Hurd was called "untenable" in a letter by Jesse B. McFarland, president of the Civil Service Employees Association, stating that the pay increase for State employees is not justified. The sudden opinion of the State administration that a pay raise is required, the letter said, follows below:

State's Wage Position 'Untenable' Shocking

Dear Mr. Hurd:

Began after our letter of October 7, 1952, to the Governor, this year's emergency compensation into base salary and your refusal to consider the Association's firm contention that the revision of the salary scales themselves.

The employees on the Island have no other means of access to any place of employment, except by way of the Triborough Bridge, the other government employees whom Mr. Moses mentions are employees of the Triborough Bridge Authority, says John P. Cox of Public Works, who is the chairman of a newly formed panel, which was appointed to examine. Departments of Travel employees also ride the Police Department who work at the hospital employees "double talk." The chapter points out that the six percent salary increase granted State employees after our negotiations last year can be considered as an effect to the deficiencies which have accrued during the current fiscal year. Such a contention is not only illogical but a negation of all the hard work and public sacrifices that have been made.

The following tabulation shows the changes in real earnings in most of the major manufacturing industries in the country. Under conditions of full employment, such as we have had for the past decade, it is most reasonable to assume that the people affected by these rates have had a full work year. Technicians use 2,000 hours per year in converting real wages to annual wages.

Figure your own comparison to these: 1939 Jan. 1951 Oct. 1952

Coal .85 2.04 2.28

Textiles .46 1.28 1.52
ALBANY, Jan. 19.—Three bills to provide increased retirements for firemen were introduced in the Senate on January 16th by State Senator Seymour Halpern, and are being sponsored by the Uniformed Fire Officers Association of the City of New York and their legislative ligation.

One of the proposals, sponsored jointly by Senator Halpern and Assemblyman Mclean, would provide for the retirement of any fireman who had served for 25 years, regardless of age. The second bill, introduced by Senator Halpern, would provide for an increased pension for any fireman who had served for 30 years, regardless of age. The third bill, introduced by Assemblyman Mclean, would provide for an increased pension for any fireman who had served for 35 years, regardless of age.

The bills are designed to protect those firemen who have served for a long period of time and who may not be able to retire due to their health. It is hoped that these bills will help to ensure that these firemen are able to retire in a dignified manner and with a reasonable retirement income.
CSEA Bills Call for 40-Hour Week, Pension Vesting Aid for Per Diem Workers

ALBANY, Jan. 19 — The Civil Service Employees Association has introduced two bills in the Assembly that would provide a 40-hour, five-day work week for state employees other than prison guards and nurses, and a pension vesting plan for members of the Department of Mental Hygiene.

**Bill for 40-Hour Week**

A 2 bill to create a mandatory 40-hour, five-day work week for state employees other than prison guards and nurses has been introduced by Assemblyman Clellan S. Forsythe of Noyes.

Forsythe said the bill was introduced in response to personal requests from many state workers, and that its purpose is to reduce the high cost of living in large cities. The new proposal would take effect on January 20, 1953. It is expected to be passed by the new Assembly.

**Pension Vesting Bill**

A bill providing for a pension vesting plan in the Department of Mental Hygiene has been introduced by Assemblyman Martin A. Wilmot of Rochester.

Wilmot said the proposed plan would vest all members of the Department of Mental Hygiene with pension rights, regardless of the status of their retirement. He said the bill would help ensure that mentally ill patients would not be deprived of their pension rights when they retired.

**Analysis**

The bills were introduced in response to public demand and were expected to be passed by the new Assembly. The 40-hour work week bill was expected to have a more immediate impact on the cost of living in large cities, while the pension vesting bill was expected to provide a long-term solution for mentally ill patients.

---

**CSEA Mobilizes for Raise Proposal**

Employees throughout the state have been mobilizing to support a pay raise proposal made by the Civil Service Employees Association.

The Association has proposed a pay increase of 10 percent for all state employees, and has been preparing for a possible strike if the proposal is not accepted.

