Letdown Not Lethal As Danes Top Binghamton

Oneonta Upsets Potsdam;
SUNYAC Race Tightens

By MARK GESNER

BINGHAMTON, N.Y. — In the aftermath of every Albany victory, Tom Sauers likes to say, "I have to throw the party." After Saturday night, it was Binghamton's turn to throw the party.

The Danes had every reason to celebrate. In a 29-10 rout over Western New England, Binghamton scored a significant victory over a team that had beaten them in three straight meetings.

In a nutshell, the victory two weeks ago came as no surprise to Binghamton coach Dickelman. "We didn't have a letdown," Dickelman said. "We had a great game." Dickelman added that the Danes were "a more complete team" than their opponent.

The Danes were led by forward John DiGiacomo, who scored 13 points and added 10 rebounds.

The game was played in front of a record crowd of 1,100 fans at the Alumni Gym.

Dickelman also praised the Danes' defense, which held Western New England to just 34 points, the lowest offensive output of the season for the Colonials.

"We played well on both ends of the floor," Dickelman said. "Our defense was excellent, and our offense was strong." Dickelman added that the Danes were "a more complete team" than their opponent.

The Danes, who are currently ranked seventh in the SUNYAC, improved to 4-2 on the season with the win.

Egg To Consolidate With SUNY

BY RUTH BRUNNER

The Egg, the performing arts complex in downtown Albany, is planning to consolidate with SUNY Albany.

"The Egg is a valuable asset to the community," said SUNY Albany President Donald Wharton. "We are excited to work with the Egg to create a new, dynamic arts and community center." Wharton added that the Egg would be "a hub for the arts in the region."

A Friend in Need

To the Editor: 

I have been dealing with trying to fulfill my right of writing a letter in another language. I cannot. I am only half way through the language and there is no hope that I will ever be able to write in another language. By the time you read this, I will have completed my first course in the language. It is the only course that I am currently enrolled in. I cannot get any more courses in the language, it may be too late.

I am writing this for all those people who feel it is too late for them.

There are people who feel it is too late for them. Yes, you are right, the writer is a student, but you are wrong, she is also a mother. She has been dealing with the same type of language issue, but for more years and it will not be the same.

Life cannot give you back the time that you have already lost. The writer is dealing with the same issue, but she is dealing with the same issue, but she has more years and she cannot wait.

If you are dealing with the same issue, please come to the writer and tell her your story, before it is too late.

Ice Capsades

In the Editor: 

All who enjoy the ice, whether it's sliding, skating, or just flying over the water, take note: the first ice skating event is this Saturday, February 13th.

The original plan was to have the event on the SUNY campus, but due to unforeseen circumstances, the event was relocated to the Union Station.

The event will begin at 6:30 pm and will continue until 10 pm. All who wish to participate are encouraged to dress warmly and bring their skates.

The event is free to all SUNY students and faculty, and will feature live music and refreshments.

Don't miss out on this exciting opportunity to enjoy the winter outdoors in SUNY style!

**Feminist Alliance**

Today, we want to celebrate the strength and resilience of women. 

On February 8th, the 2021 International Women's Day, we join together to honor the contributions of women to society.

This year's theme is "Choose to Challenge." It encourages us to challenge gender stereotypes and discrimination.

We cannot solve the issues faced by women without addressing the root causes. 

The Feminist Alliance is dedicated to advancing the rights of women and creating a more equitable society.

Let's continue to fight for gender equality and work towards a better future for all women.

-- Name Without Purpose

**Editorial**

Back in the 1970's, a group of enterprising businessmen proposed the Crossgates shopping mall for the Pine Bush area in Olivebridge... not far from SUNYA's campus. The proposal was more likely presented as a means of controlling the town board. The vision of a new shopping mall may have raised a few feathers in the town board. As it was not a new plan. Many details of this time are probably long forgotten.

But, probably one thing that will not be forgotten easily is the furious opposition the proposed plans raised in area residents. 

The Feminist Alliance has long been concerned about women's issues. Through consciousness raising we can break down these barriers and encourage women to speak out and be heard.

Each year the Feminist Alliance sponsors a Lou Reed Week. This year's events include a special talk with Lou Reed on February 11th and his latest album release "Flesh-Tunes." The album is coming out this week.

The Feminist Alliance is excited to continue this tradition and bring awareness to important issues.

The Feminist Alliance invites everyone to come and join us for Lou Reed Week events and to learn more about the important issues we are fighting for.

Division I Utica Triumphs Over Danes, 67-59

By MARC HAPPEL

UTICA, N.Y. — The Utica Pioneers opened the first year of Division I hockey play with a 67-59 victory against the State University of New York at Stony Brook Danes tonight.

The Pioneers, led by forward John Dieckelman, dominated the game from the beginning, putting 30 shots on the Stony Brook net in the winning effort.

The game was tied 3-3 after one period, but the Pioneers, who are members of the Atlantic Hockey Conference, were finally able to pull away. With three and a half minutes remaining in the first period, a flying shot by Dieckelman ensured a 4-3 lead for the Pioneers. They would then add two more goals in the second period to ensure a comfortable win.

In the third period, the Pioneers continued to dominate, although the Danes were able to cut the lead to 6-19 with a few minutes remaining. However, the Pioneers were able to hold their lead and secure the victory.

The victory was a great start for the Pioneers, who are looking to make a name for themselves in Division I hockey. Next up for the Pioneers is a game against the RPI Engineers, who are one of the top teams in the conference.
