WATERTOWN'S NEW OFFICERS

At an installation dinner-dance held recently at Pine Lodge, in Black River, N. Y., the new officers of the Watertown chapter of the Civil Service Employees Association were installed into office by Vernon Tupper, third vice president of the CSEA, who was guest speaker. Present, including CSEA state representatives, were Assemblyman Dwight D. Lewis of Lewis County; Charles Geweys, Chapter President and Mr. Tupper; Norma A. Gage, Secretary and Robert C. Richter, vice president; Dorothy Decier, treasurer; Laura Smithling, secretary; and John Mouret, first vice president. The Watertown chapter is comprised of District 7 Public Works employees and State employees from various departments in the area.

RESOLUTIONS

The Civil Service Employees Association resolutions committee chairman, Henry Schaut has strongly urged all association members, especially chapter presidents, to submit resolutions they would like to adopt so his committee can prepare a list to be placed before the end of the summer.

Governor Rockefeller has announced plans for sharp acceleration of the State's construction program at the Campus Site at the western end of Albany. Construction totaling more than $150,000,000 for State office buildings on the Campus Site and for highway work in the immediate vicinity is now underway or scheduled to be placed under contract during fiscal year, the Governor said. Under the new plans, 12 buildings, including three already under contract, will be completed within the next three years.

Will Critalizes Agencies

The State Department of Public Works plans to take bids this year for six more buildings on the Campus Site, at an estimated total cost of $53,000,000, and for the first and principal section of the Albany Crompton Arterial estimated to cost $3,500,000. The express highway will extend from Kramklll Road to Lincoln Avenue, a distance of approximately two miles. It will run just east of the office building development, with entrance ramps at Carnegie Avenue and Western Avenue.

Nassau County Granting Same Take-Home Pay hike State Gave: Towns to Follow

Nearly 4,500 Nassau County employees as well as more than 2,000 employees of the Towns of Hempstead, North Hempstead and Oyster Bay, will receive a present more take-home pay as a result of action taken July 7 by Nassau County Executive A. Holly Patterson.

Mr. Patterson's approval of the measure is largely a result of a campaign by the Civil Service Employees Association, who through resolutions and public contacts, have received a number of take-home pay increases this year. Nassau County counts many of the affected employees as its members.

The plan for the take-home hike is the same as that granted recently by the State to its employees, whereby the State assumes the first five points of the employees' contributions to their pension funds.

A. Holly Patterson, who has been studying the plan since the plan was first introduced in the State last April, asked the Nassau County Board of Supervisors in an emergency message on June 27 to start

A thruway Meeting

At an installation dinner-dance held recently at Pine Lodge, in Black River, N. Y., the new officers of the Watertown chapter of the Civil Service Employees Association were installed into office by Vernon Tupper, third vice president of the CSEA, who was guest speaker. Present, including CSEA state representatives, were Assemblyman Dwight D. Lewis of Lewis County; Charles Geweys, Chapter President and Mr. Tupper; Norma A. Gage, Secretary and Robert C. Richter, vice president; Dorothy Decier, treasurer; Laura Smithling, secretary; and John Mouret, first vice president. The Watertown chapter is comprised of District 7 Public Works employees and State employees from various departments in the area.

The promise came from J. Earl Mcdonald, Superintendent of Public Works, with the Association of Highway Engineers, Civil Service and Division of the Budget sides.

The Association's estimated $2,500,000 for highway relocation or readjustment or reclassification of the DPW's Assistant Civil Engineer positions will bring Civil Service engineers a grade in other states. North Carolina has similarly structured its payroll systems with an increment based on longevity and merit might be granted to the CSEA "without damaging the present system." Mr. Kelly commented that such a plan has been put into practice in other states. North Carolina was mentioned.

The Budget and Civil Service sides, however, offered no immediate resolution of the problem, Mr. Kelly commented that the former became of the technicalities of the Civil Service law, and the latter primarily because of budget commitments until Apr. 1, 1961, at the earliest. Meanwhile, Russell F. Lewis, di-
After three years of the Police Department's crack-down on Puerto Rican问题, it appears on city sponsored television shows, instructs visiting police officers of the New York City Police Department on the fine art of Puerto Rican public relations. He developed a 25-hour Spanish "made-easy" course, a Spanish language tour of the US countries, trains policemen in the use of the "nodo" and "bise" (the latter three in foot), but these are not yet widely used by the riots of 1967.

