Gives Outcome Of Idea Survey

Results show Men of College

More Liberal Than Girls

In Their Beliefs

The chapter of Kappa Phi Kappa, fraternal organization held in the college, was the subject of an idea survey conducted among the members of the college. The survey was administered by the student assembly and the results were compiled and tabulated. The survey revealed that men of the college were generally more liberal than girls in their beliefs. The results of the survey are expected to be published in the next edition of the college newspaper.

Faculty Man Become Chefs When They Lose Bet

Two Alpha Tau Omega faculty members at Washington State College bet the $1,000 college union that if they couldn’t raise $2,000 in a month, they would cook an oyster supper for the student body. The union raised $2,000.85 and faculty members E. V. Foster and A. A. Brose cooked the oyster supper.

The Lehigh Valley Section of the Lehigh Valley Chamber of Commerce recently held its annual picnic meeting, at which time the question of whether Lehigh Valley should be an independent section or should combine with the State College Section was discussed. The vote was three to one in favor of independent status.

The meeting was attended by a number of prominent business men from the Lehigh Valley area, including Mr. A. J. Wurts, President of the Lehigh Valley Chamber of Commerce; Mr. A. W. Miller, President of the State College Chamber of Commerce; Mr. W. H. Peck, President of the Pennsylvania Chamber of Commerce; and Mr. W. J. Smith, President of the Central Pennsylvania Chamber of Commerce.

The meeting was held at the Lehigh Valley Club in Allentown, and was concluded by the adoption of a resolution expressing the appreciation of the Lehigh Valley Section of the Lehigh Valley Chamber of Commerce to the State College Section for their hospitality.

The Lehigh Valley Section of the Lehigh Valley Chamber of Commerce was formed in 1930, and has since held regular meetings on the first Tuesday of each month. The purpose of the section is to promote business and industrial development in the Lehigh Valley area.

The meeting was well attended, and the discussion was carried on in a friendly and businesslike manner.

The Lehigh Valley Section of the Lehigh Valley Chamber of Commerce will meet again on the first Tuesday of next month, when the question of whether Lehigh Valley should remain an independent section or should combine with the State College Section will again be discussed.