**Other Bills**

Several other bills have been introduced in the Assembly, including one to provide aid for per diem workers, and another to create a pension vesting plan in the Department of Mental Hygiene.

---

**Employees Mobilize For Raise Campaign**

Employees throughout the state have been mobilizing to support a pay raise proposal made by the Civil Service Employees Association.

The Association has proposed a pay increase of 10 percent for all state employees, and has been preparing for a possible strike if the proposal is not accepted.

**Other Bills**

Several other bills have been introduced in the Assembly, including one to provide aid for per diem workers, and another to create a pension vesting plan in the Department of Mental Hygiene.

---

**Consumer Price Index Revised by Labor Bureau**

The Labor Bureau has revised its Consumer Price Index, which is used to measure the cost of living for consumers across the state.

The new index will be based on a sample of goods and services purchased by consumers, and will be updated on a regular basis.

**Analysis**

The revised index is expected to provide a more accurate measure of the cost of living, and will be used to adjust state and federal programs.

---

**Dewey Names Appointees to State Boards**

Governor Thomas E. Dewey announced the appointment of several new members to state boards and commissions.

The new appointees include representatives from various industries and organizations, and are expected to bring a diverse perspective to their roles.

**Analysis**

The appointments are expected to bring new ideas and perspectives to the state's regulatory and advisory bodies.

---

**Another Art Show Is in the Making**

Another art show is in the making, this time at the Metropolitan Conference of Civic Groups.

The show will feature works by local artists and will be open to the public.

**Analysis**

The show is expected to provide a platform for local artists and to bring attention to the city's vibrant art community.

---

**Metropolitan Conference To Act on Pay**

The Metropolitan Conference of Civic Groups is preparing to take action on pay issues, with a focus on fair compensation for state employees.

The Conference is expected to consider proposals from state employee unions and will be looking for ways to improve pay and benefits for all workers.

**Analysis**

The Conference is expected to provide a platform for discussion and action on pay issues, with the goal of improving the working conditions and compensation for state employees.
Syracuse  chapter, CSEA, will be located at 214 South Warren Street, with the annual dinner-dance to be held February 14, to discuss final plans for the affair. The highway engineer of District No. 1 will hold their annual meeting at a dinner on February 13 at the Mason Club in Medina, by the employees of the County Welfare Department. She will be missed by her many friends.

William Howe, chairman of the chapter, called a meeting of the Board of Directors for Tuesday, January 20, 8:00 P.M., at the Court House. All directors and officers were present to attend this important meeting.

Sing Sing

ON TUESDAY, January 6, the regular monthly meeting of the Sing Sing chapter, CSEA, was held. The meeting was well attended. It featured the instructions of Frances Adams for the coming Commission Conference. Refreshments were served after the meeting with Joe Pesik in charge. Music played at the meeting. The Sing Sing chapter members unanimously voted, Gus Westphal, Sr., as chairman of the entertainment committee for the chapter’s annual dinner-dance, which will probably take place some time in April.

At last year’s affair, Gus distinguished himself as an able charge of a committee because of the successful results he and his committee obtained through their various efforts. The membership appreciated his genuine ability.

More definite information concerning this year’s dinner and dance will follow in subsequent issues of the CSEA LEADER. The Sing Sing pistol team, in its two most recent competitions as a member of the Westchester County Police Pistol League, defeated the White Plains and Harrison police teams.

Thus far this season, Sing Sing is unbeaten in the pistol league.

Participants representing Sing Sing in its recent triumphs were: B. K. Byrne, Floyd Moore, Carl Johnson and Matt De Simone. Pat McCawley, the other member of the pistol team, has not been able to participate because of convulsions from a recent surgical operation.

Ear to the Ground. This Con Edison instrument works like a mine detector. We use it to “spot” pipes, conduits and mains under city streets. While every foot of our underground system is mapped and can be located, the “mine detector” speeds the job. It’s another modern device Con Edison uses to make street work faster—and save you inconvenience.

