Levitt Forms Retirement System Advisory Council; Powers Named A Member

**ALBANY, March 23** — A long time goal of the Civil Service Employees Association—to gain an employee voice in the affairs of the State Retirement System— took a hefty stride toward fulfillment.

State Comptroller Arthur Levitt announced that he has formed a new member Advisory Council to the State Retirement System.

Mr. Levitt added: “Each member has had a long and distinguished career in public service and now holds positions of leadership in key associations working closely with the State and with local government. I am certain that their experience and ability to make this Council a vital arm of the Retirement System.”

The council will be composed of 20 members:
- Edward F. O. Utley, executive secretary of the State Association of Towns; Adderley Market, executive secretary of the Conference of Counties; Robert H. Miller, president of the County Officers Association and Cyrus M. Higley, former president of State School Association; and Edward S. Warden, assistant civil engineer. Department of Public Works.
- T. T. Wile, NYC Traffic consultant; Maynard A. Bellis, chief of the Traffic Design and Research Section, New Jersey State Highway Department, and Roman Wolchuk, noted industrial school at Industry.

**Highway Engineers’ Assn. Holds 20th Convention**

The 20th annual convention of the New York State Highway Engineers Association was held last week in the Sherman-McAlpin Hotel.

Mr. Levitt added: “I trust the formulation of policy and in evaluating all phases of the operation of the Retirement System.”

The council will be composed of 20 members:
- Edward F. O. Utley, executive secretary of the State Association of Towns; Adderley Market, executive secretary of the Conference of Counties; Robert H. Miller, president of the County Officers Association and Cyrus M. Higley, former president of State School Association; and Edward S. Warden, assistant civil engineer. Department of Public Works.
- T. T. Wile, NYC Traffic consultant; Maynard A. Bellis, chief of the Traffic Design and Research Section, New Jersey State Highway Department, and Roman Wolchuk, noted industrial school at Industry.

**No Mass Move of Labor Dep. Employees to Albany**

There was no explanation as to why rumors over a mass move of personnel were not quieted earlier.

Department was rampant among employees in the New York City office of highways and transportation, which called for all department and agency offices to be moved to Albany in order to spread the congestion to other branches of civil service.

The bill to require Albany main offices died in the Legislature, however.

In the meantime, the New York City employees were preparing to fight the removal move and the New York City chapter of the Civil Service Employees Association passed a resolution which condemned the move and asked that it be rescinded.

Approximately 300 persons are employed in the New York City office of the Labor Department. With the exception of the police and legal staffs it is now certain that the personnel will stay at their present jobs.

**Powers' Comment**

John F. Powers, president of the Civil Service Employees Association, in commenting on the pay plan declared: “We must face the fact that the Legislature and the leaders in the Legislature had a difficult task seeking pay raises for State employees. We have seen when a new tax program was being proposed and cuts were being considered, that proposals would receive comparable increases, but not to exceed $400.

We want the pay raises and we want the leaders to be aware that the pay raises will be the basis for the retirement of the employees and the leader in the Legislature will be spending all State Employees.

The plan, which was developed over a period of several weeks in conferences between representatives of the Association and the Civil Service Employees’ Association, would apply to all state employees other than judges and judiciary.

Employees holding positions where salaries are not set by statute, such as teachers, would receive comparable increases, but not to exceed $400.

The final application period for the Federal service entrance examination from which 6,000 appointments will be made in the New York-New Jersey area during the current filing period ends on March 26. Those who have applied before that date will be tested April 11.

This test is the Federal Government's primary source of college level personnel in 60 different specialty fields. More appointments from this examination are made in the New York-New Jersey area than in any other Federal civil service regional area.

In field positions which are filled include administration, statistical analysis and regulation, production planning, communications, budget management, agricultural economics, market reporting, park ranger activities, editorial, social science, mathematicians, electronic data processing, library science, statistics, investigation, adjudication, plant best assistant, and fish and wildlife activities.

Many Pay Tax They Don't Owe

ALB-GNY, March 7 — In spite of cancellation of the 1948 State income tax, the State Tax Commission continues to receive $2,000 in 1,000 tax returns daily. Commission President Joseph M. Murphy said.

The returns and payments have to be returned and returned to taxpayers in cases where they do not involve net capital gain tax or unincorporated business tax.