He is a lecturer on clerical procedures at the Police Academy, but of his proctor job the springboard for the "Los cinco"—the five men who were convicted of the murder of Officer Glenn M. Young—was not widely used by the riots of 1967.

He has just been elected president of the Sergeant Eligibles Association of the New York City Police Department. He also plans to use the "bise" (the latter three in foot) in the police training films on the subversive aspects of the Puerto Rican problem, to be shown to the police officers of the New York City Police Department.

The ceremonies also marked the graduation of 50 housing officers from the New York City Housing Authority. The ceremonies also marked the graduation of 50 housing officers from the New York City Housing Authority.

Payroll Deductions

In addition to payroll deductions for Social Security, retirement, Federal and State taxes, many employees also have deductions for health insurance, life insurance, sickness and accident insurance, and Association dues.

When an employee goes off the payroll it is important that the member continue to make payments to keep his insurance and membership in a contributory status.

Premiums for life insurance and Association dues should be sent to the Civil Service Employees Association, 8 Elt Street, Albany, New York, New York. Both life insurance and accident policy should be forwarded to the Rev. Bus and Powell, 184 Clinton Street, Schenectady, New York. State health insurance payments should be mailed to the State Health Insurance Unit, Civil Service Department, State Campus, Albany, New York. While off the payroll, the employee must pay both his share and the state's share of the health insurance premiums. In accruing the amount of health insurance premium payable to the State while the employee is off the payroll is available through your institution personnel or payroll office. CSEA Headquarters will gladly furnish you with a premium breakdown of your Association sponsored group insurance. Payments should be made in even number of weeks, such as two, four, or six week periods.

Retirement

When an employee retires with at least five years state service, he may be eligible to continue his state service. The State will continue to pay 50 per cent of the total charges for individual coverage and 25 per cent for family coverage.

An employee's retirement can cause his group life insurance policy until age seventy, or convert to an individual policy of the company without medical examination. For specific information regarding these plans after retirement, contact your state insurance unit for information.

The success and accident insurance policy cancels out automatically after five years; there are many of these plans offered by several insurance companies for individual policy holders.

An employee interested in maintaining his CSEA membership while on retirement may do so by becoming an associate member at the rate of one dollar a year. By doing this, the retired employee assists the association in its retirement legislation which can be of benefit to the employee even after he retires.

Your CSEA representatives will be glad to discuss these deductions with you should you have any questions relative to the above listed

CSEA MEETS Thruway Aides on Work Conditions

Representatives of the New York State Thruway Authority and of the Civil Service Employees Association met May 13th and discussed a number of CSEA requests for improvements which have been in effect for many years.

The Thruway Authority was represented by William E. Tenner, its Director of Administrative Services, and Personnel Director Jack Lazzara. CSEA representatives were Executive Director Joseph D. Loehr and Salary Analyst R. Henry Galpin and by the Presidents of the five CSEA Thruway Chapters.

CSEA President Joseph F. Felly summed up the matters taken up at the meeting in a letter to Mr. Tenner:

The letter will report in future issues progress made on the various matters discussed in Mr. Felly’s letter. The letter follows:

To Mr. Tenner:

To: Mr. Tenner

I am writing to summarize the various matters discussed at the meeting of CSEA representatives with the staff of the New York State Thruway Authority held on May 13, 1960. I appreciate the detailed discussion of the various matters raised by the recent CSEA meetings by the representatives employed by the Thruway, and we are hopeful that the solutions to these problems will be attained relative to the matters taken up.

We were very gratified by the full report furnished us by our representatives for the improvements in safety and first aid training course at the request of CSEA. We are glad to know that through this program, there are 88 Thruway employe who are qualified as first aid attendants. We are confident that this will be very helpful in the training of future employees. There are 25 per cent on safety and first aid measures and, certainly this large number of qualified Red Cross instructions will provide many valuable service to the community. The future that will be very worthwhile safest in the welfare of their communities is concerned.