Other Courses: Electrical, Mechanical, Chemical, Engineering, Deeds, Wills, Mortgages, Realestate, Accounting, Taxation, Bookkeeping, etc. Full or part-time classes. For information write for new course catalog.

What Are You Waiting For?

EMPLOYMENT GROUP STARS ITS ACTIVITY

An enthusiastic response, with more than 120 people present, marked the first meeting of the new State Employment Service chapter held in Syracuse on Wednesday, January 14, at the 5th office, 40 Park 55th Street.

With Grace Nulty presiding, the meeting was followed by refreshments and reports from the various subcommittees of the Civil Service Employment Association. A motion to pay higher rates, witnessed presentation of its charter, and formation of the executive committee by a 600-membership goal, was reported on by established committees to carry on its work.

Guests Speak

Guests included John P. Powers, executive secretary of the Allied Public Workers, and Vernon A. Tapper, chairman of the CSEA Board of Directors.

Mr. Tapper reported to the group on the efforts to create the chapter, and the need of the local board to get representation from the new group was presented to the group.

Mr. Powers explained the Association’s legislative program, and described the legislative bill presented to the legislature.

Subcommittee Head

The chapter was presented by Vernon Tappier, chairman of the Board of Directors, to the group to perform the action. Mr. Culver explained the CSEA membership drive and urged members to tell all their friends. The division to increase the membership total in this area was discussed, and it was felt that this would be available for advice and consultation.

Mr. Herrman described the Association’s legislative program, and held the group that he would discuss with problems requiring legal advice or action.

The State Board of Directors was discussed by Mr. Lehman, who pointed out the need for legislators at the local level. Mr. Lehman’s address was followed by a resolution received by the organization’s membership whereby the chapter’s legislative committee will consider all bills and resolve to endear themselves over the period.

Allard Hochmuth reported on legislation in the State Assembly, and stated that whereas a number of bills were deferred, he is in an attempt to deal with the zoning laws and the way in which they are used.

In closing, Miss Nulty followed by a report by her father, CSEA’s executive secretary. Membership, Robert Rubin, Secretary, 199 East 16th St., New York City, New York; Treasurer, Mr. Tapper, Secretary, 236 West 43 Street, New York 36, New York.

This organization is by far the most important of its kind to be formed in the state.

Reimbursement

Miss Nulty named the following a board of directors and held the group that he would discuss with problems requiring legal advice or action.

The attitude expressed by Governor Dewey in his letter to the New York Times on January 22, 1953, is quite different from the blunt turn-down of all employee proposals by Mayor Harrigan in October. The Governor wrote: "... I have asked the President of the Civil Service Commission and the Director of the Budget to undertake, immediately, a comprehensive review of all of the current employee proposals. The review should be broad in scope and should consider, among other things, the effects of any proposed changes on the budget, on the morale of employees, and on the efficiency of the operation of the Civil Service System."

The shameless pay raise is a low kind of canard; and if the administration's advisers and the legislative leaders have not properly assessed the situation; and that when they re-appraise the problem, they will get back on the right track.

The right track leads to a pay increase based on the cold hard facts that State aid is up, down and the government is not being paid enough.

The chemistry of our legislature, which is a fact, is that not enough "good will" can be galloped by a pay raise this year.

Has politics anything to do with it?

Perhaps some straightforward questions are in order: is it true that because 1955 is an "off-year" (no State-wide elections), the Governor feels that not enough "good will" can be galloped by a pay raise this year?

So in his original letter indicated recognition that the State salary picture might require reconsideration. What then, has happened?

Requirements for Clerk-Job Candidates

The exam remains open con-
continuously.

On Saturday and Sunday of each
week, 300 candidates were ex-
amined in two groups, and 1200
candidates were examined in
three groups. A total of 3000
candidates were examined in
three days. The candidates will
be fingerprinted at the time
they take the test and again at
the time of appointment.

Competitors will be rated on
these tests on the basis of the
two test subjects. Non-
professional candidates will be
required to pass the test as
written in at least 33% of the
points. Professional candidates
will be required to pass the
test as written in at least 39%
of the points, and must have
completed at least two years of
dependent work in the clerical
field. The maximum score a
competitor can receive is 100.