You Can Leave Any Friday via Transocean's "ROYAL HAWAIIAN" Stratoscruiser, on a delightful 16 day tour of Los Angeles, California, and San Francisco.

You'll spend two glorious days in HOLLYWOOD and LOS ANGELES, see Hollywood and Hollywood Homes, enjoy Disneyland, then on to 10 glorious days in HAWAII, enjoy Waikiki Beach and surf, matchless sunny climate, native dances and food, and so much more.

The Salary Increase

The salary bill has finally passed. It provides an increase for all state employees of about five percent. In all, we must appreciate the strenuous efforts of the Governor and the legislative leaders who hold the money for the increase in the budget during the uncertain days of our times and the demands for budget cuts. The 20 million dollars recommended by the Governor for a salary increase must have been a tense issue for the budget writers. It was a difficult task at some of the legislators, as you know, did take pot shots—particularly those from Cronan County.

In all fairness, we must face the salary problem for state employees realistically. It has been necessary to equate them with salaries paid in industry. This standard was used by Governor Rockefeller during his campaign and it is an agency who found that state salaries were lagging behind those in industry. In both industry and government today there is absolutely no logic in paying a person less than his counterpart in industry. Just because one is in government there is no longer any reason why a public employee should be paid less than his counterpart in industry. There is no longer any reason why a public employee should be paid less than his counterpart in industry. Just because one is in government there is no longer any reason why a public employee should be paid less than his counterpart in industry.

By the public employees taking a positive stand on this issue—no matter what the outcome—the pressure will be brought to bear on the legislature to provide the salary increase. The public employees have the capacity, efficiency, high morale and loyalty in the public service which will be the only answer any arguement raised by poor service in the working machinery of government or industry could be very dangerous for the security and prosperity of our country.

There is no difference today—of there ever was—between the working skills needed for public or industrial jobs. With a minimum of exceptions any job found in industry can be related to a similar job in the public service and vice versa. It is just as important that we have capability, efficiency, high morale and loyalty in the public service as it is in industry. Lack of any of these segments will cause state units to be weak, and we believe that it is in the best interest of the public and the public service employees.

New Residence Set for Roswell Park Institute; Work Starts Soon

ALBANY, March 23 — Construction of a 1.5 million dollar residence building for personnel and students at the State Health Department’s Roswell Park Memorial Institute for cancer research in Buffalo will start this spring, Dr. Herman E. Hill, president of the institute, announced yesterday.

Dr. Hill said that construction plans and mortgage commitments were being worked out by Mr. W. G. Gagnon, State Housing Commissioner. The structure, to be located on North Main Street near the institute, will take the name of the institute.

Roswell Park Institute is one of the largest and most modern cancer research facilities in the world. Dr. Hill said: "The institute is housed in a three-story building. The 90-unit residential building will contain apartments of one, two and three rooms. The B.A.A. Construction Company of Youngstown, Ohio, was awarded the contract. The institute has been contracted with a critical shortage of trained and experienced physicians and other members of the staff," he added.

The $1.5 million dollar construction program and with an enlarged staff of over 100, the institute's administrative technicians and nurses. Roswell Park offers unrivaled facilities for basic and clinical research and the training of medical and nursing students," he said.

EDITORIAL
Intolerable Kink

A "APPEAL was argued before the New York City Civil Service Commission Tuesday giving the title of foremen of laborers to ex-assistant foremen whose title was eliminated. Naturally they must have some suitable title. As they showed that they perform the same work as foremen, their request for the foremen title was inevitable. If a title is necessary, once the appeal is successful, no doubt such a test would be given promptly. That particular aspect is up to the City Civil Service Commission.

New rates for laborers are to take effect as soon as some few remaining details are settled. The laborers are under the Prevailing Rate Law (Section 220 of the Labor Law). Foremen of laborers are under the Career and Sal- ary Plan. The two pay bases don't coincide, as employees well know. Unless the foreman rate is raised by the Board of Estimate, laborers will be paid under the new prevailing rate about $1,000 more than their foremen. This anomaly is not in civil service, but government acts fast when a political issue is involved and cannot defend a policy of paying supervisors less than the employees they supervise.