Work Clothing

We were also glad to examine first hand the work clothing being provided all Thruway personnel as a result of our previous requests and recommendations. The CSEA representatives visited 10 of the 425 buildings which provide clothes for employees. We are now wearing the uniforms which stand out and look very neat.

The various matters taken up at the meeting in a letter are summarized as follows:

1. We request the pay- ment of a longevity salary increment plan to recognize completion of 10, 20, and 30 years of service. The Thruway to adhere basically to State salary provisions. CSEA representatives stated that their interest belief that time and a longevity salary increase, minimum of one dollar a year. By doing this, the retired employee assists the association in its retirement legislation which can be of benefit to the employee even after he retires.

2. CSEA again requested the establishment of a retirement plan for employees.

NFFE Urges President To Olay Pay Raise Bill

The President has been urged to take positive action on the Federal pay raise bill now awaiting his signature.

In a letter to Mr. Eisenhower, Veva Chum, president of the National Federation of Federal Employees, reminded the President that the bill had been passed by "overwhelming and bipartisan" majorities in both the House and Senate.

He said that because Federal classification lagging留下了 raise seriously, "the Government has faced increasingly difficult problems of recruitment and retention. During the past year, moreover, the economic situation of classified employees has worsened, intensifying the gravity of the whole problem."

"The recent legislation is a step in the direction of meeting this national problem. It should be enacted into law. We strongly urge the President to give it his approval," he concluded.

Vets Administration Marks 30th Birthday

This year is the 30th anniversary of the Veterans Administration and VA offices throughout the country will be celebrating with anniversary banquets on July 21.

The VA pointed out that New Yorkers have more reason than citizens of other states to salute this birthday, since New York has the greatest veteran population of any state in the nation.

Of 22 million living New Yorkers, 2 million live in New York City.

The New York Regional Office of the VA will hold its banquet in the Governor Room of the Hotel Governor Clinton, New York City.

U.S. Aides' Purchasing Power Off From 1939

Almost all of the Federal classified employees have fallen in terms of purchasing power from the non-partisan National Civil Service League and sent to key members of Congress.

It shows that the entire Government employees to have maintained their same level of purchasing power are those in GS-1 and GS-2, and from GS-3 on there is a progressive falling off in percentage as well as in dollars.

GS-2 are some per cent lower than they were in 1930, and GS-3 are 67 per cent lower. The latter have maintained 21 per cent, to have the same purchasing power they had in 1930. They now get $1,177 to $1,378.

One slightly embarrassing aspect of the report is that Congressmen have lost only 14 per cent in purchasing power; they have managed to keep their same salaries on a better par with rising costs than those of other high-level employees.

Outlook Bad For Retirees' Health Plan

Approval this year of the health benefit program for retirees and survivors is very much in doubt, mainly because the Administration has expressed its opposition to it.

The bill introduced by Rep. John Lesinski (D.-Mich.) was approved last week by the House Post Office and Civil Service Committee, and a similar bill was passed in the Senate. But even though modifications have been made in the House bill to meet some of Administration objections, observers are not optimistic about its passing.

The bill, if passed, would affect almost $125,000 civil service retirees and survivors, and would go into effect on July 1, 1961.

New Federal Business Association Officers

The Federal Business Association of New York, an organization of heads and principal assistants of Federal agencies, in the New York area, has announced the election of its new officers.

Julie Politi Rau, of the U. S. Customs Court, swore in the officers. The new president of the Association is Colonel Paul P. Aron, New York City director of Selective Service.

Two presidents elected are: Captain Hewlett R. Bishop, Atlantic Coast director, Maritime Administration; Robert W. Dill, collector of customs, New York City; Harvey G. Foster, special agent in charge, PB, Thomas B. Lunkler, regional controller, GSA; chosen treasurer.

The Association's object is to promote greater efficiency in the conduct of Government business by cooperation and coordination among all Government Departments.

U.S. Publishes Information for Working Women

The Women's Bureau of the U. S. Department of Labor has just published three bulletins containing general information for working women on salaries, part-time jobs, and maternity benefits.

The publications are: "Part-Time Employment for Women" (Bulletin No. 272—30 cents), "Minimum Wage and the Women Worker" (Bulletin No. 8—15 cents), and "Maternity Benefits for Employed Women" (Bulletin No. 273—20 cents).

