ALBANY, Sept 17—If City of Rochester officials grant exclusive collective bargaining recognition to the American Federation of State, County and Municipal Employees, it would be tantamount to condoning fake demonstrations, false claims and the threat of strike by its city employees, the city was warned last week.

Joseph F. Pefly, who heads the 109,000 Civil Service Employees Association, gave the warning in the wake of reports that a resolution passed last week by the Rochester City Council would result in sole bargaining rights for AFSCME. The Council's ordinance apparently gives the Rochester City Manager the right to recognize a union or employees organization as the sole bargaining agent for units of city employees.

Pefly said "the action taken by the City Council appears to be discriminatory against CSEA. The enabling resolution", he said, "provides specifically for AFSCME. The public should know that almost six months ago the Association wrote the Mayor of the City Council requesting an opportunity to solicit membership among city employees but the City Council has refused to take any action for a payroll deduction card for employees. The preferred union, the Mayor of the City failed even to respond to the request by any communication to us, but chose to give union officials approval then and there for the deduction card form. With this favored treatment, which immediately placed our Association in a formidable disadvantage, the union apparently went on to claim that only"

At the same time, it was announced that the first Fall meeting of the Conference will be held on September 26 at 8:30 p.m. in the Great Room of the Hotel Wellington, Albany.

Principal speaker for the event will be Mrs. Grace Nulty, chairman of the CSEA Legislative Committee. Mrs. Nulty will present a preview of legislation under consideration for early next year.

Reservations for the dinner must be made by Friday, Sept. 21 through Mrs. Mary Hart, State Labor Education Bldg., Albany.

Tax Shy Mayors Keeping Police Pay Down, Police Conference Head Declares

ENDCOTT, Sept. 17—Mayors and politicians fearful of increases in local taxes are the main stumbling blocks to the efforts of police to obtain a "decent" salary.

And the remedy to the problem of providing local lawmen with more pay is a $1,000-a-man state-aid program designed along the same lines as state aid to local school districts.

This is the opinion of Raymond Hubbard, a patrolman in the Rochester Police Department and president of the Central New York police executives.

Hubbard, speaking to the conference, said the equalization of salaries and benefits between local police and state police is the latest wrinkle in the fight for higher police pay.

He noted that mayors in the past have voted against proposals calling for more pay for the local policeman because the chief executives are afraid of an increase in their operational costs.

And, the conference president added, the governor generally goes along with the decision of the mayors.

A state aid program to increase the pay for local police would benefit communities through increased fines imposed against lawbreakers and better law enforcement, said Hubbard.

Cross Training Program Speeds Army Promotions

WASHINGTON—For cross-branch training of officers for advancement of their careers is the latest wrinkle in officer institutes. The plan would permit officer specialist candidates in one branch of service to train for other branches where promotional prospects are better, within the Officer Assignment Directorate. Thus infantry officers could train for specialist duties in armor divisions, etc.

Although a variation of this policy has been in effect for some time, and three thousand USAH men got punitive call-up in fiscal 1962, punitive call-up has been used only in comparatively rare cases. The plan for punishment of drill-dodging guardsmen exists in AR 195-200. A new regulation MOD 25 will define punitive authority in more detail.

2,513 Promotion Slots Open in Guard, Reserves

Fiscal 1963 will see 2,513 promotions in the Army Reserve as E-8 promotions, if enough men qualify. This is the highest quota available since the E-8 promotion program was instituted three years ago. However the number of requirements that must be met by the Pentagon for promotion have increased 14 percent for the 4,419 slots authorized since 1959. Of the total, 372 promotions 1963 and 185 E-8 are allotted to the Second Army.

One Week Left To File for Jobs As City Firemen

The New York City Fire Department has announced that filing has been reopened for the firemen's examination. The eligibility list is practically exhausted and soon there will be a heavy need for eligible applicants.

Applications will now be accepted until September 25 for this examination which is tentatively scheduled for December 1. The Department of Personnel has specified that the medical and physical exams will be on a qualifying basis only. The written examination will count the entire mark.

A preliminary fireman's examination has a starting salary of $5,848 annually and increases annually to $7,331. The city does not include under form allowance, paid holidays and overtime pay for a 42-hour week.

The age limits for filing for this position are 20 and 29. However, candidates may deduct school time spent in military service from their age when computing the maximum age.

The minimum educational requirements for appointment as a fireman is a high school diploma or the equivalent. Such a diploma must be submitted to the Department of Personnel at the time of examination. There is no residency requirement for appointment, but firemen must reside in either the five boroughs of New York City, Nassau, Suffolk, Rockland or Westchester Counties after appointment.