Meanwhile the ex-assistant foremen, now in the No Man's Land of titles, look forward to reclassification, with the benefits of higher pay for foremen.

The Job Market

A Survey of Opportunities
In Private Industry

By A. L. PETERS

The following describes job opportunities in private industry:

Nurses who want to work this summer in children's camps look forward to reclassification, with the benefits of higher pay for foremen.

The DELEHANTY INSTITUTE

By Appt. Only - WA 9-5919

The Full Time Summer Staff Program

Applications are open to qualified applicants who have had at least one year's experience in a senior high school. Applications will be in- structed in organizing, conducting and evaluating classes in the field of recreation. Pilot Management Training Program Underway

A pilot program for systematic training in modern management techniques for foremen in the Metropolitan area, sponsored jointly by the New York City Municipal Personnel Society and the Municipal Association of Management Analysts, was made possible through a grant from the University of New York from the Ford Foundation. It will be carried out over a four year period by the University's School of Social Work and the City Personnel Department.

The full time summer program will be from July 23 through September 1. No examination will be given and no list will be set up. Appointments will be made on a first come-first serve basis.

Pilot Management Training Program Underway

A pilot program for systematic training in modern management techniques for foremen in the Metropolitan area, sponsored jointly by the New York City Municipal Personnel Society and the Municipal Association of Management Analysts, was made possible through a grant from the University of New York from the Ford Foundation. It will be carried out over a four year period by the University's School of Social Work and the City Personnel Department.

Applications are open to qualified applicants who have had at least one year's experience in a senior high school. Applications will be in- structed in organizing, conducting and evaluating classes in the field of recreation. Selected candidates will be placed at the New York State Youth Employment Guidance Program.

High School Equivalency Diploma

Earned at Manhattan College—Day & Evening

GRADUATION The Overlook Unioii Turnpike

Applications must be filed in person on the authorized list at the Office of Personnel, 96 Duane Street, N. Y. City. Both men and women are eligible for the New York State Youth Employment Guidance Program.
The State Pay Increase

EARLY IN THE 1959 session of the New York State Legislature, Gov. Nelson A. Rockefeller announced that he was proposing in his budget a fund of $20,000,000 to allow a salary increase for State employees. His proposal was made in the midst of acrimonious debate and attacks on this money Governor Rockefeller stood firm from Onondaga County actually drafted legislation to back up by the Republican leaders in both houses. We have had the experience and assignments of the New York State Comptroller and the Public Employment Review Commission and have learned that a fund of $20,000,000 is needed to bring State salaries up to competitive levels.

Information on where to file applications is contained in an announcement made last week at the State Comptroller's office, the Office of the Comptroller, the State Employment Service Commission, and the Office of the Comptroller. The information is available in the offices of the New York State Comptroller, the Office of the Comptroller, the Office of the Comptroller, and the Office of the Comptroller.

Brooklyn Teachers Receive Commiunions

The Annual Communion Breakfast of the Catholic Teachers Association of the Diocese of Brooklyn, will be held on Saturday morning, April 9, in the Grand Ballroom of the Hotel St. George, 350-360 Pearl Street, Brooklyn. Among those inducted were Bryan J. McEntegart, Bishop of Brooklyn, Eligibility Board, July 1, 1959. The Brooklyn Teachers Association has announced that it will hold a breakfast on Saturday, April 9, in the Grand Ballroom of the Hotel St. George, 350-360 Pearl Street, Brooklyn.

Questions Answered: Social Security

I am a woman and will be 62 years old on May 17. If I elect to take my Social Security benefits at 62, will I receive my full Social Security benefits at retirement age? E.S.

The Social Security Administration will be happy to answer your question. You may write to the Social Security Administration in care of the above address or call them at 1-800-772-1213.

Cut in Raises for NYC

The Mayor has announced that because of his inability to gain all the new tax levies he needs for the forthcoming fiscal year he will need to practice severe austerity, which will include cuts in proposed raises for teachers, firemen, policemen, and other employees. We have learned that the City's other branches of civil service will not be directly affected.

Tragic — that is the only word that comes to mind. It is not enough that present members of the teaching, fire and police corps will have to take a blow in coming months. More than this, the Mayor has been given the power to cut pay raises for any other group of employees.