"Part-Time Employment for Women" contains information on the diversity of occupations women are employed in and his facts and figures on the number of women working part-time, the hours they work, and the salaries they get.

Of "Minimum Wage and the Woman Worker" Mrs. Acton K. Leopold, assistant to the Secretary of Labor, says: "This booklet tells briefly and in plain language how and why State minimum-wage laws have come about, how they operate, and what impact they have on the worker, the employer, and the community."

"Maternity Benefit Provisions for Employed Women" deals with "millions of women in the United States are eligible for maternity benefits through health and insurance programs available under voluntary plans, or in some cases through legislative action."

Copies of these reports may be obtained from the Superintendent of Documents, U. S. Government Printing Office, Washington, D. C.

ARMY HQ UNIT HERE

Police Conference Backs Statewide Academy As Major Blow to Crime

The 60-member executive committee of the New York State Police Conference, meeting on June 17, passed a resolution endorsing the recommendation of the New York State Commission of Investigation (Crime Commission) that a police academy be established. The resolution would offer training to all police in the State.

The recommendation for the academy was made by State Investigation Commissioner Goodman A. Barden in New York City on May 31. His recommendation stated that the general level of police training in this State must be raised. Immediate provision would allow intensively scheduled and equipped police officers to train in one academy, with academy training officers in the state, which would offer intensive training courses and keep abreast of current problems as condensed seminars where technical knowledge and experience are essential.

The newly established Municipal Training Council could be part of the New York State Board of Examiners, organizing and working with such a state facility.

Police Notes

John Martin, president of the Police Conference, said that letters have been sent to Governor Rockefeller, Senate Majority Leader Walter J. Maloney, Speaker in the Assembly Joseph Caddina, Assembly Majority Leader and Assembly Minority Leader Orville Sgaglione, President of the Police Benevolent Association, and other prominent legislators urging their views as to benefits and potentialities of an academy.

The address of a Police Academy would be near the police training center.

Also elected were Aloylus Curran, treasurer, and Hubert Cosgrove, as secretary, Board of U.S. Civil Service.

P.O. Vehicle Units Need Mechanics

Auto mechanics are needed to repair state police cars. The New York Post Office vehicles vehicles in the area. An open competitive examination is being offered for these positions, which pay from $12.13 to $23.84 an hour.

Both men are employed on the front lines of law enforcement.

Also elected were Aloylus Curran, treasurer, and Hubert Cosgrove, as a council member, with Mr. Curran at the Rip Van Winkle headquarters.

The confirmation committee was chaired by Charles Han, both of the Rip Van Winkle headquarters, and Irvendt Hnilmen, Kingsboro, Don Palmaier and Cherster Deiter, Mid-Manitou, and Monroe Mathewson, and Philip McConiat, Mount Mauin.

Jerome Lefkowitz

APPOINTED

ALBANY, June 27 — Jerome Lefkowitz has been appointed assistant counsel for the State Labor Department. The job pays $1,225 a year.

Mr. Lefkowitz is a Columbia Law School graduate and recently has served as an assistant attorney general in the State Labor Department. He lives in Elmwood and is chairman of the Albany Zionist Youth Commission.

New York Counties Pay Patrolmen and Probation Officers up to $5,720

Various counties throughout New York have been paying police patrolmen and probation officers vacancies, and an open competitive examination announced by the State Department of Correction is available for these positions. Any time, radius, residence In the eyes of the police.

DAVITT CLINTON

BACK ON ERA CANAL

ALBANY, June 23 — Almost 135 years after Governor DeWitt Clinton opened the Erie Canal, this great, great grandson, DeWitt Clinton Jr., has gone to work on the waterway that's known as "Clinton's Ditch." The 18-year-old Williams College student has been assigned to the engineering force on the Barge Canal by District Engineer John Martin, president of the Central Police Conference, which manages the reservoir and related facilities in the area, operates the Erie Canal and provides water service. The appointment will be accepted until further notice.

Copies of the announcement and application forms may be obtained from the Board of U.S. Civil Service, Room 1208, General Services Building, New York 17, New York and at the main post offices in Brooklyn, Jamaica, Flushing, Long Island City, and other post offices. Applications for this position should be made immediately.

