Archives
Creator: Wise, George
Title: George Wise Papers
ID: apap095
Date [inclusive]: circa 1989
Physical Description: .17 cubic ft.
Physical Location: The materials are located onsite in the department.
Language of the Material: English

Preferred Citation

Preferred citation for this material is as follows:

Identification of specific item, series, box, folder, George Wise Papers, circa 1989. M.E. Grenander Department of Special Collections and Archives, University Libraries, University at Albany, State University of New York (hereafter referred to as [shortened name]).

Biographical History

George Wise was a former General Electric (GE) employee and historian of Thomas Edison, Willis R. Whitney, GE, and the US Industrial Research.
Scope and Contents

-General Electric's Century: A History of General Electric from its Origins to 1986 is an unpublished manuscript. The manuscript will be helpful to researchers seeking background information about General Electric, which was founded in Schenectady, New York. The manuscript's chapter titles include: "The Old General Electric and the New GE;" "Edison and General Electric;" "Shoemakers;" "Schenectady, Strikes and Socialists;" "Virtuous Cycles;" "Progressivism to Progress;" "How the Robots Didn't Devour Schenectady;" "Plastic Edison;" and "Second Century."

Additional information about General Electric can be found in related collections in the M.E. Grenander Department of Special Collections and Archives including the records of Helen Quirini (APAP102), IUE Local 301 (APAP023), and Associated Industries of New York State, Inc.
