Summary Information

Repository: M.E. Grenander Department of Special Collections & Archives
Creator: State University of New York at Albany, Office of the Director of the Physical Plant
Title: Office of the Director of the Physical Plant Records
ID: ua331
Date [inclusive]: 1974 - 2017 July 17
Physical Description: 7.68 cubic ft. 270 captures
Physical Location: The materials are located onsite in the department.
Language of the Material: English
Language of the Material: English
Mixed Materials [Collection]: X
Abstract: The collection consists of the records of the University at Albany's Director of the Physical Plant. The records document the administrative functions of the office and the maintenance of the University's building, grounds, motor pool and power plant.

Preferred Citation

Preferred citation for this material is as follows:

Identification of specific item, series, box, folder, Office of Director of The Physical Plant, M.E. Grenander Department of Special Collections and Archives, University Libraries, University at Albany, State University of New York.

Biographical History

The University at Albany's office of the Physical Plant is a unit within the Office of Facilities Management which is a unit within the Division of Finance and Business. The Department of the
Physical Plant is responsible for the operation and maintenance of the buildings and grounds of the University at Albany. During this period, the Physical Plant had a wide range of responsibilities beyond building and ground maintenance, including maintenance of the motor pool, overseeing the power plant, and construction. They were also responsible for the search and repair of the president's residence.

**Scope and Contents**

The collections consists of records the University at Albany Office of the Physical Plant. It includes work-orders, receipts and correspondence relating to building and grounds maintenance. Documents activities pertaining to the repair and use of the motor pool, such as receipts and use requests. There are records, including photographs, used in the search and repair of the President's residence. Contains financial documents and long-term budgetary plans as well as minutes from staff meetings. Includes employment rosters and other personnel files. Also, has manuals and conference materials.

**Arrangement of the Collection**

Original order was reclaimed with the exception of the President's Residence Search and Repair and Budget and Planning Records which were separated into their own series.

**Administrative Information**

**Publication Statement**

M.E. Grenander Department of Special Collections & Archives

**Revision Description**

Basic collection level description created in EAD migrated to ArchivesSpace Collection processed 2015 2016 2018
Processing Information

Processed in 2018 by Amanda Partridge. Copies of records containing personal information removed during processing.

Acquisition Information

All items in this manuscript group were transferred to the University Libraries, M.E. Grenander Department of Special Collections and Archives.

Physical Characteristics and Technical Requirements
Researchers interested in data analysis with web archives may request a WARC file. WARC files are very large and difficult to work with. Your request may take time to process, and we may be unable to deliver your request remotely. Please consult an archivist if you are interested in advanced research with web archives.

Physical Characteristics and Technical Requirements

Researchers interested in data analysis with web archives may request a WARC file. WARC files are very large and difficult to work with. Your request may take time to process, and we may be unable to deliver your request remotely. Please consult an archivist if you are interested in advanced research with web archives.