If the Mayor must practice austerity — or perhaps the word should be economy — let him go a little further and cut enough corners to keep present proposed pay raises intact. If this is not done the expense in the long run will be far greater.

Our teachers, firemen, police officers and correction personnel deserve first consideration. Our citizens want the best in all these fields and they are willing to pay for it.

Federal Auditor, Accountant Jobs Open Nationwide

Country-wide openings for the positions of Accountant and Auditor at $4,010 and $4,760 have just opened up in many Federal services, the United States Service Commission announced today.

Applicants must have had appropriate accounting experience or education with a written test required of those who wish to qualify on the basis of experience.

Students who have not yet received degrees also may apply, but may not enter on duty until all the required courses have been completed.

FINGERPRINT TECHNICIANS ANNOUNCE NEW TITLE, HIGHER PAY

St. Lawrence

A general membership meeting of the Civil Service Employees Association was held at the Waldorf Astoria on March 16 in the court house at Canton.

Attending were members of the board of directors, chapter members and guests.

Miss Kip, executive representative, gave a report on the March meetings in Albany which she and Mr. Marian Murray, Chaplain, attended. She also reported on the workshop and the February 14 dinner in Syracuse which she and Mrs. Murray attended. Mr. J. Ambrose Donnelley, field representative, gave a talk on the Civil Service Employees Association program and gave a pep talk on membership. Mrs. Mary Manning, chairman of the membership committee, reported the Chapter is making every effort to get new members and the president urged all members to renew at once. A drive for further membership is anticipated in the Star Lake and Massena and non-teaching areas.

A report of the public relations committee and members were asked by the president to express the committee's desires to alas and policies for the year. Most members present stated what they would like the committee to do for their departments in the next year. The ideas will be referred to the Chapter board of directors to become part of the program for the year.

The Chapter expressed its sympaty to Mr. Thomas Parley of Terk Bush and Pavil on the death recently of his wife. The president complimented Village of Governeur employees on their cooperation in their continuous work in connection with the Chapter treasury.

The Associated Fingerprint Examiners announced that the Board of Directors of the Statewide Civil Service Employees Association recommended that all fingerprint examiners having 10 years experience be elected to the Chapter's Board of Directors.

The Associated Fingerprint Examiners announced that the Board of Directors of the Statewide Civil Service Employees Association recommended that all fingerprint examiners having 10 years experience be elected to the Chapter's Board of Directors.

Mr. Ambrose Donnelley, field representative, gave a talk on the Civil Service Employees Association program and gave a pep talk on membership. Mrs. Mary Manning, chairman of the membership committee, reported the Chapter is making every effort to get new members and the president urged all members to renew at once. A drive for further membership is anticipated in the Star Lake and Massena and non-teaching areas.

A report of the public relations committee and members were asked by the president to express the committee's desires to alas and policies for the year. Most members present stated what they would like the committee to do for their departments in the next year. The ideas will be referred to the Chapter board of directors to become part of the program for the year.

The Chapter expressed its sympaty to Mr. Thomas Parley of Terk Bush and Pavil on the death recently of his wife. The president complimented Village of Governeur employees on their cooperation in their continuous work in connection with the Chapter treasury.

The Associated Fingerprint Examiners announced that the Board of Directors of the Statewide Civil Service Employees Association recommended that all fingerprint examiners having 10 years experience be elected to the Chapter's Board of Directors.
Central Islip
The third annual dinner dance of the Central Islip Chapter of the Service Employees Association, was held on March 3. More than 500 members attended. Many were heard to say what a wonderful time they had. Much credit is due to the CSEA and Mrs. Powers were responsible for the fine CSEA salary increase program.

The Chapter officers held their regular monthly meeting in the lounge room on March 5 and much business was transacted. Members were very happy to hear nice things about people employed in the State-wide CSEA campaign. "Every member gets a vote," is indeed bearing fruit in the coming election. Join without a medical examination and many of your co-workers will soon be in the hands of the State-wide CSEA campaign.

New York City
The regular monthly meeting of the New York City Chapter of the Service Employees Association, was held at 1 Gramercy Terrace, Duane Street, Manhattan. The meeting was called to order by William W. Wizzy after his recent operation. Chapter officers and committee reports were turned in. It was announced that a meeting in Atlantic City will soon be in the hands of the CSEA. The State-wide CSEA campaign "built on the strength of the member," is indeed bearing fruit in the coming election. Forty percent of the members of New York City or any other State-wide CSEA organization, who have given no previous hearing before the membership committee are to be made without a hearing before the membership. The approval of that Department.

