

Set Custom Colors for the Hyperlinks in a PowerPoint Presentation

Click the **Design** tab on the PowerPoint ribbon.

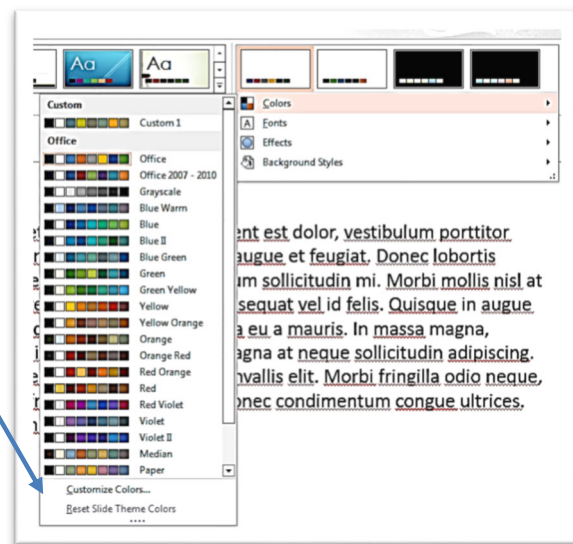

Click the expand arrow in the Variants section of the Ribbon. A drop down list will appear.

Click the **Colors** option on the drop down list.

A pop out menu will appear.

Click **Customize Colors** at the bottom of the pop out menu.

Select new colors for Hyperlinks and Followed Hyperlinks as illustrated.

You may also choose More Colors if the ones on the color pallet are not suitable. If you wish, you can give this new theme color scheme a name.

Click the **Save** button.