Written Exam:

Proof of good character is required and in addition to the regular requirements of the City Civil Service Commission, firemen must be clear of other marks on their character report such as a dishonorable discharge from the armed forces. Applicants must be at least 5 feet 6 inches tall with weight in proportion to their height. Perfect eyesight, 20/20, uncorrected, is required.

Applications are being distributed at the Department of Personnel's Application Section, 65 Euane St., New York 7, N.Y.

Absent were Morris Kantowitz, financial secretary, and Yolanda Palumbo, recording secretary.

CIVIL LIBERTIES America's Most Powerful Weapon,' U-2 Attorney Tells NYC Chapter

"The most powerful weapon we have in our life is the free way of living that we may hold out to the totalitarian organizations," concluded James B. Donovan, vice-president of the New York City Board of Education, last week at Gatsby's Restaurant.

Donovan, who was instrumental in negotiating the release of U-2 pilot, Francis Gary Powers, installed the new officers of the New York City chapter of the Civil Service Employees Association.

Civil Liberties Stressed

He stressed the importance of civil liberties and said he hoped to see, within the next 10 to 15 years, an approach to Western freedoms in the Iron Curtain countries.

In an analysis of the Powers case, Donovan defended the use of the application of American freedoms to the treatment of Civil Rights.

"I believe that the United States gained much through the 'U-2' case," he said. "Donovan is now employed by the Federal Government in negotiation of the two prisoners. Powers and Abel. Abel was given full protection of our court system and his case was carried to the Supreme Court with a split decision. Donovan is a good lawyer." He also said that Powers was convicted of espionage, a 38-year prison sentence. Powers was held incommunicado for some 109 days and then was convicted in an "obvious, canned judgement." It was what Donovan called a "prosecution story." He stressed the importance of civil liberties and said he hoped to see, within the next 10 to 15 years, an approach to Western freedoms in the Iron Curtain countries.

Change in Hatch Act Hits Snap After Senate Approval

Although the Hatch Act modification bill has been approved by the Senate, it looks as if some changes will have to be made before the bill is approved in the House.

Under the present law, Federal employees have the right to vote and express political opinions. They are asked, as good citizens, to be informed, to be registered, and to vote. They are, as Federal employees forbidden to take an active part in partisan political campaigns or partisan political management.

The present penalty for violation of the Hatch Act, in the most severe cases, is removal from the job. A 90 day suspension is the minimum penalty.

The Senate approved a bill which would give no penalty to Hatch Act offenders in cases of minor or unintentional violations. It looks as if the House will approve the bill only with a modification which provides a minimum 30-day penalty.

At any rate, it is felt that a modification which would provide a 30-day penalty is better than no modification at all. —

Increased Annuities

Depend On House—Senate Conference

There is a 5 percent difference in the House and Senate bills which would increase the annuities of retired Federal employees and their survivors.

An increase of 10 percent, which would be effective next January, has been approved by the House Civil Service Committee. This bill also provides a minimum increase of $30 annually for widows of Federal employees with 20 years of service.

The bill, which the Senate Civil Service Committee approved, provides an increase of only 5 percent. The Senate bill would be effective at the same time.

Due to the difference in the two bills, the issue will have to be settled in House-Senate conference. If the legislation clears the respective Congressional branches, it is expected to be passed.

Doherty Retires As President of NALC

William Doherty retired recently from his position as president of the National Association of Letter Carriers. There have been indications that he will be the next Ambassador to Jamaica.

Present Laws Give No Protection From Threat of Job Loss

Charges were made by postal employees in a Wisconsin town that a man, who was expected to be the next postmaster, threatened them with the loss of their jobs unless he could recover 2 percent of their salaries to his political party.

This charge prompted action by Representative Byrnes of Wisconsin and Representative Johnson of Michigan, members of the House Civil Service Committee. These two Republic House members are sponsoring a bill which will make the threat of job loss a criminal offense.

Byrnes and Johnson have declared that, under present law, a Federal employee would lose his job by refusing to contribute to a political party or candidate. The Justice Department has verified the fact that there is no protection for the employee under existing law.

Budget Bureau Will Investigate Value of Job Vacancies

The Budget Bureau will be sending directives to Federal agencies with instructions to follow certain investigation practices before filling vacancies.

This action is in conjunction with President Kennedy’s request that the government agencies become more efficient operations. A further request will require elimination and downgrading of more located positions.

Civil Service Chairman John Scanlon has stated that every vacated job should be studied to determine the merit and necessity of the position. He also feels that an existing vacancy offers an opportunity to study reorganization and functions and staffing.