New York City Jobs: Pay, Location & More

The City of New York is hiring in various locations throughout the state. The positions include police patrolmen, police academy officers, and probation officers. Applications for these positions are available at the New York City Civil Service office located at 500 12th Avenue, New York, N.Y. 10011. The deadline for applications is July 1.

The U.S. Government has announced the opening of an examination to fill police, firefighter, and other positions in various federal agencies.

The application process is available for those interested in applying for these positions. The application deadline is July 1.

U.S. Counseling Psychologist Exam Offered to Grads

The U.S. Government has announced the opening of an examination to fill counseling psychologist positions in various federal agencies. The examination process is available for those interested in applying for these positions. The application deadline is July 1.

The New York City Civil Service Commission has announced a new examination for police patrolmen, police academy officers, and probation officers. Applications for this examination are available at the New York City Civil Service office located at 500 12th Avenue, New York, N.Y. 10011. The deadline for applications is July 1.
A Balanced National Budget Is Nice, but

BEFORE THE END of this week, President Eisenhower will undoubtedly have his pay raise bill passed by Congress. Already half a dozen agencies are preparing memoranda on how this can be done with a minimum of bickering in this election year.

I expect to file an application for disabled child's benefits on his application. You may tile your application. We suggest that you list of doctors who meet the disability work requirements. We want a day's pay for a day's work! All I can say is that we better have some compensation for the case of climbers and pruners.

The formal opinions which I render run a wide gamut. Three will be made necessary to the administration that this surplus must come to the disability work requirements. We want a day's pay for a day's work! All I can say is that we better have some compensation for the case of climbers and pruners.

Other gift opportunities: It is not yet possible to list gift opportunities for the dance-operetta theater, the repertory theater, the library-museum, or for fountains, sculpture, and so forth. These opportunities will be made public when plans are more fully developed.

Lincoln Center for the Performing Arts is scheduled to be completed in 1964. It will make New York a better place to live for you, your children, and your children's children.

Says The New York Times: "Lincoln Center is the boldest and most exciting artistic project ever attempted in the United States. Building Lincoln Center is everybody's job."

The Center will be run by a private non-profit organization. This organization is now raising funds. Its campaign is well underway. The city, state, and federal governments are making important contributions. Foundations, corporations, and individuals have given nearly $5,000,000 toward the $102,000,000 goal.

Here's what you can buy for Lincoln Center, from $5 to $5,000,000 — spread over 5 years and tax-deductible.
Medical Technicians Needed Now in U.S. Hospitals

Medical technicians are needed now to fill vacancies in various Federal Government agencies in the five boroughs of New York City. The positions are in GS-3 to GS-5 and pay from $3,495 to $4,046.

Technical, clinical laboratory experience of one, two and three years is required, respectively, for the GS-3, 4 and 5 positions. Applicants for all grades may substitute a full 12-month course in a resident school for clinical laboratory technicists for two years of the above required experience. No substitution is permitted for a partially completed course.

A full, post graduate clinical laboratory internship in a recognized hospital may be substituted for one year of the experience requirement. Also study in a residence school or institution includes at least 12 semester hours a year in biology, chemistry or bacteriology, or may be substituted on the basis of one academic year for six months of the required experience.

For further information and application forms, contact the Board of U.S. Civil Service Examiners, U. S. Public Health Service, Washington, D.C. 20201.

MADISON CHAPTER REELECTS BROPHY
At its annual dinner meeting, held recently at the Hotel Banter in Madison, the Madison chapter of the Civil Service Employees Association re-elected William Brophy as its president.

Other officers installed by Arthur Darrow of the Omeganda chapter were: Albert Merrow, first vice president; Orin Ogins, second vice president; Michael Carnevale, third vice president. Mrs. Margaret Moore and Mrs. Catherine Pogue, secretary and treasurer.

BROPHY will also serve as chapter delegate at the convention. The meeting were Raymond Hamilton, second vice president of the state association; Maye Abraham W. Williams of Owego; Samuel Morrissey of Utica, and Benjamin Roberts of Elmira; field representative of the central area.

City and county officials were guests.

Where to Apply For Public Jobs

The following directions tell where to apply for public jobs and how to reach destinations in New York City on the transit system.