The examination will be
administered over a period of
one hour and one half.

Who declines enrollment will
be required to submit an
affidavit in writing, swearing
under penalty of perjury that
they were not employed by a
public or private business organi-
ization by a Robertson business
organization.

Who declines hiring will be
required to submit an
affidavit in writing, swearing
under penalty of perjury that
they were not employed by a
public or private business organi-
ization by a Robertson business
organization.

Who declines hiring will be
required to submit an
affidavit in writing, swearing
under penalty of perjury that
they were not employed by a
public or private business organi-
ization by a Robertson business
organization.

Who declines hiring will be
required to submit an
affidavit in writing, swearing
under penalty of perjury that
they were not employed by a
public or private business organi-
ization by a Robertson business
organization.

Who declines hiring will be
required to submit an
affidavit in writing, swearing

they were not employed by a
public or private business organi-
organization by a Robertson business
organization.
Scheneatey
THE SCHENECTADY chapter CSEA, reports that the officer's election is coming in at a rapid pace and that it probably will be considerably increased this year.

At a meeting on January 5, Bertram Berthelot of the City Health Department, was elected chairman, and Shirley Bunis, formerly secretary, to the County executive committee of CSEA. He succeeds Clifford Edwards, who held the position last year.

At the same meeting, Harold W. Brown, of Albany, was elected treasurer, and his former position, that of secretary-treasurer, was filled by Lloyd L. Reger, of Latham, retiring from public service.

Voted by the officers of the association was an agendum to meet as regularly as possible, at 8:15 in the morning.

The following is a complete list of the officers of the association, as they were elected: chairman, Bertram Berthelot, of Schenectady; vice-chairman, Lloyd L. Reger, of Latham; secretary-treasurer, Harold Brown, of Albany; acting secretary-treasurer, Theresa E. Farnham, of Albany; and recorder, Dr. Charles D. Gaylord, of West Haverstraw, N.Y.

Activities of Civil Service Employees in N.Y. State

Rehabilitation Hosp.  West Haverstraw

The S Wortman, chairman of the executive board of the Rehabilitation Hospital, reports that the program is going to order in the school library at 12:30 P.M., January 3, by the president, Helene Lamour.

1. Southern Conference meeting on January 19 at 10:30 A.M.
2. 10th anniversary of the elected delegate to attend, Mr. W. H. Brown, and 2 words of speech from another member in good standing.
3. Membership. The goal has been set at 100 additional members in one year, since the announcement of the program at the annual meeting, and the response of new members has been more than expected. Department representatives from every State have been convinced that a membership drive is necessary.

1. Annual dinner to be held on March 18, at the Hotel Statler.
2. Seventh anniversary of the death of the president, January 20, 1953. The names of persons who wish to serve on this committee are needed as soon as possible. A 5-0 Club will be held for those who wish to serve on the committee.

3. A very hearty welcome to the Mt. McGregor chapter, CSEA, was made at the January meeting, and the president, Marion, who is postmaster of that chapter, was in attendance.

The chapter officers are: Mrs. Richard B. Ashley, president; Mrs. L. H. Grif, vice-president; Mrs. C. L. B. Davis, secretary, and Mrs. A. H. B. G. Smith, treasurer.

Dinner and entertainment were served. A good offer of entertainment was arranged for, and a good time was had by all.

Gratzow

News from the Gratzow chapter, CSEA, this week is sad. Mr. C. J. O'Brien, who worked at Fornacs, after a short illness, was taken ill. His wife, Miss O'Brien, is in the hospital.

Mr. O'Brien had been employed by the State for a short time.

Huntington  N.Y.

Mr. Gray was summoned to see the comptroller of the State, and Mr. O'Brien, of Huntington, was ill, but he was able to be present at a later date.

Mr. Gray was employed by the State for a short time.

The good fellowship of fellow employees, and the cooperation of neighboring States, can be extended to everyone.