The third annual dinner dance at the Concord Hotel is getting close to follow. Any news concerning the New York City Chapter members will be appreciated. Any news concerning your friends should be sent to your reporter, Edward S. Jerome.

Frank J. Kelley is acting warden while Joseph A. Topf and Lawrence White take their vacations. The Chapter's CSEA annual dinner dance dance at the Sherman Park Inn, Bear Mountain, New York City, at 6 P.M.

Springs Breezes Are Blowing
On the President's Easter Tour of Europe This Year

The first glimpsers of spring have appeared in the gardens of the courts of Europe, and the flowers are starting to bloom. The last of the snow has melted, and the birds are singing. The air is fresh and crisp, and the sun is shining. It is a perfect day for a tour of Europe.

**Binghamton**

The Binghamton Chapter, Civil Service Employees Association, will hold a regular business meeting at 7:30 p.m. on Thursday, March 16, at the Clubhouse, 46 Carroll Street, Binghamton. All members are requested to attend.

**Brooklyn**

The annual winter dance will be held on Saturday, February 28, at the Grand Ballroom of the New York State Museum. The dance will be a fundraiser for the museum. Tickets are available at the door. 

**Onondaga**

The Onondaga Chapter of the Civil Service Employees Association will hold its spring meeting on Saturday, April 8, at the Onondaga Club. All members are invited to attend.

**Springtime in Europe**

Spring is the time of the year when Europe comes alive. The trees are blooming, the flowers are in full bloom, and the sun is shining. It is a perfect time to visit Europe. The weather is mild, and the air is fresh and crisp.

**London**

The first glimpse of spring in London is the sight of the tulips in full bloom. The flowers are a riot of color, and the aroma of the blossoms fills the air. It is a beautiful sight to behold.

**France**

In France, the first glimpse of spring is the sight of the cherry blossoms. The flowers are a beautiful sight, and the aroma of the blossoms fills the air. It is a beautiful sight to behold.

**Italy**

In Italy, the first glimpse of spring is the sight of the hillside vineyards. The flowers are a beautiful sight, and the aroma of the blossoms fills the air. It is a beautiful sight to behold.

**Germany**

In Germany, the first glimpse of spring is the sight of the almond trees. The flowers are a beautiful sight, and the aroma of the blossoms fills the air. It is a beautiful sight to behold.

**Austria**

In Austria, the first glimpse of spring is the sight of the mountain roses. The flowers are a beautiful sight, and the aroma of the blossoms fills the air. It is a beautiful sight to behold.

**Switzerland**

In Switzerland, the first glimpse of spring is the sight of the Alps. The snow is starting to melt, and the flowers are beginning to bloom. It is a beautiful sight to behold.

**CIVIL SERVICE LEADER**

**ACtIVITIES OF EMPLOYEES IN STATE**

Dear Mr. President,

I am writing to express my deep appreciation for the work being done by the employees of the Civil Service Employees Association in the State of New York. The employees are working hard to improve the quality of life for all New Yorkers.

Sincerely,

[Signature]

STOP WORRYING ABOUT

The Red Cross Committee with Leslie G. Tacey, chairman and Robert Benedict, co-chairman, will begin its campaign late in March and later on will sponsor a golf tournament this spring. Peter B. Tacey, director of the Albany area’s outstanding golfers and amateur athletes, serves on the utilities bureau, has been appointed chairman.

The Capitol District Conference, C.B.E.A., is sponsoring a theater party this month and a picture show South Pacific during the week of April 6 to 10 at the Ritz Theatre. Albany, Barbara Berrington is in charge of ticket sales.

Greemoor

The Greemoor chapter, Civil Service Employees Association, will hold its membership meeting April 5. The date has not been selected as yet. Mike Tacey, director of the nominating committee, has a splendid job in canvassing the members as to their choice of nominating committee and election. The chapter congratulates Cornelius Determan, of the maintenance department on being selected as the representative of the maintenance department by Mr. Tacey. Mr. Determan should be contacted by any members of the chapter who wish to participate in the nominating department if they have a problem.