NEW YORK CITY—The applications Section of the New York City Department of Personnel is located at 96 Duane St., New York 7, N.Y. (Manhattan). It is two blocks north of City Hall, just west of Broadway, across from the Leader office.

Hours are 9 A.M. to 4 P.M., closed Saturdays except to answer inquiries from 9 to 12 A.M. Telephone 212-686-8880.

Mailed requests for application blanks must include a stamped, self-addressed business-size envelope. Mailed applications, and will be open until July 26.

The positions are alphabetic key punch operator (IBM), paying from $3,000 to $3,250 a year, and key to later operator (IBM), from $3,250 to $3,500 a year. For both positions there are a number of vacancies existing currently.

The positions are open competitive examinations for tabulator operator and key punch operator, and will be open until April 9, 1960.

Applications can be picked up at the Applications Section, Department of Personnel, 96 Duane St., New York 7, N.Y., across from the Personnel office.

METHODS ANALYST TEST GETS 4 ANSWER CHANGES

A total of four changes in the answers to the New York City open and promotion test for methods analyst have been made, the Department of Personnel has announced. The answers, including the four changes, are now final.

A total of 37 candidates took the test April 9, 1960 open competitive and 3 promotions. Protests were received from 7 candidates on 29 test items. The changes follow: question 32, D instead of C; 33 and 84 eliminated, and 93, B or C.

Air Force Offers Jobs
In Tabulation

The Board of U.S. Civil Service Executives at Mitchell Air Force Base has announced that applications are still being accepted, and it is urgent to further notice, for tabulation planning and tabulating machine jobs.

The titles are, with salary range, tabulating machine operator, $3,265 to $3,455; tabulating machine operator, $3,350 to $3,560; tabulating machine operator, $3,450 to $3,660; and tabulating machine operator, $3,550 to $3,760.

Complete information on the jobs is furnished in Announcement No. 2-46-31 (1959), which is available from the Second Civil Service Regional office, 209 East 42nd St., New York 17.

Application must be filed with the Executive Secretary, Board of U.S. Civil Service Examiners, Mitchell Air Force Base, New York.

Vets Warned to
Apply for Loans
Before July 25

World War II veterans who plan to apply for a home loan, prior to the termination of the GI law on July 25, should immediately obtain full information on the requirements established by A. C. District, War Loan Guaranty Office, warned today.

"From the queries being received, we conclude that there is widespread misunderstanding among veterans and some of them will suffer last-minute disqualification unless they immediately take the steps necessary to secure the loan," Mr. Ditrich said.

World War II veterans must make all necessary arrangements in sufficient time to enable the lender to submit all required applications and signed papers to the VA before the cut-off hour, Mr. Ditrich said.

The termination date for the guaranty or insurance of loans to veterans of the Korean conflict is Jan. 31, 1960.

U.S. - nos Industrial Hygienist Openings
Here and Abroad

U.S. Government agencies in connection with the Department of Labor and various industrial hygienist positions, will be accepting applications in the coming months. Applications will be accepted until September 15.

The requirements for the GS-5 jobs are a bachelor's degree with three years of experience in occupational or physical science or natural science, including courses in chemistry and laboratory science. The experience required is equivalent to the above education.

For the higher grade jobs, the requirements grow progressively more rigid. Further description of the requirements and other details is included in the announcement. No. 299 B, available from the Executive Secretary, Board of U.S. Civil Service Examiners for Scientists and Technicians, and the Pontiac River Naval Command, Naval Research Laboratory, Washington 25, D.C.

Ontario County Needs Director Of Social Service

The Ontario County Civil Service Commission announces the opening of an examination to fill the position of director of social service.

Candidates must have been residents of New York State for at least a year preceding the examination, which is set for September 19. The salary for the post is $3,500 a year.

The examination will be held on October 20. The salary range is $3,500 to $5,000 a year. The examination will be open to all residents of New York State who have been residents of the county for at least one year.

The examination will be open to all residents of New York State who have been residents of the county for at least one year.

State Campus

(Continued from Page 1)

The State Campus will be the site of a new campus in the state of New York. The campus will be located on the site of the former State University of New York at Brockport. The site will be developed by the State University of New York, which will be responsible for all aspects of the project.

