Let's Remember... 

At the beginning of the week, boxes were placed at various points in the halls for the student gift drive. The drive has caused a great deal of excitement on campus this year. It is not only a good way to show our appreciation for the hard work put in by college authorities, but it is also an enjoyable way to spend our spare time. The drive has been well-organized and has made a big impact on the campus this year.

One week has passed and the boxes have been removed, but the spirit of giving remains. The student gift drive is a great way to give back to the college and helps to strengthen our community. So let's continue to give, and show appreciation for the college and everything it provides.
