While you were here…

The Class of 2005 has experienced an exciting phase in the life of the University at Albany. This class has witnessed the most campus growth since the original construction of the main campus in the 1960s, the introduction of innovative new programs, major advances in the stature of University athletics, significant world events, new levels of competition and success by UAlbany’s Great Danes, spectacular growth, the kickoff of a major fund-raising campaign, and much more. Look for boxes marked “While you were here…” throughout this program to learn more about some of the milestones observed by the Class of 2005.

The caps, gowns, and hoods worn at college and university functions date back to the Middle Ages. Monks and students of those days wore them to keep warm in the damp and drafty 12th-century castles and halls of learning.

The gowns for the bachelor's degree, earned after undergraduate study, have long, pointed sleeves and are designed to be worn closed.

The holder of the master's degree wears a gown with an oblong sleeve open at the wrist. The sleeve base hangs down, and the rear part of its oblong shape is worn square cut. The gown may be worn open or closed. An alternate and older master's gown is also permissible. The gown is always worn open, has a long sleeve, which is square and closed at the end, and has a slit near the forearm.

Gowns for the doctoral degree may also be worn open or closed, but they carry broad velvet panels down the front and three velvet bars on the full, round, open sleeves. The velvet trimming may be either in black or the color distinctive to the field of learning to which the degree pertains.

Academic gowns for each level are black, although a few institutions permit doctoral recipients to wear gowns of the characteristic institutional color.

Academic protocol allows trustees, presidents, and marshals of higher education institutions to wear gowns that are especially designed and colored. Traditionally, the President of the University at Albany wears a black and royal purple gown bearing four horizontal royal purple and gold bars on the sleeves. The marshals' gowns at UAlbany are gold and blue.

Caps may be of serge, broadcloth, or, for the doctoral outfit only, of velvet. The tassel is black or the color appropriate to subject, except the doctoral cap may have a tassel of gold or bullion.

It is the hood that gives color and real meaning to the academic costume. The bachelor's hood is sometimes worn upon completion of the course, even though the degree has not yet actually been conferred. A black shell of varying size for the three degrees, and of material to match the gowns, is lined with silk in the colors of the institution conferring the degree. UAlbany's institutional colors are royal purple and gold.

The hoods of the master's degree recipients are a black shell made of material to match the gown and use the institutional colors. The doctoral hood, which uses the same institutional colors, is larger and of a different style, having a flat panel at the back. The hood is bordered with velvet of the proper width to indicate the degree and of the color signifying the field of learning to which the degree pertains.

If more than one degree is held, the gown and hood of the highest degree are worn. Holders of several doctoral degrees may make a choice of hood for any particular occasion. The colors indicative of the various fields of learning are as follows:

- **Arts, Letters, Humanities**: white
- **Accountancy, Business, Commerce**: drab
- **Economics**: copper
- **Education**: powder blue
- **Fine Arts**: brown
- **Journalism**: crimson
- **Library Science**: lemon yellow
- **Music**: pink
- **Philosophy**: royal blue
- **Public Administration, including Foreign Service**: teal blue
- **Science**: golden yellow
- **Social Science** and **Social Work**: citron

Graduating students at UAlbany wear tassels on their caps in black or a color representing their field of study. Honors graduates of the baccalaureate program also wear honor medallions.

UNDERGRADUATE AWARDS

CHANCELLOR’S AWARD FOR STUDENT EXCELLENCE

Undergraduate and graduate students are nominated for this distinction from across the entire State University of New York. The award is presented by the Chancellor to students who have demonstrated outstanding academic achievement and have received national or international recognition for their efforts. Recipients of this high honor have typically distinguished themselves in their academic work and in a variety of other domains including athletics, service, publication, conference presentation, or artistic performance.

Wendy Suzanne Hale, Political Science
Jeffrey Locke, Political Science
Dara Stofenbreg, Public Administration

PRESIDENTIAL AWARDS FOR UNDERGRADUATE RESEARCH

To encourage undergraduate scholarship and creative work, and to reward excellence and individual initiative, the University has established the Presidential Awards. The nominees for the award have been selected on the basis of a major paper or project produced by the student in conjunction with a course or independent study, under the direction of an Albany faculty member. The project’s significance is judged in terms of its academic quality and originality.

PHI BETA KAPPA

Phi Beta Kappa, established in 1776, is the nation’s oldest and most respected undergraduate honors organization. Its name comes from the initials of its Greek motto meaning “Love of wisdom, the guide of life.” Its mission is to foster and acknowledge excellence in the liberal arts and sciences. Members are elected from candidates for degrees in the liberal arts and sciences, usually from the upper tenth of the graduating class. Election is based not only on the quality of academic achievement as measured by the GPA, but also on the breadth of study in the liberal arts and sciences. Phi Beta Kappa seeks to recognize students of high intellectual and moral character who demonstrate broad intellectual interests and understanding. The following undergraduate students were elected to Phi Beta Kappa.