Park Guide

Jobs Open, $4,040+

A starting salary of $4,040 is now being offered for positions with the National Park Service Department of Interior as park guides. The department will offer examinations for these positions and the jobs will be filled as they come available in this GS-4 position.

Park guides give lectures, answer questions, conduct groups of visitors to parks, and give general information concerning the area and its features. They personally escort groups of visitors through the area, explain its functions, programs, and objectives and describe the various facilities, resources, objects, or other features of interest displayed or observed during the visit; and are responsible for the conduct and safety of groups, the maintenance of proper schedules, and the handling of emergencies that may arise.

It is also necessary that park guides be able to talk to groups in a clear, understandible, and agreeable manner. Good judgment in dealing with people on both an individual and group basis, and alertness in recognizing and handling violations of rules and safety regulations are two important duties of a park guide.

Candidates must have at least six months experience in the oral presentation of factual data. Another requirement includes a year and half of experience which involved group leadership in an outdoor activity or in any other group activity.

The Cause Of Public Employees Championed

RADIO Station WMCA, the New York City outlet of the Strauss Broadcasting Corp., has gained a considerable reputation for itself by making good use of a privilege long practiced by the free press—the right to editorialize. Public employees should be happy to know that WMCA has been editorializing, in their behalf this past week to an area where it counts—the general public.

There's an opening for a management analyst in the office of New York's Mayor. And here's what it takes to qualify.

You need a college degree. You must have five years experience in analyzing business operations, personnel management or financial planning.

You'll have an interview and an oral examination.

If you get the job you'll be responsible for evaluating the organization, the police and the administration of city agencies.

Sound like a big job? Well, it pays less than eight thousand dollars a year.

Now WMCA has solicited a leading management recruiting firm in New York. In a judgment a man with the qualifications you just heard can command a starting salary of twelve thousand dollars in private business.

This is only one example of why we have trouble attracting able and ambitious young men to our city's civil service.

This Week's Civil Service Telecast List

Television programs of interest to civil service employees and their families are scheduled to appear on WUPHB, Channel 31.

WMCA can only be received on television sets equipped to receive the ultra-high television signals. Most sets can be equipped to accept the high radio signals by the addition of inexpensive tuners which can be purchased at many electronics dealers in the metropolitan area.

Publications on the location of these dealers, write: In-Serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬serv¬¬s

Westchester Approves $840,000 In Raises For 3,600 Employees

WHITE PLAINS, Sept. 17—The Westchester County Board of Supervisors has approved a recommendation by County Executive Edwin G. Michaelian to grant salary boosts totaling $840,000 to 3,600 county employees.

The Board met on September 19 to consider the proposal which will take effect on January 1, 1963. The raises range from $150 annually to $1,170. Those who will benefit most by the increased pay scale are in grades 13 through 16, all of whom will receive increases of over $1,000.

Included in this group are mostly professional and semi-professional people.

The salary study which prompted the request was made by County Personnel Director Denton P. Frohman, at the request of the County Executive.

**Salary Stubs**

The study was based upon a trend-study weight index which was used in 1953 to keep civil service salaries in line with those paid to individuals in other industries in the country. Pearlman said that a comparison with corresponding jobs in businesses in the county showed that the county had fallen behind the average for four and a half percent. The greatest penetration was in the field of the semi-professional and professional levels. This accounts for the large increase asked for personnel in those fields, Michaelian pointed out.

**Meeting Ordered For Park Police Vacation Request**

ALBANY, Sept. 17—Robert Moses, President of the Long Island State Park Commission, informed the Civil Service Employees Association that workers that he has investigated are members of the commission and its Police Department to make a request to the Association relative to the recent ruling by the Grievance Board on the feasibility of summer vacations for members of the Park's Police Department.

Moses action was the result of a request by the Employees Association for a meeting to seek an immediate solution to the problem.

**Want Summer Holiday**

The park police are seeking vacation during the summer months.

In its ruling, the State Grievance Board said that further conferences between the commission and members of its force face could lead to a satisfactory solution to the problem.

The grievance was brought by CSEA for the park police.

**New Director**

ALBANY, Sept. 17—Warren F. Johnson of Port Washington has been appointed director of the Division of Standards and Purchase in the Office of General Service.

He assumed his duties in early Sept. at a salary of $11,900 a year. Mr. Johnson is a retired executive of the Western Electric Company.

Bowlers — County Executive Eugene H. Nickerson, center, discusses techniques with Joan Dacherty, Civil Service employee, and Irving Flaumenbaum, president of the Nassau County Civil Service Employees Association, at the opening of the CSEA Bowling League.

PLACED — Joseph F. Fialka, left, president of the Civil Service Employees Association, calls on State Tax Commissioner Joseph H.
