Moving Up Day Program Announced
Dramatics Class to Give Play

**THE ADMIRABLE CRICHTON**

The dramatics class will present "The Admirable Crichton" by James M. Barrie on Saturday afternoon, May 18, in the auditorium of the Albany High School. The play is the story of an English nobleman's family whose inherent mode of living is entirely reversed by being ship-wrecked, during a yachting trip, on an island for two years. The family had only ten servants with them; Crichton, the "perfect" butler, and Tweeny, the kitchen maid. The complications and resulting adjustments necessary are extremely funny but at the same time pathetic. In fact, it is a true farce play, inviting you to laugh and to feel sorry in your throat almost simultaneously.

Otto Huddle, as Crichton, is the "perfect" butler but the latter does not keep him from being a man at the right time. Jane McKenna, as Lady Mary, admirably portrays the proud English aristocrat and she is assisted in this depiction by her disinterested sisters, Agatha and Catherine, played by Marjorie Sibley and Florence Allen respectively. All those who saw Margaret O'Donnell as Kensi, will especially appreciate her as a member of the servant staff. Edward Vines excellently interprets the role of Lord Loam who has a seat in the upper house of Parliament. Randolph Linderman, as the funny English nobleman, Ernest, and Edmond Crane as an English storyman are very appealing. And then Lady Brooklehurst and her son, Lord Brooklehurst, played by a member of the servant staff. Ernest, and Edmund Crane as a

**TUESDAY GAME**

The State College "Varsity Baseball Team will play Clarkson on Tuesday, May 16, at Ridgefield Park at 3 o'clock. St. Stephens have been defeated by Clarkson with a score of 5-0 and State College with a score of 3-0. It is hoped that this coming game will bring us another victory.

**SPECULATORY WORK FOR DORM**

Following Miss Murray's suggestion, the first speculatory storm for the dorm funds were done on the Y. W. Cabinet camping trip to Kinderhook from May 5 to 8. The girls shouted each other's hair for the sum of 25 cents which was contributed for the dorm. They also bunched each other's high hiking shoes for 50 cents each.

**FRENCH CLUB TEA**

The French Club gave an informal tea on Saturday afternoon from 3 to 5 to the members of the faculty and to their friends. Miss Elleie Rignard received the guests and Miss Loeb and Miss Martin portrayed the Rotunda. The Rotunda was attractively decorated with flowers and French flags, which converted it into a smart French restaurant. The refreshments, which were homemade, satisfied the guests of the club.

**CHORUS CONCERT**

The best choral concert ever given in Albany was the one given by the New York State College in Chancellor's Hall on Saturday night, May 18, under the direction of Mr. Harold Thompson and Mr. Caudill. The orchestra furnished a grand acoustic effect in the increase in numbers and the addition of the drum and trap. It is hoped that there will be a benefit for the College. There was competitive singing by class quartets which was judged by Russell Carter. Mrs. Marietta White and Mrs. Gilman Williams were assisting artists.

MARCH TO RIDGEFIELD ON FRIDAY.

One of the features of the campaign for dormitories, in addition to the Strand parties held all the past week, was last Friday's dance and card party.

Dance was held on the Strand with the Student Volunteer Group and others participating in a small dance that began at six o'clock and ended at midnight. There was music in the gymnasium and dances in the gymnasium and on the Strand. There were about 30 people present.

The Student Volunteer Group is composed of students who are interested in the work of the college and who wish to prove their loyalty to it. The organization is open to all students.

As the old "newspaper" board gives over its work to the newly elected people for the year 1922-23, the members feel that they would like to take this opportunity to thank the student body for the time and effort that they have given in the publication of the paper. At the same time they hope that some mistakes will be kindly overlooked, but that the improvements will not be, and will be made in the future.

The new board is not going into the work alone, for while the 1922 people are here, they will also give too, and when they leave, they will leave their very best wishes behind.

WITH APOLOGIES TO MR. KIPLING

When State's last election is voted, and the ballots are twisted and torn, When the laws of election are quoted, and electioneers' voices are won, We shall not—nor, faith, we shall not need it.

Converse for a moment or two, Till the toasts of the faculty's meeting Shall set us to work into the house. And those who have won shall be happy; And those who shall find their ultimate fate. They shall dream of the honors of office, Forgetting its troublesome care. We have no friends to dote from, And only our teachers shall drive, And only the bluffers survive, But shall force exam their fate, And each, at that hour's call, Shall pass the course as he's crammed it, And the best bluffer shall pass them all.

FACULTY NOTES
