Without Jednak and a fully dominant All-American, Oberlin College, where the NCAA Division III championships will be held, is on its way to having its first All-American swimmer. After qualifying in the 200 yard Breast Stroke at the SUNYAC conference championships two weekends ago, Joe Shore is on his way to Oberlin College, where the NCAA Division III championships will be held.

The team showed interest in the 200 yard Breast Stroke, was sort of disappointed in the 200 yard Individual Medley (IM), but I was very happy with the team. The team was very happy with the team. The team was very happy with the team.

When I first came here as a freshman, I was son of a run-of-the-mill swimmer. After qualifying in the 200 yard Breast Stroke at the SUNYAC conference championships two weekends ago, Joe Shore is on his way to Oberlin College, where the NCAA Division III championships will be held.

Eco Majors
Denied Pre-Pre-Registration

By Robert Bric

The State University of New York at Albany has denied the pre-registration requests for students who wish to declare Ecology as their major. This decision has sparked a controversy on campus.

The College of Arts and Sciences has issued a statement expressing concern about the decision, which it feels is discriminatory. The College feels that students should not be denied the opportunity to pursue their interests simply because they are not enrolled in a traditional science major.

The pre-registration process allows students to enroll in courses before the regular pre-registration period. This allows students to reserve the courses they need to complete their majors. The process has been in place for many years and has been seen as a way to ensure that students can enroll in the courses they need to complete their majors.

The College of Arts and Sciences has also expressed concern about the impact of the decision on the student body. The College feels that the decision will make it more difficult for students to complete their majors, and that it will discourage students from choosing Ecology as their major.

The College of Arts and Sciences is currently working with the administration to find a solution to the problem. The College hopes to find a way to ensure that students can enroll in the courses they need to complete their majors, without denying them the opportunity to do so.

A Matter Of Facts

- They told us public higher education in New York State was to be governmentally affordable for all.
- Tuition is now increasing at an alarming rate. We guess they got the facts wrong.
- They told us the federal government would help send students to college, not impose loans.
- We guess they got the facts wrong.
- President Reagan has decided to cut back these funds. We guess they got the facts wrong.
- Although the race for registration and hard-earned was an issue resolved ten years ago.
- They told us there would never be another Vietnam, a war which offered a whole generation, all, for the cause of capitalism. President Reagan has already done the rest. We guess they got the facts wrong.
- They told us university governance was democratic; giving students a voice in issues which concerned them.
- Although the recently enacted student senate representation decision is a step in the right direction, students still run the risk of being misrepresented.
- We guess they got the facts wrong.
- They told us the tax cuts won the SUNYAC Basketball Tournament would help the NCAA East Regionals.
- We won the Regionals and then the site for the NCAA's. We guess they got the facts wrong.
- They told us the facts usually were found in the NYUAC Basketball Tournament.
- They won the Regionals and then the site for the NCAA's. We guess they got the facts wrong.
- Although they have been getting their facts wrong for some time now. This editorial is not attempting to eliminate the problems all it can do is open your eyes a little bit more to something that is happening and happening now.
- And that's the facts.

Munsey's "Clutch Kids" Race To Fifth

by Michael Caan

City Albany, N.Y. - Albany High
School's boys' track team got its
season off to a good start last week
with a fifth place finish in the New
York State championships in
Albany.

"We're very happy with our per­formance," Coach Bob Stowell said.

"We were able to run the races in
which we're strongest.

"We're happy to have placed fifth."

They placed fifth in the 4x400
relay, fifth in the 1500, third in the
5000 and third in the 4x800 with a
fifth place finish overall.

"I'm happy with our third in the
duel. It was more than I expected."

The team also recorded a new
fieldhouse record of 8:34.0 in the
2x300 relay, with a time of 1:13.01.

"We're very happy with this." said
Coach Stowell.

"It's a great start to our season."

The team's next competition will be

**Experience Faced The Challenge, and Beat It**

Pete Stanish would have to learn that two regular season tournament games did not equal the NCAA Regional bid. Tack onto that the fact that they got the most out of playing in the Christmas Tree Tournament in Pennsylvania, Albany had to go on to Washington to win there. "I'm very, very pleased because we were able to rise to the occasion. We made a lot of big plays," said Ray Cesare, who led the Danes in scoring. Cesare had 12.5 points per game, followed by Clune (12.1) and Stanish (12.4). Cesare was the scoring leader for the Danes, while Clune was the leader in assists with 10.1 per game. The Danes won 26 games this year, which is the highest number of wins since the 1974-75 season. Pete Stanish was the top scorer for the Danes, with 12.4 points per game.

### Students March On Capitol

by Ken Grotz

March 24, 1981

**Students March On Capitol**

2,000 Gather To Protest Tuition Hike

Approximately 2,000 SUNY and CUNY students gathered at the Capitol to protest the tuition hikes proposed by the SUNY Board of Trustees. The hikes would raise tuition by an average of 20% for the 1981-82 academic year.

### Why Didn't All SUNYA Go?

by Brian V. Cates

Why didn't all SUNYA students march to the Capitol? According to Assemblyman John Mannings, the biggest reason was that SUNYA students were分散 across the state, making it difficult for everyone to attend the rally. However, about 2,000 SUNYA students did attend the rally, which was held on March 24, 1981.

### Success of Rally Examined

According to Assemblyman John Mannings, the success of the rally was examined by SUNYA students who attended. The rally was held on March 24, 1981, and was attended by approximately 2,000 SUNYA and CUNY students. The rally was organized by SUNYA students who were concerned about the proposed tuition hikes.