The campus will be designed to provide a modern and efficient educational environment. It will include classrooms, laboratories, libraries, and other facilities necessary for the delivery of quality education. The campus will be located on a 100-acre site, which will accommodate up to 3,000 students.

The funding for the project will be provided by the State University of New York. The state will also provide a grant to support the development of the campus.

The State Campus will be a significant addition to the state's higher education system. It will provide opportunities for students to pursue undergraduate and graduate degrees in a variety of fields, including engineering, business, and the sciences.

The State University of New York system is committed to providing quality education to all students. The State Campus will be a valuable addition to the system's offerings, providing students with access to a modern and well-equipped educational environment.

The State University of New York is a public university system that serves over 500,000 students at 40 campuses across the state. It offers a wide range of academic programs, including undergraduate, graduate, and professional degrees. The system is committed to providing high-quality education at an affordable price.
Dannemora Hospital Supervision Class

Twelve-two supervisory employees of the Dannemora State Hospital recently completed a 31-hour course in "Fundamentals of Supervision."
The course was prepared by the New York State Department of Civil Service and is part of an on-the-job training program projected by Commissioner of Correction, Paul B. McGlinn.
Howard J. St. Clair, chairman, attended at the hospital, who received his training at state-sponsored seminars at the Frederick Morgan Institutes at St. Lawrence University, was the instructor.
The course was taught by the Conference method. Audio-visual aids, charts, blackboard illustrations, role-playing, demonstrations and similar techniques were used when practical.
Completing the course and receiving certification of achievement were: Edward G. Beauche, Harry A. Bickel, Harry Fedor, Charles Hanel, Ernest Haskins, Pettis Joyal, Frank Kline, James Lagler, John Laffrey, Donald McIntyre, Stephen Mullady, Arthur Rabideau, George Waddy and Donald Walldren.
The group together with members of the training committee were guests at a dinner given by Dr. W. Cecil Johnstone, director, and Mrs. Johnstone. Also in attendance were: Dr. and Mrs. Ross Henderson, Dr. Ludwig Pink, Mr. John G. Lee and Mr. and Mrs. Howard St. Clair.
Mr. St. Clair was presented with a travel case by Dr. Johnston of half of the class.

Mid-State Army Unit meets at Utica

The annual meeting of the Mid-State chapter of Army Emplees was held at the Utica Army on April 26. Service pins and certificates were presented by Malcom VanVoorhis from the AGO to the following men: Walter J. Ho 10 years; Buesen D. Dassist 10 years; W. Bernard Lawrence, 28 years; Clarence O. Phillips, 46 years; Louise J. Moser, 35 years retired; Earl F. Drummond, 30 years; Peter E. Smith, 32 years; Edward Herron, 43 years; Albert Homburger, 33 years; Carlson Lehnus, 20 years; and Thomas P. Meehan, 20 years.
The Blue Cross-Blue Shield State plan and Mr. Thomas Cap- pelli from the Utica office to explain the plan to the employees.
The meeting was adjourned at 10:00 A.M.

Manh. State Hospital Aides Honor Director

The Assembly Hall at Manhattan State Hospital was the setting for the presentation of a certificate of appreciation to Dr. John H. Travis, director. The medical and administrative staff of the hospital presented the doctor with a portable television set, through donors, and arranged to have a large number of employes on hand to congratulate the Doctor and Mrs. Travis.
Mr. and Mrs. Doberty, sister and brother-in-law of the late Betty Doberty, wish to thank those employees of the hospital, whose kindness and sympathy were so sincerely appreciated. Betty Doberty had retired from State service a few years ago, she had been in charge of the Employees Dining Room personnel and was very well liked and respected. Her sudden passing in St. Louis, Mis- souri, came as a shock to all of us.