Pillow Fight
April 2005 saw UAlbany break the world’s record for the largest pillow fight in history, which we all hope will lead to an entry in the Guinness Book of World Records. On a beautiful spring day, more than 3,300 students, faculty and staff gathered on Collins Circle to participate in the pillow fight and enjoy music, games, challenge events and free food. The event was a prelude to a redesigned Fountain Day, which was both fun and alcohol-free for more than 5,000 members of the UAlbany community.

FOCUS ON THE LIFE SCIENCES

The University is expanding the physical infrastructure essential to build nationally competitive programs in life sciences research. Work on our new $78 million Life Sciences Research Building on the main campus was completed in 2004. Work in this 180,000-square-foot building will focus on biotechnology, and it will house 39 research groups from several life science disciplines.
Phi Alpha Honorary Society of Social Work

Alpha Gamma Chapter
The purposes of Phi Alpha Honor Society are to provide a closer bond among students of social work and promote humanitarian goals and ideals. Phi Alpha fosters high standards of education for social workers and invites into membership those who have attained excellence in scholarship and achievement in social work. Phi Alpha offers membership to social work students, faculty, and practitioners, and each chapter is free to develop a program to meet local needs. More than 155 chapters are now in existence.

**ALBANY NANO TECH**

UAlbany created Albany NanoTech to be a fully integrated research, development, prototype-building and technology development resource. The group supports rapid high-tech business development and job creation through partnerships between business, government and academia. Its newest component, the NanoFab300 facility, will be the world’s first 300-millimeter computer wafer nano-electronics research and development facility that incorporates workforce education and training and is based at a University. Applications that will emerge from this venture range from cutting-edge computer microprocessor and memory chips that are increasingly better and more complex to micro- and nanosystem-based “Systems-on-a-Chip” (SOC) technologies.

GPA INFORMATION Candidates for May degrees are listed as of April 22, 2005. No changes in status could be made after that date. August and December 2004 graduates were listed in the December program. Honors for May degree candidates were computed using the cumulative grade-point average as of December 18, 2004, and a projection that the student will have earned 55 or more credits at UBany, of which a minimum of 40 credits are A-E graded. Official honor status will be recalculated when Spring 2005 grades are recorded and will appear on the diploma.

*** Summa Cum Laude - signifies a cumulative grade-point average of 3.75 or above
** Magna Cum Laude - signifies a cumulative grade-point average of 3.60-3.74
* Cum Laude - signifies a cumulative grade-point average of 3.25-3.49

BOOR SCULPTURE STUDIO

The Boor Sculpture Studio opened its doors in 2002 with the help of Terri Cosima Boor, sculptor and UAlbany alumna. This 20,000-square-foot building houses several fine arts classrooms and workspaces. Among these are a modeling classroom, sculpture studio, foundry/metal working area with an overhead rail system and an outdoor work pad for assembling and loading large-scale artwork and material, a three-dimencional design room, a wood/pattern shop, and several offices. The project is an impressive step in expanding the University's arts programs by providing a workspace for students to develop and hone their skills.

EXPANSION OF EAST Campus

The University saw tremendous development of the East Campus in Rensselaer when the Center for Functional Genomics, an 80 million-dollar project, was built. It houses Albany Molecular Research, the NYS police forensic mitochondrial DNA laboratory and more. The next major goal for the East Campus is to create a cancer center approved by the National Cancer Institute—a project that is well underway.

University at Albany Photo Release

The University at Albany's Commencement ceremonies are public events that are videotaped, photographed and recorded. I understand that by attending I give permission for the University to photograph and record me and then use my physical likeness and sound in University at Albany related publications and productions. The University at Albany may convert the video, photographs or audio into any format that exists now or may be devised in the future. The University at Albany may edit and repackage my physical likeness and sound as recorded this day into any existing format or one devised in the future. I will not seek any claim on the University at Albany or anyone else with whom they've contracted over the use of my physical likeness and sound recorded this day or for any other projects that grow out of it. This means, among other things, that I will not sue for invasion of privacy, right of publicity or any other right connected with the use of my physical likeness and sound recorded this day or any other projects that grow out of it. I intend for this to be a blanket release for the University at Albany and anyone else they may deal with in order to broadcast, promote or distribute the images and sounded recorded this day or any projects that grow out of it.
ALMA MATER

College of the Empire State,
Mother of an army great,
Thou the molder of our fate,
       Thee we sing today.
Thine the hand we clasp so strong,
Holding tho’ the years be long,
Thou the burden of our song,
       Thee we sing today.

Wisdom’s duty heeds thy call,
Ever in Minerva’s thrall,
Pass the torch from one to all,
       Guide each destiny.
’Neath the Purple and the Gold,
Let thy history unfold,
Sons and daughters, young and old,
       Hail to Albany.
