Dear Frosh . . .

By JACK CHENOWTh

Your friends:

Now comes a time for a season of discovery, a time to explore the unknown. I believe we all have been waiting for this one, for so long. It was a time to go beyond the boundaries of our minds, to reach out and touch the world. This is the time for us, the Frosh. It is a time to begin our journey into the unknown, to explore the unknown.

SUGGESTIONS OF POLICY

For the frosh who are not sure what to do, I suggest that they consult with their professors. They can offer valuable advice and guidance. They can also provide a safe and supportive environment for learning.

SUGGESTIONS TO THE ADMINISTRATION

I suggest that the administration consider the establishment of a Frosh Council. This council could be made up of representatives from each of the colleges. It would have the power to make decisions on behalf of the frosh.

The following is a list of suggestions for the frosh:

1. Be friendly and approachable. Frosh are often shy and self-conscious. It is important to be friendly and approachable.
2. Be a good listener. Frosh need someone to listen to their problems and concerns.
3. Be a good speaker. Frosh need someone to give them advice and guidance.
4. Be a good example. Frosh need someone to set a good example for them.
5. Be a good friend. Frosh need someone to be a good friend to them.

SUGGESTIONS TO THE FROSH

I suggest that the frosh:

1. Be open to new experiences. Frosh need to be open to new experiences.
2. Be open to new ideas. Frosh need to be open to new ideas.
3. Be open to new people. Frosh need to be open to new people.
4. Be open to new places. Frosh need to be open to new places.
5. Be open to new things. Frosh need to be open to new things.

In conclusion, I suggest that the frosh:

1. Be open to new experiences.
2. Be open to new ideas.
3. Be open to new people.
4. Be open to new places.
5. Be open to new things.

As frosh, we need to be open to new experiences, ideas, people, places, and things. We need to be open to the unknown. We need to be open to the future. We need to be open to the possibilities.

Sincerely,

Jack ChenowTh

Vogue Offers Prix de Paris For 19th Year

This year Vogue magazine is presenting the Prix de Paris for the 19th year. The magazine is dedicated to encouraging young designers and their work, and it has become a prestigious award in the fashion industry.

Summer Reveals Hidden Talents

The future of American fashion is in the hands of young designers. Many of the most successful designers today started their careers by entering design competitions and showing their work to a select panel of judges.

When you smoke Chesterfield it's so satisfying to know that you are getting the one cigarette that's low in nicotine, highest in quality. A fact proved by chemical analyses of the country's six leading cigarette brands. And it's so satisfying to know that a doctor reports no adverse effects to the nose, throat and sinuses from smoking Chesterfield.

The doctor's report is part of a program supervised by a responsible independent research laboratory and based on thorough, monthly examinations of a group of Chesterfield smokers over a period of a year and a half.

Chesterfield is best for me—my steady smoke for 7 years.
