Finance Board O. K.'s Tax Investigation

Entire Board Goes On Record for Revision as Present Plan Faces Failure

For reading steps for investigation leading to a future compulsory student tax were recommended to the student body when the Student Board of Finance unanimously accepted a resolution that other, introduced at the regular Tuesday meeting. The entire board went on record as saying that compulsory and efficient system for the student association will be in the form of a compulsory payment of student tax.

The members of the Finance Board were: Mr. George M. York, head of the Commerce department; Mr. Clarence A. Hidley, assistant professor of history; Ruth E. Williams, and Allen A. Wells, have been selected by the Board of Finance, to be the student body as a whole, and to act as such in the next term of the News.

Murray at forward, Dan Finch and Dan Van Leuven at center, have been selected by the Board of Finance for the 1934-35 season. The team will be in full strength for the season. The opening of the season will take place on the Page field, Saturday, March 9, on the Page field. The newspapers have not been on State's basketball schedule since 1921, when they defeated the Purple and Gold by a convincing score.

The beavers have never lost to a State college team. However, State's power house has been bowling over opposition this year, while R.P.I. has had a mediocre season. The two teams are evenly matched and should show the greatest of the year.

Leaders Favor Compulsory Tax---

Opinions of several student leaders are given below:

Clifford Rail, '35, member of the Student Association and a strong supporter of the student tax, said: "It is an easy matter to accept the resolution regarding investigation of a procedure which tends toward a free and public payment of the tax at $10.00 per cent on a budget calling for $12,525.00.

In 1930-31 and 1931-32, the student tax was $10.00. The budget was $17,000. The student tax was $10.00 per cent on a budget calling for $12,525.00.

State Will Play Mass. State Five Tomorrow Night

By Frank Hardinger, '35

Sports Editor

The second, eastern invasion of the season will take place on the Page field tomorrow night when a high-flying Massachusetts State team will attempt to halt State's victories at 8. The contest will come State's regular season schedule.

The Massachusetts State college team has an enviable record for the season, holding a victory over Springfield college. Recently dropped a very close decision to Williams, the team that finished Princeton's Tigers.

Coach Luther Baker will have the entire squad at full strength for the game. The opening weekend will probably find George, Bancroft, and Bob Murray at forward, Dan Gleich and Captain Cliff Rail in the guard positions, and Leon Welte at center.

TO SPEAK IN ASSEMBLY

Prof. John M. Sayles, director of athletics, and president of the student association, will be the speaker in the I111 student assembly today in the auditorium of the page hall, according to Clifford Rail. Mr. President, the Student Association.

Prof. Sayles will talk on the residence hall plan in process of construction. The lecture will be illustrated with slides.

Compulsory Student Tax Is Asked; Plan Needed To Save Activities

Compulsory payments of student tax may be required for every matriculate next year, if present recommendations are realized.

Resolutions calling for acceptance of the recommendation of the student Board of Finance asking for investigation of procedures by which a compulsory program could be set up will be offered in Assembly this morning at 11:00 o'clock. Clifford Rail, '35, president of the Student Association, stated today.

Further reading: The meeting will be read, requesting the appointment of a committee to investigate and report to the Student Association on the matter.

"GREATER CO-OPERATION NEEDED" SAYS YORK

Professor George M. York, head of the commerce department, and chairman of the student Board of Finance, said in regard to the compulsory student tax resolution, which will be offered to the assembly today: "We ought to take a sign of our student activities, the greater co-operation in bearing the cost of our sports needs." He supported the present tax plan.

Mr. Clarence A. Hidley, assistant professor of history and treasurer of the Student Board of Finance, stated today: "We ought to take a sign of our student activities, the greater co-operation in bearing the cost of our sports needs." He supported the present tax plan.

Roving Reporter Discovers Football Interest Growing

An inquiring News reporter has found that the growing tidal wave of football for next year has practically the unanimous support of faculty and students. Everyone interviewed showed favorable interest in the program.

The question asked was: "What do you think of having a football team at State next year?" The results of the interviews were:

Dr. A. R. Brubacher, president: "Football at State college may be revived if there are enough men here who want it. We cannot have a team unless we have enough or more men ready to go out for the game. The players will work regularly throughout the season. It seems wise to have a year of experimenting in play games with such teams as may be available, but at the same time we will be able to develop competitive games for the future."

Donald C. Bryant, instructor in English: "Football next year would be..."
An Open Letter

To the Editor of the News:

The recent statement that the Student Association is threatening to become a dictatorship is again pessimistic. To wit—

The following resolution is presented to the student association in consideration of the actions of the Student Association. The resolution, which would be submitted to the Student Association, and be passed on by them to the Student Council, is given below:

**Resolutions:**

1. That the Student Association is an integration of the student body and the student body's representatives. There is no separation between the Student Association and the student body. The Student Association is the student body and the student body is the Student Association.

2. That the Student Association is in control of the Student Council and the Student Council is in control of the Student Body. There is no separation between the Student Council and the Student Body. The Student Council is the Student Body and the Student Body is the Student Council.

3. That the Student Association is the student body and the student body is the Student Association. There is no separation between the student body and the Student Association. The student body is the Student Association and the Student Association is the student body.

4. That the Student Association is the student body's representative body and the student body is the Student Association's representative body. There is no separation between the student body's representative body and the Student Association's representative body. The student body's representative body is the Student Association's representative body and the Student Association's representative body is the student body's representative body.

5. That the Student Association is the student body's representative body's representative body and the student body's representative body is the Student Association's representative body's representative body. There is no separation between the student body's representative body's representative body and the Student Association's representative body's representative body. The student body's representative body's representative body is the Student Association's representative body's representative body and the Student Association's representative body's representative body is the student body's representative body's representative body.