The new Civil Service Members of Supervision was started March 14. This new unit will have fifteen full week course and there are fifteen employees from each department. Mr. Tacey, supervisor of the Civil Service Members of Supervision, has opened the class with a brief address and has announced that the class will be headed by Arthur Heddeniah, who is the group leader for the past five years.

Following is a list of new members:

i. Joseph Bosara, Cage Turner
ii. Catherine Jordan, of the maintenance department
iii. Murray Lamoree, of the maintenance department
iv. Jack Lockton, of the maintenance department
v. New members will be asked to contribute $1.50 to $2.00 a week to the Greemoor Chapter.

Mental Hygiene Memo

By A. J. Coccaro

Staff Attendant Examination

The Civil Service Department has announced that a competitive promotion examination for staff attendant is scheduled for Saturday, May 9. Applications will be accepted up to April 10, on a first in, first served basis.

To be eligible for the test, candidates must be permanently employed in the competitive class of the mental hygiene institutions, and have served continuously on a permanent basis for one year as attendant or six months as practical nurse preceding the date of filing applications.

A separate list will be established for each institution as no general list will be established. For positions requiring the care of female only, certification will be made of female candidates only.

104 Vacancies

At present there are 104 vacancies in eleven of the State institutions, 31 in four of the State schools, 16 in Letchworth Village, and 41 in the Thruway Authority in REPLACEMENTS. The vacancy list is a continuance of the State Department of Civil Service, The State Campus, Albany 1, New York. Civil Service Regional Offices are also located in New York City and Buffalo.

Salary for the Staff Attendant position ranges from $500 to $750 a month, depending on the institution. There is room for advancement in the new vehicles to be purchased.

The Civil Service Department has announced that a competitive examination for the position of staff attendant is scheduled for Saturday, May 9. Applications will be accepted up to April 10, on a first in, first served basis.

To be eligible for the test, candidates must be permanently employed in the competitive class of the mental hygiene institutions, and have served continuously on a permanent basis for one year as attendant or six months as practical nurse preceding the date of filing applications.

A separate list will be established for each institution as no general list will be established. For positions requiring the care of female only, certification will be made of female candidates only.

How Appointments Are Made

Appointments will be made from the eligible list of candidates who have passed the competitive examination in one of the institutions in the Department of Mental Hygiene, and who have filed applications within 30 days of the date of the examination.

Exam announcements and applications can be obtained from the Civil Service Department of Civil Service, The State Campus, Albany 1, New York. Civil Service Regional Offices are also located in New York City and Buffalo.

Salary for the Staff Attendant position ranges from $500 to $750 a month, depending on the institution. There is room for advancement in the new vehicles to be purchased.

Thruway Problems Get Air

(Continued from Page 3)

ing devices in the new vehicles to be purchased.

12. CSEA representatives requested that the Thruway Authority ensure its employees free

of right to report problems to the Department of Consumer Affairs or to any other appropriate public agency. The Authority agreed to allow such communication without fear of reprimand, and the Thruway Representatives agreed that such procedures would be followed.

13. Passengers were requested to be reminded of the importance of maintenance of the trucks now being used as means of transportation in the Thruway Eduction.

This matter was taken under advisement.

4. Protective clothing or ade-

quate clothing allowance was re-

quired for automotive main-

tenance employees in line with the

facts that these employees in private industry are normally given such allowance or supplied with applicable clothing or protective equipment. The Thruway Representative advised also that the same matter would be considered further.

15. CSEA representatives re-

quested that the Authority en-

sure the availability of adequate

work space for the maintenance men assigned to Thruway repair. The Thruway Representative advised also that this recommendation would be studied as to the need of such

steps or others.

16. Relative to movable main-

tenance men, CSEA representa-

tives requested that the Thruway Regulations be checked to determine if necessary arrangements are made to get on to these vehicles in the course of performing their work. The Authority agreed to consider this recommendation that this procedure be studied as to the need of such

steps or others.

7. The pending Job Assignments and layoffs in the Thruway were reviewed and the Association represented The pending Job Assignments and layoffs were taken to be serious by the Thruway. The Authority advised this was an area of concern that was being worked on, and that any advisable

amendments to the regula-

tions would be considered.