A silver jubilee and psychiatry aide award party was held on April 26. The affair was well attended and everybody enjoyed a fine evening of dancing, buffet and festivities. All employees received their 25 year service pins: Margaret Balgoon, Margaret Bolduc, Margaret E. Cerwone, Daniel D. Cianco, John N. Chiappa, Helen Demery, Margaret Herr, Ann G. Chessever, Dorothy Conant, Katherine, Elizabeth Johnson, Richard Joyce, Mary Kellogg, Brido, Kernohan, Anna Lally, Michael Lally, Bridget Leonard, Chester McElhan, Anna McNeilson, Michael Maloney, Frances Merritt, William Murphy, Pdf Mooney, Margaret O'Brien, John J. Ryan, Michael Bremo, and the recent addition to the staff, Margaret O'Sullivan, was the winner of the psychiatric aide award for 1959. For her outstanding performance of duty and understanding of the needs of her elderly female patients, including one healthy lady of 97 years of age. The award was presented to the Doctor and Mrs. John H. Travis.
Congratulations to her for her one performance.

The annual installation banquet of the Correction and Hospital chapter of the Civil Service Employees Association was held recently at the Mt. Morris Inn, with 85 Chapter and Local officers attending. Shown at the banquet, in the front row, from left, are Sam Cipolla, CSEA delegate; George Horning, Chapter treasurer; George Delano, retiring president of the Chapter and toastmaster at the banquet; Sam Seltzer, newly elected president of the Chapter, and John Mccugny, District Director of the Hospital; and Philip Lasakos, newly elected vice president. In the back, from left, are Oscar Langhans, president of the Mt. Morris chapter CSEA; Assemblyman Ken Willard; Irving Fisher, MMEA delegate; Vito MacTavishes, who, with their daughter Kathy, will sail from England on the 19th of July for a six-weeks' visit to England and London, returning the end of August on the Queen Elizabeth.

Thruway Awards Fire Volunteers

ALBANY, June 27 -- The work of volunteer firemen in saving valuable Thruway property recently has run both praise and cash from this State agency. A fire occurred in an office-store building near the Thruway's Elmerie headquarters. Damage was small, but the information required so that the Association's aid may be given to those casualties in its actions.

SIMEON NAMES TWO AS COSMETIC ADVISORS

ALBANY, June 27 -- Secretary of State Caroline K. Simons has named two members of the Hair Styling and Cosmetic Advisory Committee to replace those who retired in August. They are Miss Osa C. Cooper, New York City, and Mrs. Pearl F. Pavoloni of Troy.

HORNELL INSTALLS OFFICERS

At the annual banquet of the Hornell chapter of the Civil Service Employees Association, held recently, CSEA field representative Harry Albert, chairman of the banquet committee, installed the new officers. Shown at the banquet, in the front row, are left to right, William B. Bier, first vice president; Mrs. Dennis, retiring second vice president; Ethel E. Inman, first vice president; Dr. Mary D. Foster, treasurer; and Miss Lucille C. Stillwell, secretary, who, with their daughter Kathy, will sail from England on the 19th of July for a six-weeks' visit to England and London, returning the end of August on the Queen Elizabeth.

CSEA HQ-Staff Picnics in Albany

Forty members of the headquarters staff of the Civil Service Employees Association, including their wives and husbands, held their annual picnic recently at the Historical Society Museum. It was brought to the attention of the staff that the State would give you towards your retirement. Join the 55 year plan now, Civil Service Department says. The average number of years on the job is 34.6 months. The average for all State employees averaging 4 10/12 years per year. This is not true in many state.

On Saturday, June 28, the CSEA chapter of the Lions Convention, he was addressed for time he took lunch and ran. . . Will Walkill Prison be represented at the Correction Conference will meet at the Wellington Hotel in Albany, June 28-29. Luncheon meeting with Commissioner McGinnis and his "deps" is scheduled.

The Civil Service Employees Association's officers, and guests of honor were Mr. Roberts, William Dennis, Mrs. Dennis, and Mrs. Wilson, treasurer of the Association. The installation ceremony was pleasantly spent viewing movies, shown by Pinkie Casey, assistant director of the Hospital, and liquid refreshments, the evning was pleasantly spent viewing movies, shown by Frank Casey, of his recent Caribbean cruise. Into the Brown-banking Bank also stirred up many laughs among the group who were shown slides of the various unions at parties and picnics held by the Association. The installation ceremony was attended by members and guests attending. Shown at the banquet, in the front row, from left, are Miss Osa C. Cooper, New York City, and Mrs. Pearl F. Pavoloni of Troy.
